MASSAGE THERAPY

Maryanne
210-287-4719

Staying Hydrated, Staying healthy, getting enough to drink is important, whether you're playing sports, traveling, or just sitting in the sun. Keeping the body hydrated helps the heart more easily pump blood through the blood vessels to the muscles, helping the muscles work effectively. When hydrated your heart doesn't have to work as hard. Aim for about 3 liters for men and 2.2 liters for women daily. Water is best but there are many fruits/

vegetables that can help with hydration. Call Maryanne for your massage therapy sessions Monday - Friday morning and afternoon sessions available by appointment only in the Therapy Room in the EPC.

Recreation Update

October 6, 2017

The Community Center kitchen is up and running once again! Thank you to the many volunteers who assisted Chef Ed in putting the facility back in working order. Just in time for the season!

When was the last time you took part in a good old-fashioned scavenger hunt? In fact, a Columbus Day Scavenger Hunt? Well, we have one scheduled for Monday, October 9 and we'd love to include you in the fun. Meet in the Baja Bistro at 10:30 am. Remember, a golf cart is required.

We're back in business for our weekly Ice Cream Socials beginning October 10 from 1:30 - 2:30 pm in the Baja Bistro. Hope to see you there.

Our local firefighters said "...Thanks a ton for the many, many delicious cookies and heartfelt notes" which were presented to them in appreciation on September 11 by residents of Venture Out. Our summer residents did themselves proud.

Ed's Grill will be open for business beginning Thursday, October 12 from 11:00 am - 12:45 pm. Enjoy a hamburger, cheeseburger or the weekly special for STILL only \$5.00.

Tickets are currently on sale for one of my favorite meals...Loaded Baked Potatoes. This Monday, October 16 meal includes a huge baked potato loaded with your choice of chili, sour cream, shredded cheese, onions, salsa and bacon. Choose one topping or get creative and take them all. Ticket deadline is Wednesday, 10:00 am, October 11.

Grab your favorite beverage and head to the West Pool for Happy Hour on Wednesday, October 20 to listen to music by Billy Marovich. This will be Billy's first appearance at Venture Out and I'm betting not his last! Ice and water provided but please be sure your beverage container and drinking glass are non-breakable as glass is not allowed in the pool area. The fun begins at 3:00 pm and continues until 5:30 pm.

Join us on Wednesday, October 18 for another rollicking game of "Who Am I?" Group play for this brain teaser of a game begins at 3:00 pm in the Baja Bistro. Free dessert to all participants.

The Grill will be open for a special breakfast of strawberry topped waffles, sizzling bacon, chilled juice and piping hot coffee on Wednesday, October 25 at 8:00 am. Tickets are only \$5.00 and can be purchased in the Activity Office until Wednesday, 10:00 am, October 18.

Attention Club Presidents! Fall Start Up kits may now be picked up from the Activity Office. This packet includes your clubs' 2017-2018 budget, fundraising dates, tournament and league security requirements and important notifications regarding food preparation. Please read thoroughly.

Have you ever tasted a Muffuletta while visiting New Orleans? If you have you know how delicious they are. The Recreation Department is sponsoring a Muffuletta lunch on Monday, October 23 in the Baja Bistro at 12:00 pm. Get your tickets by October 18 so you can attest that our Muffulettas are as good as those found in New Orleans!

Venture Out has the very, very best of Halloween parties and you will want to be a part of this year's event. Dress in costume or just come as you are. If planning a costume, you may want to work with this year's theme "Orange You Scared?" Dress in your scariest witch's costume, become Freddy Kruger or come as the giant pumpkin! Dinner, music by Reign-N-Country, costume contest, dancing and fun are all on the agenda for the evening! Tickets on sale in the Activity Office until 10:00 am, Wednesday, October 25.

Chef Ed will once again conduct Food Handler's classes this season. If you are up for renewal or wish to obtain a new card plan to attend one of the monthly classes offered. The next class is scheduled for Friday, October 25 at 10:00 am in the Baja Bistro. No studying required! No test taken! No cost!

Coyote Coupons Books are now on sale by your friendly Splashers! Now's the time to pick up your book and start saving big bucks.

If you haven't received your flu shot you'll have the opportunity to do so at Venture Out on Wednesday, October 18. Our local Walgreens will be on hand in the Baja Bistro from 8:00 - 10:00 am offering flu and Pneumonia shots. Most insurances and Medicare accepted. Sign up in the Post Office hallway today.

It's that time of year again! Time for the Recreation Department's Trash, Treasures and DVD Sale. A bucketful of items will be available for purchase including chairs, tables, furniture, odds and ends, dishes, DVD's and more. The sale is held in the Baja Bistro between 11:00 am and 1:00 pm on Thursday, October 27. Why not shop then stay for lunch at Ed's Grill?

Beginning Monday, October 16 the Activity Office will revert to its Fall Hours of Operation 8:00 am - 12:00 pm and 1:00 pm - to 3:30 pm. Tis the season...

Thank you to the many resident volunteers who made the summer months at Venture Out a bit more bearable. That includes those who assisted in the Activity Office, the Library, the kitchen, at various parties and those creating decorations. You truly are the best!

Manager's Corner

October 6, 2017

Park occupancy is 249 or 14% compared to 227 the week prior and 268 the year prior. There are currently 38 renters in the park.

Its October and we are racing to the finish on the Sports Plex project. All the courts are poured and will cure prior to the finished surface being applied. This work will take place in October and into November, with completion scheduled for the pickleball portion about 11/8. The contractor is well aware of the pickle ball tournament that we are having in

November.

The rest of the site, Tennis, parking lot etc. is scheduled to be completed by the end of the second week of October, giving us ample time to get set up for the fall classic. Because there will be so much paving and landscaping going on in the next two weeks, this area is strictly OFF Limits. No one can go on site unless allowed by the construction super as it is much too dangerous with all the earth moving equipment, pavers etc. working in a confined space.

The Wi Fi, here after known as 'VO Net' is in the test mode right now. Some of you have already signed up for it and that is fine, but we are working on getting the signal consistent throughout the park right now and it is not yet at full capacity in all areas. When it is, we will send out a fast mail to that effect.

When it is completed, the system will allow you to sign on, pay with a credit card and you can either choose to have that payment be charged monthly or you can re-up each month as it expires every 30 days. Each package is explained in terms of the speed and the number of devices allowed. You will be asked to set up your password which you should always keep private. If you have seven devices, you can use all of them **but** (for example) only five can be used at one time with the 20 Mbps service. You might think that is a lot of devices to have, but the average home these days seems to have two cell phones, laptops, kindles, PC's, Alexa's, internet TV and before you know it, you are using a lot of devices connected to the internet simultaneously. I did test out the 50 Mbps service and found it to be much faster than what I am used to when it comes to streaming videos, Netflix etc. Your service will be park wide once it is fully activated. Patience please as we finish this up.

The new web site is up and we are ready to start registering members. There is a 'Front page' open to the public primarily geared towards marketing Venture Out and the sales/rentals bill board. Then there is the 'Back page' where you will find all the minutes, financials, links to your account, agendas etc. This is also where you log in to register to post on the Bulletin Boards. Lot owners and current renters can sign up for the 'Resident Login'. The office staff will verify who you are and then authorize access to this section. This was necessary to do, because there is simply so much going on in the cyber world today, that we need to protect e-mail addresses, names and information that relates to the lot owners. Many thanks to Deanne and Rob here in Admin who worked all summer to perfect that site with the web designer. They incorporated all the suggestions from the communications committee as well and implemented those changes. To register go to 'Resident Log In' type in Ventureout2017 and you will be asked to register and create a new password.

The front pedestrian gates are now kept closed during the day and you must use your badge to go in or out. After 8:00 P.M. at night those gates are also locked down and anyone on foot must gain access via the guards. This was one of the highest requests we had on our Long-Range Plan, (over 75%) so we hope you are all happy with that feature.

Dish TV finally has sent us an acceptable contract after spending the summer going back and forth with them on the details. This should be signed by the time you read this and then Dish will begin to install the new HD service. The old contract officially expires on 11/7. Carol Perkinson, prepared a book explaining the change over from analog TV to HD which can be found in the Community Center to be checked out.

SRP started secondary replacements in the last month and we can expect to have them in the park for a good portion of the season. This is a good time to remind everyone to be careful when behind the easements, where they are working, but also DO NOT cross through your neighbor's property accessing through the side easement. That is private property and is the same as walking through their living room. There is also liability crossing through someone's property, that they and you don't wish to incur.

The kitchen at the Community Center should be up and running by the end of this next week. Ed has much to do in terms of cleaning and getting his storage restocked. New prep tables will be installed this week to replace those that were damaged. All this work was covered by the reserve fund. The staff is changing their method of cleaning back to old fashioned mops and buckets. Talking to our architect who does a lot of work at the airport, he said he sees this type of damage out there to often, that modern cleaning methods are designed to deep clean and clean quickly but are often in conflict with and damage the materials used.

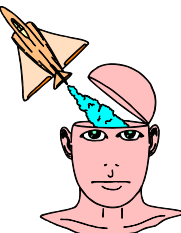

The shuffleboard project is about half done, we are waiting for the installer for the new bleachers and move the old ones over to tennis at the Sports Plex. We of course cannot move the old bleachers until the paving is completed, probably the third week of October.

We had many items on the project 'to do' list this summer, over 214 at this point, some of those were accomplished in one day and some projects have lasted all summer long. We are still working on many items finding the summer much too short.
