The total number of cars does not represent the total number of persons inside the cars. ## ATTENTION RESIDENTS

Once again it's weed season. Owners are responsible for keeping weeds cleared off their property. Owners: Before leaving for the summer, apply a pre-emergent to your property to help prevent continued growth of unwanted weeds. If you are a renter, please notify the owner to have the weeds removed and the lot pre-treated with a pre-emergent. Owners: Please notify the Venture Out Chief of Security as to who you are leaving in charge of your property and will be responsible for weed removal. Thank You for your cooperation in keeping our park beautiful.

If you should be out and about in the park and you see someone suspicious looking PLEASE do not approach the person but rather report the person(s) to Security. A description of the person and where you last saw them is very helpful for the on-duty Security Officer to know where to find this person and identifying them. It is too dangerous these days to take any chances and encounter any suspicious person who doesn't belong in our park. Security takes suspicious people and suspicious activity very seriously. Every Security Officer is trained to handle suspicious people and situations and will call Mesa PD immediately to press trespassing charges on anyone who doesn't belong in the park. Thank You for assisting Security by reporting suspicious people and activity when necessary. Your eyes and ears are very valuable to the Safety and Security of the park.

**Please Note:** Shriners are NO longer accepting scrap metal. They are still recycling cans but NO scrap Metal.

The Security Department can be reached at phone number **480-832-6080** 24 hours a day 365 days a year.

Thank You  
Brandon Fowers,  
Chief of Security

# **Manager's Corner**

*June, 2018*

This month's occupancy is 594 units or 34% occupied, vs. 791 a month ago and 545 one year prior. There are currently 55 renters in the park.

Next Monday is Memorial Day and as normal we will be closed for that Holiday.

Starting approximately the week of June 3<sup>rd</sup>, major street work will begin along Bonanza, the 900 block of Navajo and Aero and the 800 and 900 blocks of Merlin.

The asphalt will be removed totally, regraded, an island is to be installed in the 900 block of Aero, similar to the zero block of Aero, and new street lights will be installed all along these new roads. Street lights will be the new commercial LED that was installed on the 800 block of Merlin last year.

This is the beginning of a many years long project where all streets and lights will be replaced in Venture Out. We will follow our street consultants plan, which is first targeting the streets that are in the worst condition, based on his assessment. That means that streets such as Helio and Fairchild which are brand new will not be slated for any kind of replacement for probably 20 years from now. If you are curious how your street falls into the masterplan, you can find his report on the web site under the Condo Board Reports. **"Venture out PMA Report Revised 2016 (streets)"** Seal coating will take place late in the summer.

The construction schedule is published in this month's outlines and it will take thirty days, start to finish to get this project done. All homeowners in these blocks have been contacted and we are giving them options for parking. These areas are not to be driven on when they start construction. There will be open trenches for lights and grading stakes placed throughout the site. Yes, it will be a hassle, but the result should be worth it. I always recommend that when we have major projects such as these happening, if you can do it, its an excellent time to take a vacation and get away from the noise and disruption because there is no way around it, it will be very inconvenient.

The construction schedule published is also the ANTICIPATED schedule. Any delay in City permits on the lights or bad weather can push that back. For instance, if it rains, the site must dry out, before they can commence working. You cannot pave over a wet subgrade. We thank everyone in advance for your co-operation on this major project.

There have been some break in's in the RV's and the Security have caught several individuals around the park and other's jumping over the wall as they approach. Most all of these are night time events. We are getting a bid on a perimeter laser alarm but that will simply tell us if someone scaled a particular section of the wall. We still have to find them and with one rover at night, covering 160 acres, with many places to hide, it is not easy. At my request last year, the Board and Infrastructure Committee are looking at potentially raising some of our walls in the park that are easily breached. There are many options out there, a taller wall such as you see along Leisure World, is an engineered wall (anything taller than six feet) and requires permits from the City to install. I did get bids on that exact wall about three summers ago and at the time it was \$110/a linear foot. We have a mile of wall around the community, so you can do the math and understand why the Board is taking a hard look at this. In the meantime, we appreciate everyone keeping their eyes open, and if you see someone suspicious, contact Security immediately, don't intervene yourself.

The annual Palm tree trimming is scheduled to start June 18<sup>th</sup>. Everyone that has lived in the park for years, knows this drill. It will be the same crew as the last two years, so welcome them back, they do a pretty good job. This project takes five weeks.

If you noticed a drone flying overhead the first part of May, that was a thermal imaging drone, that produced some very interesting images of VO. Specifically it was to look for any major water leaks, and we are happy to report there are none. Just the normal leaking standpipes and irrigation issues. Staff is working on a list of leaking standpipes through the summer and irrigation repair is just a constant job.

The annual statement and coupons will be mailed out shortly. The summer newsletter comes separately now and is e-mailed to 1500 home owners (that saves a LOT of money). If you have an e-mail, but have never received your summer newsletter electronically, please contact Deanna in our office so we can get you set up. For those of you who are haunting your mailbox looking for that concert series form, getting your summer newsletter by e-mail OR going on line and printing it, is the fastest way you will get it.

The Board will hold a teleconference meeting on June 14<sup>th</sup> at 9:00 a.m. in the Oasis, as a mid-summer check in. A tentative agenda is posted in this month's outlines.

Have a safe and happy Holiday weekend!

**June, 2018**

Don't forget the Memorial Day Potluck Party is this coming Monday, May 28. Bring your favorite dish to share, table service, a dollar or two for the 50/50 raffle and enjoy the holiday at Venture Out. Your hosts for the event are Tom and Cheryl Epping and they've planned some great entertainment following lunch. All the fun begins at 12:00 pm in the Baja Bistro.

Ed's Grill will be open each and every Thursday during the month of June. Enjoy a grilled burger, cheeseburger or the "special of the day" which can be anything from liver and onions to an open-faced turkey sandwich. Food service is 11:30 am - 12:30 pm with table service provided.

The Baja Bistro Exchange Table is as popular as ever! However, please remember clothing and large items are not accepted and it would be more pleasant for everyone if items left at the table were clean.

Tickets are currently on sale in the Activity Office for the Banana Split Bar scheduled for Tuesday, June 12 at 1:30 pm in the Baja Bistro. Bring your own dish and Chef Ed will fill it with banana, a scoop of vanilla and a scoop of either strawberry or chocolate ice cream. You then cover it with a plethora of toppings to make your own banana-rama masterpiece. Simply delish!

Sponsors are still needed for the Summer Gabfests. Not sure how it works? Stop into the Activity Office and we'll be happy to explain the program.

Be sure to plan on lunch in the Baja Bistro for Ed's Grill on Flag Day, Thursday, June 14. If you wear red, white and blue and purchase a meal you'll receive a flag pin and FREE dessert!

Find out what's happening at Venture Out during the summer months by joining General Manager, Mary Schmit and me for a free coffee and donut session Wednesday, June 27 at 9:00 am in the Baja Bistro. All questions, suggestions and concerns welcome.

Grab your favorite beverage and an appetizer or two to share then head to the Baja Bistro on Monday, June 18 between 3:00 - 5:00 pm for a good old summer Happy Hour. Chuck E Baby will provide the music so you know it will be worth leaving your house in the middle of the afternoon.

We're yapping about Dog Day Tuesdays this month at Venture Out! \$1.50 gets you a jumbo hot dog with your choice of ketchup, mustard, relish or onions. Buy one or buy five! Bring your own beverage, purchase a soda for \$1.00 and stay for the Ice Cream Social following lunch. Grilled dogs served from 12:00 - 12:30 pm on Tuesday, June 5 and June 19. Hope to see you there.

Our summer Water Drive is up and running. Feel free to bring a bottle, gallon, or case to the Activity Office where we will see that it is donated to an area homeless shelter. It's getting mighty hot out there and the water is greatly appreciated.

Have you ever played Grab Bag Scatagories? Bet not because I just made it up. Join me for play in the Baja Bistro on Tuesday, June 12 at 2:00 pm for an hour or so of grabbleable (I made that up too) mind teasing, fun.

Ladies! Join us in Baja Bistro for a Dessert Fashion Show and Trunk Sale featuring clothing from BonWorth on Tuesday, June 26 at 1:30 pm. Tickets are required as we need to know the amount of dessert to provide. Pick up your free tickets from the Activity Office and remember to bring your purse as you just might find something you can't live without at the Truck Sale.

July 4 is right around the corner and with the hostess with the mostess, Robbie Odemar, is planning a Pool Games and Potluck Brunch this year! No tickets necessary! Dress in patriotic colors, bring a favorite brunch dish to share, include a buck or two for the 50/50 drawing and don't forget your table service. Pool games to begin at 9:00 am with brunch in the Cabana at 10:00 am!

Thank you to the volunteers who assisted with the May special events, manning the Library, teaching water aerobics and yoga classes, assisting in the Activity Office, helping Ed in the kitchen and working behind the scenes. You are the best of the best!

Happy Father's Day to all the wonderful fathers, grandfathers, great-grandfathers and pet dads from Venture Out. It's your special day June 17. Relax and enjoy!
