Are you looking for some
new plants to enhance
your tiny home? Stop by
the Green Committee’s
table at Homecoming this
Saturday 11:00 am to
1:00 pm, and get some
very useful information,
not just on desert
landscaping, but on other
ways to save water, like
how to get a free low-flow
shower head from the
Admin Office. We can
answer your questions on
the best ways to recycle
at **VO**. Let’s eliminate
single use plastics at **VO**
by bringing your own cup
and eating utensils at
events and shopping with
permanent bags.

DID YOU KNOW?

Venture Out has a set of guidelines for the construction of new units, the renovation of existing structures, landscaping and the use of storage containers. The guidelines are entitled “**Architectural Guidelines**” and are available from the Administration Office and on the VO website. It is the responsibility of the lot owners as well as the Architectural Inspector to assure all proposed structural changes comply with the current Architectural Guidelines within the Rules and Regulations prior to applying for a Mesa permit before construction. The procedures listed below include:

- Secure a building permit from Venture Out.
- Make arrangements to have your lot surveyed.
- Make sure you secure a licensed contractor.
- Submit your plans to the city of Mesa for approval.
- Submit approved plans from the city of Mesa to the Architectural Inspector.
- Make sure your contractor is aware of the document “**Guidelines for Contractors during Construction.**”
- If at any point during the process you have questions, please call Keith Kettle, Architectural Inspector.

Star Volunteer

*Way to go,
Pat Laurita*

Pat Laurita has been coming to Venture Out since the late 1980's and purchased in the park in 1992. During her years with our park Pat served on the social board for 6 years. Pat was also an active volunteer. Some of her volunteer work included working in the activity office, helped plan kitchen upgrade,

dance committee, summer gabfest and was an officer with the memorial fund. Pat also worked in the Out-Lines where she performed data entry, confirmations, clip art selections and updated the calendar. Pat also taught many craft classes for the recreation department including china painting. If you look closely, Pat wears a Volunteer angel pin on her badge. Pat likes to play cards, go to the sewing room, water exercise, and women's book group. Pat is known as the soup lady for many block parties and events. As well, Pat helped with ravioli, brats and New Year's Day chili. A huge "Thank You" to you, Pat, for everything you have contributed to make our park so special.

Recreation Update

November 16, 2018

Have you picked up your Homecoming tickets? Today, Friday, November 16 is the LAST day to do so from the Activity Office. You won't want to miss this popular event as you will surely enjoy the loaded baked potato lunch, some great music, interesting vendors and a beautiful Arizona afternoon. All compliments (except for the beautiful Arizona afternoon) of your Social Club.

Since you will be in the music mood, Friday, November 16 after singing like a rock star at Don's Classic Karaoke, head over to the dance in the Buena Vista Ballroom at 7:00pm where the popular Johnny K and Kompany will be groovin (is that word still used?) the hits of the 50's and 60's for your dancing and listening pleasure. Doors open at 6:30pm and you are invited to BYOB.

Hostesses are reminded to pick up their frozen turkey and stuffing in the Community Center Kitchen Friday, November 16 between 9:00 and 9:30 am.

Join Dianna McCallum for the first Musical Jam of the season Sunday, November 18 beginning at 1:00 pm in the Buena Vista Ballroom. When that event is done, run home, grab something to eat and run back for the Holiday Sing-a-Long being led by Don and Carolyn Royan which begins at promptly 6:59 pm.

Mark November 19 on your calendar and plan on grabbing lunch or dinner at Tia Rosa's. Present the flyer in this edition of the Out-Lines and the Social Club will receive a commission of 15% of your meal, excluding alcohol. Sponsored by the Glass Arts Club.

Beginning November 19 the Activity Office winter hours of operation will be 8:00 am until 3:30 pm, Monday through Friday. The office is closed on weekends.

All club officers are asked to attend the annual Fall Club Officers Meeting in the Oasis on Tuesday, November 20 beginning at 1:30pm.

It's a New Year's Bash at Venture Out! Reserved seat tickets go on sale for this annual count-down dance featuring the rock and roll sounds of the Chuck E Baby and the Allstar on Wednesday, November 29 at 10:00am in the Baja Bistro. For each resident/renter badge presented you can purchase 2 resident tickets plus 2 guest tickets. That equals 4 tickets per badge. Guest badges do not count as a "resident/renter" badge. Residents tickets are \$20.00 with guest tickets being \$22.00.

Common Goods, a popular vendor which sells books of all sorts, specialty gifts, children's games and more will be here for a holiday sale Wednesday, November 29 from 9:00 am - 2:00 pm in the Baja Bistro. It's time to get started on that holiday shopping and this is just the place to do it!

If possible, the preferred method of submission for articles to be posted in the Out-Lines is by email. Simply type the information in a Word format and submit to outlines@ventureoutvresort.com. This provides the Activity Office with a time stamp and the information does not have to be physically inputted causing less errors. If that is not possible for you of course hard copies are welcomed. Forms may be obtained from the Activity Office.

The Softball Association's Salisbury Steak Dinner is just around the corner. You still have time to pick up tickets for this "just like mom made" dinner as the deadline is Wednesday, 10:00 am, November 28 with the meal being served December 5.

Have you purchased your tickets for the Monday, November 26 French Dip Sandwich lunch cooked and served by the Bocce Ball Club? The deadline to do so is Wednesday, November 21 at 10:00 am in the Activity Office. Run! Don't walk! Get those tickets today!

The Salvation Army Christmas Angel program officially kicks off Monday, November 26 with those choosing an angel receiving a free Ice Cream Social coupon. Look over the full-page ad in today's edition of the Out-Lines for all of the great "Angel" events scheduled this season. The Christmas Angel program is one of the largest charitable events sponsored by the residents of Venture Out and is highly successful thanks to you!

If you're new to our beautiful community please plan to attend the Newcomers Orientation to be held in the Mojave Room beginning at 10:00 am on Friday, December 7. You'll leave filled to the brim with information.

You will be able to view our Memorial Luminarias honoring those Venture Out residents who have passed away over the last year at both the Tree Lighting on December 1 and the Resident Holiday Party scheduled for December 17.

The first of the Electronics Club's Enchilada Dinners is scheduled for Wednesday, November 28. Pick up tickets for the BEST enchiladas in town (old family recipe which goes waaaaay back) in the Activity Office until sold out.

If you're looking for specific tickets to an event which has passed the deadline purchase date or if you have tickets, you wish to sell for an event check out the "Ticket Resale" board in the Post Office Hallway.

Hope to have you join us for the 5K Turkey Trot on Tuesday, November 20 beginning at 10:00am in front of the Community Center. Run, walk, jog or stroll your way on this 3.1 course throughout Venture Out. Fruit and water served following the event.

Have a wonderful and safe Thanksgiving!

Manager's Corner

November 16, 2018

This week's occupancy is 1031 or 59% occupied, vs 680 at the last reporting and 992 for the same time last year. There are currently 192 renters in the park.

The Pickleball tournament is in full swing, but over in the North East Corner most of the residents wouldn't even know it was happening. The facility is working out well for both traffic control and sound abatement.

Dish TV is supposed to be updating their software on November 20th and they will also be bringing in additional bandwidth, (soon we are told), which will give the residents "an immediate 50% download and capacity increase". They have not told me the date to expect that capacity increase, but they are very much aware that everyone is returning to the park now and said they would expedite it.

Since the seal coat work was done on the west side of the park, I have heard from a few homeowners who have remarked about the lack of black dust. They asked if we could do this every few years. The answer is no. We will wait for the seal coat to wear off, before applying it again. It was the buildup of layers that was breaking down into the black dust.

Next season, we will seal coat the east side and the black dust should be history. Denis Ericson, our street consultant, will come out this January and re-evaluate the roads and update his pavement projections. This summer he spoke of perhaps only replacing some valley gutters and putting in street lights next summer, to get ahead of the next round of road replacement. Since the installation of the street lights takes so long to dig around all the infrastructure that is buried in the streets, he feels this is the better method.

For any of you contemplating any construction this season, please see the Architectural committee's write up in this week's Outlines and stop by and see Keith Kettle/Architectural Supervisor, before you get too far along in your plans. Pick up a copy of the Architectural Guidelines and it should be smooth sailing from there on out.

When the snowbirds return, so do the scam artists. If you are contacted or solicited in any way, by a supposed vendor, or even a known vendor such as recently reported a call from 'Verizon', hang up. If contacted by e-mail, again, 99.999999% chance it's a scam. Your grandchildren are not in a foreign prison and your next-door neighbor isn't over in Europe needing a money. If someone does get into the property and solicits you for work, shut the door and call security. No door to door solicitation is allowed. Clean up your front gate guest lists. Many of you still have vendors on there that you used once. Some of those vendors were not trustworthy and have used that gateway to enter the park and solicit. If you do not know how to clean up your guest list, contact Brandon in Security.

It's hard to believe that next week, is already Thanksgiving. The offices will be closed next week both Thursday and Friday and there will be no garbage pickup on Friday. Please help our guys out and if you have a lot of trash take it directly to the roll offs. That makes the Monday after a Holiday much easier.

In closing we would like to thank Wayne Bredburg for putting on the annual Employee salmon dinner. We want to also thank the Social Board and Condo Board for preparing the side dishes. I did not see much of anything left over. This is always such a thoughtful thing that is done for staff.

Have a great Holiday next week and many of you are already ducking out for the Holidays, please check out at the front desk (and check back in when you return). Safe travels.

THE SALVATION ARMY'S CHRISTMAS ANGEL PROGRAM

Every child deserves to experience the joy of Christmas morning, and thanks to supporters of The Salvation Army's **Angel Tree** program, thousands of American children will find this waiting under their Christmas trees this year. The Salvation Army's Angel Tree program provides new clothing or toys for children of needy families through the support of donors. Angel Trees are decorated with numbered paper angel tags with the first name, age and gender of a child in need of presents. Contributors remove one or more tags from the tree and purchase appropriate gifts for the child or children described on the tags.

Venture Out Condominium Board Presidents Report
November 12, 2018

I have heard from many of our Residents that it is wonderful to be back at Venture Out. The cold weather back home may have a bit to do with it, as does of course catching up with good friends.

The first Board meeting of the season was held on 10/25/18. I encourage you to watch all the Board meetings on Channel 17. It is very important for you to know what is going on here and by watching the meeting you get the facts and a lot of information.

Your Condo Board, Social Board, Infrastructure and Planning Committees met last week to share information on current and future projects. The meeting was to share information to better anticipate the workload and expenditures going forward this season. The meeting was taped and can also be viewed on Channel 17. Both Infrastructure and Planning committees are looking for committee members – if you have expertise in those areas, please think about giving back to the community by volunteering to serve.

FYI – I do not use the President at VO email address. If you want to get in touch with me just look me up in the phone directory or drop correspondence off at Administration office. I will get back to you – although it could take a few days so thank you for your patience.

Your Condo and Social Boards continue to share information and work together for the betterment of Venture Out. We have established the following joint committees with reps from both boards and I expect there are more to come.

Finance Definition of FF&E Donations – how to process

Pet Bridge Shuffleboard Bocce Outside use of facilities

And as I said before, the Executive teams will meet monthly and both Boards meet together at least twice. **Please help us** by not listening to or spreading rumors. Get the facts!

We are currently looking for 3 good people to run for our Board next year. Please contact Loras Watters, John Heise or Mike Ellis if interested. And I am sure that any Board member would be happy to meet with you as well to answer any questions.

Safety – I must say that I rarely see anyone signal before turning – and that includes golf carts, bikes and cars. If you were to get hit, or hit someone because you did not signal it would be awful. Take the time and get back into the habit of signaling your intentions. And when walking at night take the light with you, wear the reflective or light clothing and stay out of the middle of the street!

Last but not least, several of us from both Condo and Social attended a meeting last week of 5 other parks that are like us, in that we own our own property and have Resident boards. Our issues are both similar and different. One park was asked for a list of rentals by the city they reside in, and when they said no, the city attorney requested the list as the city states that owners who rent must pay their city tax and get a license to rent their unit. We have not been asked for a list, but often when it happens to one it is just a matter of time before they get to the rest of us. I drove around a bit after the meeting and the alleys/easements behind the units in that park were so clear – not at all like ours. More to come on easement expectations! All in all a good exchange of information.

November Outlines

Nov 16, 2018

The Social Board is off to a great start for the season. We have completed our Orientation, first work session, and first Social Board Meeting. We are currently gearing up for our first Officer's meeting to be held on Tuesday, November 20th at 1:30 in the Oasis. All officers, new and old, need to attend this meeting whereby we provide information that will assist you in having a successful, smooth running season.

Remember that this is a new year and a new beginning. I am encouraged by the communication and cooperation upon which the two boards have embarked. We must continue to work together to ensure that our clubs continue their fundraising endeavors to allow the residents to continue to live in a quality resort that we have established.

Venture Out prides itself with the tremendous support it receives through the numerous volunteers. Thank you, volunteers; it is you that helps to make this park the envy of the many parks surrounding us.

I look forward to a great 2018-19 season here at Venture Out.

Nominating Committee document for Outline to be submitted November 5th.

Community service is essential for the success of Venture Out and being a volunteer is the best thing you can do to support our award-winning park. Presently we have three openings coming up on the Condo Board and without volunteers we will be faced with difficult challenges to fill the openings. We need owners to step up and volunteer so we can retain the same high standards that every one is accustomed to.

The Nominating Committee is seeking potential Condo Board Candidates for the February, 2019 election to the Venture Out Condo Board.

Being a Condo Board member may not be for everyone, but if YOU would like to consider it, here is some information that may help you make an informed decision.

The Nominating Committee invites you to attend a slide presentation “A day in the life of a Condo Board Member” on Tuesday November 13 and Thursday November 15 at 3:30 PM in the Electronics Conference Room. Interested individuals may attend either session. Question and answer session will follow.

The Nominating Committee feel a Condo Board Candidate should be able to answer positively to most of the following criteria:

1. You have no personal agenda to bring to the Condo Board.
2. You would want to serve if elected.
3. Do you reside in Venture Out for five months each year (Mid October through Mid March)?
4. The Condo Board members represent a variety of talents. What is yours?
5. Do you have good people skills?
6. Do you have good communication skills when speaking with your peers?
7. Can you make good decisions with good information in a timely manner?

Please join us on Tuesday, November 13 or Thursday, November 15 for the slide presentation at 3:30 pm. in the Electronics Club Conference Room.
