## COMMUNICATIONS COMMITTEE MEMBERS NEEDED

Byron Snowden

218-244-3373

The VO Communications  
Committee is looking for 3  
members to help VO move  
their communication  
platform into the future. No  
technical knowledge  
needed, just an interest in  
improving VO's  
communication  
opportunities. We meet  
twice per month for 1 hour.  
Contact Byron Snowden at  
125 Merlin (218-244-3373)  
if interested.

## GREEN COMMITTEE

Allan Jeska

360-573-9079

Some of us are finding a lot  
of non-recyclable plastic  
items in the blue recycle  
barrels. All of us are aware  
that there is a worldwide  
plastic pollution crisis. Yet  
we mistakenly put our  
plastic carry-home bags  
(sometimes full of valid  
recycles) into the blue  
barrels. Your recycles need  
to be put loosely into the  
barrels, without plastic  
bags, so they can be  
speedily sorted at the  
transfer station. The  
average person uses 500  
bags a year and the  
average use for the bag is  
only 12 minutes. Your  
plastic bags need to be  
clean and taken to a  
grocery store. With the  
holidays, NO wine bladders  
either!

# Notice

# All offices will be closed, with the exception of Security, January 1 in observance of New Year's Day Happy New Year to all!

## INFRASTRUCTURE COMMITTEE

Warren Lee  
540-538-0438

The Infrastructure Committee has two vacancies, plus a member with medical issues. We are in need of your help. We assist the Condo Board by providing recommendations on street repair, street lighting, drainage, solar, exterior walls, etc. If you have any experience that relates to any of these activities or just a desire to be part of this process, please contact me or any member of our Committee.

## ATTENTION RESIDENTS

Please do not leave keys hidden on your property for others to find and enter your home when you are away.

Keep your extra keys in Administration, a much safer alternative.

Thank You  
Brandon Fowers  
Chief of Security

## You Can Be a PREMIER VOLUNTEER

It's that time of year again, time to start thinking about running for one of the three open director positions on the SOCIAL BOARD. Both men and women lot owners are eligible.

- Have good people skills.
- Be willing to serve for three years.

The various clubs and recreation department are the life blood of the Venture Out life style. The Social Board makes sure the blood keeps flowing. Remember, if we don't all help, then nothing will ever get accomplished.

## EVOLUTION OF AUDIO VISUAL SERVICES

Wayne Nugent  
780-619-4035

Brief summary of Audio Visual History in VO:

Years ago, AV volunteers looked after just the audio end of things. Recent years have seen the addition of screens while adding TV. Volunteers learn new skills to operate audio, video projection, lighting and cameras. In each of these areas, residents request connections for computers, tablets, cameras, and phones. The device you intend to use must be able to connect ("talk") to the broadcasting device. With Windows, Macintosh, Apple iOS, and Android, you can imagine the wide range of possibilities! We welcome more volunteers and are eager to train people to operate these exciting new technologies. •

**December 28, 2018**

Don't forget Happy Hour with the Van Reed Brothers on Friday, December 28 from 3:00 - 5:30 pm in the Baja Bistro. This is the same duo who performed in the Lobby of the Community Center during Homecoming this past November. You will enjoy their music...promise!

We are so fortunate to have the Matsiko World Orphan Choir perform at Venture Out this coming Wednesday, January 2. These children are from Peru, Liberia and India and are here to share their music and culture with us beginning at 1:30 pm in the Baja Bistro. This is a Pass the Hat event so please bring a dollar or two for the kids.

If you are a new owner or renter to our beautiful community please join us in the Mojave Room Friday, January 4 at 9:30 am for a Newcomers Orientation. Items such as how not get lost in the park, why put a rock on the trash can, what BYOTS means and where does one recycle will all be addressed.

It's going to be a busy day at Venture Out Saturday, January 5. This first Continental Coffee of the season will be held beginning at 9:00 am in the Buena Vista Ballroom, the Poolroom will grill their famous third pound hot dogs as members of the Horseshoe Club sell ice cream and the Library features another of their "Best Deal in Mesa" book sales. Sounds like a winner of a day doesn't it? Be sure to bring your own table service and you can purchase meal tickets at the BBQ.

There's still time to sign up for the Silversmith's Make and Take class to be held at the Silversmith Shop on Saturday, January 5. See information in this edition of the Out-Lines for more information.

Those mouthwatering, delectable beef enchiladas the Electronics Club has made famous are being served Wednesday, January 9. Do you have your tickets?

Need your knives sharpened? The Woodshop will be happy to take care of your sharpening needs Wednesdays between 11:00 am - 1:00 pm at their shop. Only \$1.00 for each item. What a great deal for an even better service.

This month's Food Handler's class has been scheduled for Wednesday, January 9 at 9:00 am in the Baja Bistro. Anyone and everyone who handles food for fundraisers must have a food handler's card.

It's not too late to get your tickets for the ever-popular- boot-stompin- rootin-tootin-square-shootin Country Western Jamboree scheduled for January 16. Food, entertainment, dancing and good times guaranteed partner! All sponsored by that hard-working Bocce Ball club. But you had better hurry as the deadline to get those tickets is Wednesday, 10:00 am, January 9.

Tuesday, January 8 is the Second Annual Firefighters Pickleball Throwdown. Head over to the Pickleball courts and watch Mesa's finest challenge VO's best in a winner take all Pickleball tournament. Lunch will be served following with all proceeds given to the Firefighters' chosen charity.

The next two Health Seminars scheduled in the Cabana are; *Breakfast with the Doc* regarding men's health on January 3 and *Hearing and your Brain* on January 11. *Breakfast with the Doc* requires sign up on the lobby bulletin board at the EPC as Banner Health has limited the event to 50 people. The next two Friday Seminars, held in the Auxiliary Ballroom, feature Escape Rooms on January 4 and the historical Buckhorn Baths located on Main Street in Mesa will be the topic of the January 11 seminar.

Find out what classes are being offered this season, what the clubs have planned, and which groups are doing what at the annual Recreation Open House Monday, January 7 from 1:00 - 3:00 pm in the Buena Vista Ballroom. Demos, door prizes and more!

The Fired Clay Art Studio will feature their famous sandwiches, soup and pies at the VO Diner during the Marketplace on Thursday, January 10. Best deals in town all the way around!

The Silversmith Club is sponsoring a Silent Auction from January 7-14 and you can bid on any of their beautiful handmade items on bid sheets located at the Raffle Display case in the Baja Bistro or at the Recreation Open House on Monday, January 7.

Join Forrest and Jan Simmons as they challenge you at the Trivia Blast in the Baja Bistro beginning at 3:00 pm on Friday, January 11. Play in teams...answer as a team...win prizes for your team!

We will once again have Weight Watchers on property. Look for their ad in the Classes, Seminars & Wellness section of the Out-Lines.

One of my favorite meals of the season is the Shuffleboard Club sponsored Loaded Baked Potato lunch. Take a huge tater, top it with butter, sour cream, chili, onions, cheese and salsa and you have total nirvana! Tickets currently on sale in the Activity Office for this January 15 event.

From January 14-18 you can complete a lottery ballot to be part of the Annual Home and Art Tour at Venture Out. Sponsored by the Pet Association, this annual event features eight different homes in the resort for which they are known for their unique design and beautiful interiors.

It's not too early to purchase tickets to the Lawnbowling sponsored Lasagna Dinner scheduled for January 23. Their secret red sauce comes from a little Italian grandmother from Sicily. Or so I've been told...

The 2019 Concert Series is completely sold out! There are, however, seats available for the Special Performance of the Red Head Express which may be purchased from the Activity Office beginning Friday, January 4.

Have a safe and happy new year and I'll see you in 2019!

**December 28, 2018**

This week's occupancy is 1297 or 74% vs. 1244 at the last reporting and 1269 the year prior. There are currently 260 renters in the park.

As most everyone knows this past week we had a tragic fatal fire in Venture Out. One of our residents lost her life and her husband was burned in the incident. We ask that you keep them both in your prayers as well as their family. The police have cordoned off the site and it cannot be entered until such time that a full investigation is completed. A report may be available in 21 days but possibly longer due to the holidays. I understand surrounding neighbors are dealing with some soot and debris and we apologize that you will have to continue to put up with that until the City gives the owner the authority to clear the site. We appreciate everyone's co-operation during this time.

If there can be a silver lining to such an incident, it would be the very fast response of nine police and fire units coming in within minutes of the 911 call, and knocking down the fire before it could spread to other units. There were several factors in our favor, for years now, the Fire Department and Police have utilized an electric eye at both gates that allows them immediate access, a device that Venture Out paid for and installed and they consistently update their fire maps each year, with any changes we give them. They are guided in, using GPS, which gets them quickly to the scene. That fast response makes all the difference in the world.

We were also fortunate that one of the surrounding homes that was impacted by the flames was newer and clad with a fire resistant siding, that seemingly had little damage beyond peeled paint. It certainly proved its value. By contrast, the old steel sheds and awnings adjacent quickly melted under such intense heat. We were also fortunate in that these owners had clear easements, free of obstructions and the fire department was able to move very quickly around the units. If there ever was going to be ample evidence of why we need to have the easements clear, this fire is exhibit A.

I also cannot say enough about our Security Team, Ron McCartney was roving at the time and Chris Snyder was in the gate house. They quickly accessed the situation, went into immediate action alerting surrounding neighbors by both phoning and knocking on doors. Chef Ed was in the property and he heard about the fire and also came down to help out Security, knocking on doors too. I was told within an hour and half about the incident, when they had time to breathe and Brandon a bit earlier. They followed their emergency procedures policy and did an excellent job and they continue to do so, checking on the surrounding neighbors next to the site. We are so used to sirens in and out of VO, that when I started to call Board members to let them know about the fire, they had not yet heard about it. I also want to commend Security who did not let media into the property. They followed the crisis management plan perfectly.

Having gone through this now, I would ask that everyone take the time and go out back and access your own easements. If its flammable get rid of it. The only items that are to be in the easements are the allowed 120 sq. Foot storage shed unless it is already incorporated into your unit sq. footage. Patio tables and chairs are allowed. Air conditioners, electric pedestals and of course the palm trees. You heard a great deal about easements at the December Town Hall meeting and you will hear much more in the weeks to come. Thank you for your co-operation and again, please remember the Bensons in your prayers.

## Venture Out Condominium Board Presidents Comments

December 24, 2018

I am sure that you are aware by now of the fire that took place at 507 Aero this week. And I know that you will find the time this Holiday season to say a special prayer for that family.

While the case is still being investigated by Mesa Fire and Police for actual cause, it is believed that a space heater may have caused the fire. I would take this opportunity to remind us all about the dangers of space heaters. As the days and nights get colder we all need to be aware of how dangerous it is to leave a space heater unattended or leave it on when you go to sleep. Please be careful and safe.

The Board met on both December 13<sup>th</sup> and 20<sup>th</sup>. The following is a summary of some of the things that happened at those meetings.

We approved motions to set in place the development of a master plan for Venture Out. The planning will be guided by the Long Range Plan which is on our website and by an Ad Hoc Committee consisting of Gail Miller and Ken Winters, Condo Board Co-chairs; Vikki Lane Kunstman of the Social Board; Des Silver from Common Facilities Planning; Terry Harkness from Architectural Committee; Dennis Olsen from Infrastructure Committee and Don Check is the representative from southwest corner shop.

To get us started a number of club officers met with the Architect on 12/13 to hear what he would be asking them about design and function. This first phase of work does not design the interior placement of things, like equipment and tables, but looks instead at the size and purpose of the building which then allows for consideration of what might be placed together, could we combine some common space like restrooms and break areas. That then allows us to look at where things might be placed within our walls. You can expect to hear a lot more after the first of the year as there will be meetings with clubs and presentations to residents along the way. Please note – just because we are planning does not mean that we are building any time soon. This is a big project and will take approval of Residents at some time in the future to proceed.

We also approved the hiring of the architect to plan the West Pool replacement. The West Pool is 50 years old, is requiring more repairs, the pool deck is crumbling and the Health Department Inspector is making comment on it. Given all of that it is time to develop a plan to replace. There is a separate Ad Hoc Committee, Chaired by Beryl Willerton, Condo Director that will be recruiting members for that committee. I hope that those of you who use that pool will participate in the design sessions when they are held.

We were notified at our 12/20/18 meeting that the Social Board was contributing another \$25,000 to the Joint Projects Fund for a total of \$75,000 for the 2016/17 season. Another \$15,000 was contributed to the fund for the 2017/18 season. As you know, this fund is controlled by both Boards and will be spent on a project that both Boards approve of.

Block party rules – a revision was made to our Rules and Regulations that apply **only** when a street is closed down/blocked either fully or in part. The rules ask that Security be notified 24 hours in advance and that parties of more than 80 people be held in a common area – not on the block. More specifics will be published in a future Outlines.

I always say it – but be sure and tune in to Channel 17 to watch the Board meetings. And you are always welcome to attend.

January is a time when we get busy in Venture Out as everyone returns home. We also start to see more visitors – with kids and grandkids arriving to visit. Please take responsibility for your own safety and the safety of others. Signal before you turn – bike riders, golf cart drivers and car people. And remember that any visitors using VO facilities need to be signed in at the office, get a badge and pay our \$2.00 per day fee. The fee goes to pay for the additional wear and tear and helps pay for the additional water usage – did you know that our water bill increases by thousands during the months when all your family is here? The badge also ensures others that your visitor is ok to be here. It is for their safety and ours.

I think I have said enough. Have a Happy and Blessed New Year from your Condo Board.

Gary Johnson, Vice President

Terry Farris – Secretary

Ken Winters – Director

Gail Miller – Director

Bert Sebastian – Treasurer

John MacDonald – Director

Beryl Willerton – Director

Gene Waters – Director

Alice Anderson, Condo Board President
