2020 Concert Series

The Concert Series Ad Hoc Committee appreciates all the input received from residents and has explored many, varied alternatives to purchasing Concert Series tickets for 2020. A procedure was sought that would assist and be most fair to all residents. The Committee believes that in the not-to-distant future tickets will be purchased on-line but at present this capability is not available for a variety of reasons.

The following procedures have been adopted for the purchase of Concert Series tickets for the 2019-2020 season:

There will no longer be gold and silver seat offerings. All seats and ticket prices will be equal and the same.

The chart of seat options and the application for seat requests will be made available on the VO website on (July 2, 2019). A fastmail will be sent out by the Recreation Department a week prior as a reminder. If you do not have computer access you may wish to find a source.

The application is to be downloaded, completed and mailed back with a check or credit card information to the Venture Out Activity Office with your desired seats. **Email and phone requests will not be honored.**

Staff will begin processing applications four weeks after the initial offering. This allows for Canadian mailings to be received.

Seats will be assigned by a random lottery draw based on postmarks as to when the application was mailed. Keep in mind there will be several requests bearing the same postmark.

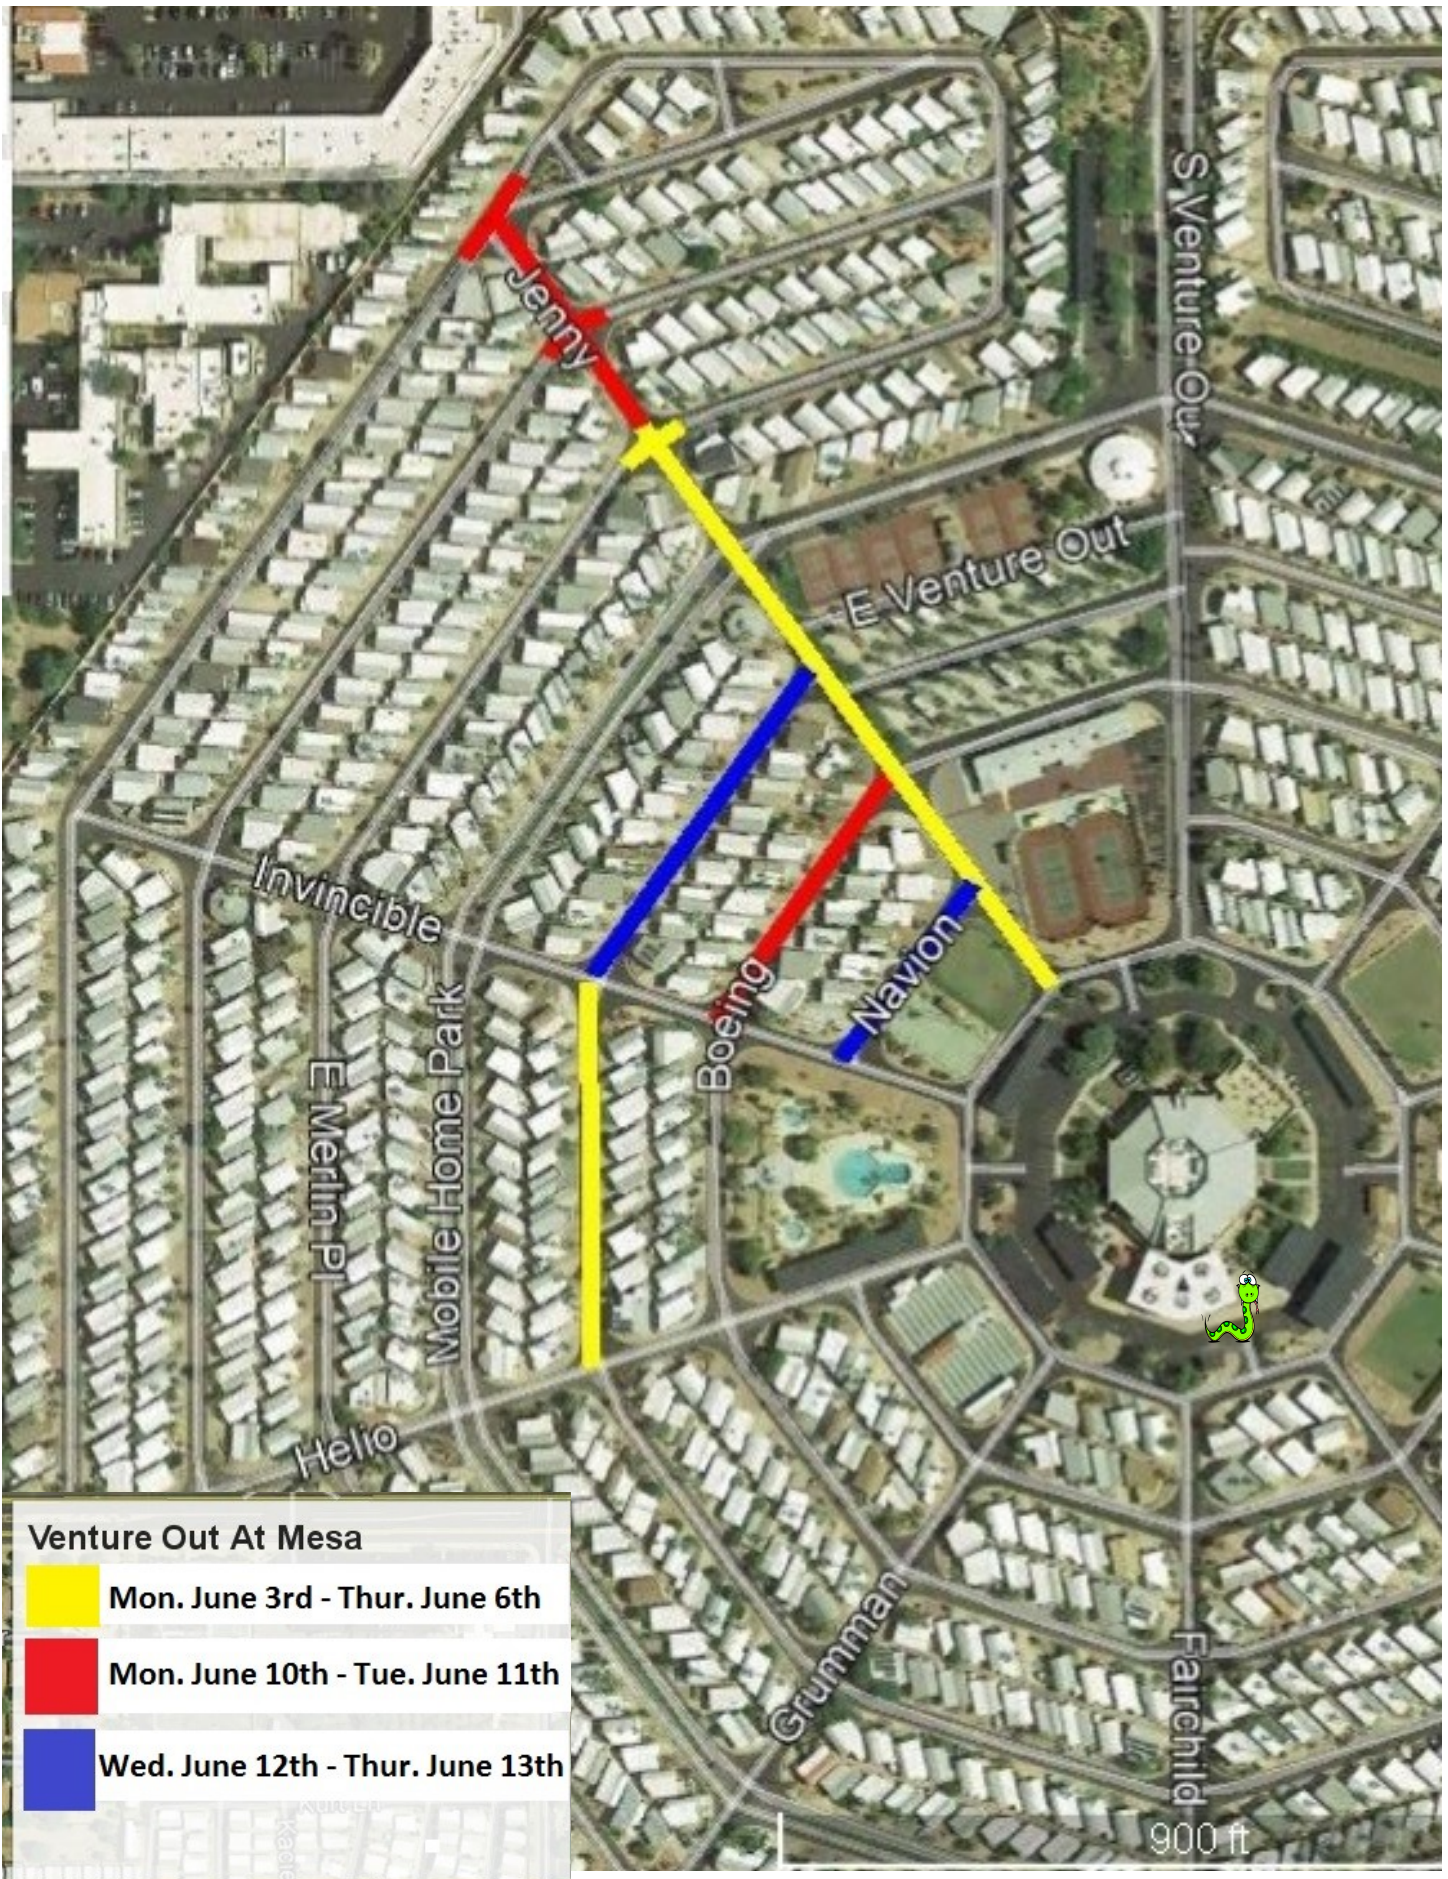

You will be asked to select first and second preference of seats. If your selections are not available, staff will choose the next best available. If you prefer staff NOT select seats you will mark a designated box and your check will be returned/ your credit card will not be charged. You will not receive tickets for the Concert Series.

No phone calls will be made by staff and no special requests honored with the exception of handicap seating which is located at the back wall of the Buena Vista Ballroom.

Only 2 tickets will be allowed per application with only 1 application enclosed per envelope. If this is not honored your request will be disqualified. A confirmation of your seats will be emailed or snail-mailed where applicable in early September.

Recreation Update

June, 2019

Who hasn't played a game or two of Pacman in their day? Can't remember how it goes? Well, it's just like riding a bike.....it'll all come back to you once you sit down and see those munching little ghosts. So, sign up in the Activity Office today for the first of our monthly Packin Mama's Packman Competition to be held in the Baja Bistro at 10:30am, June 12. It'll be tons of fun and who knows, you just might be the June Packin Champion.

If you didn't get tickets for the Thursday, June 6 White Chili Lunch be sure to check the Ticket Resale Board in the Post Office Hallway. You just might get lucky.

The Baja Bistro Exchange Table is as popular as ever. However, please remember food, clothing and large items are not accepted and it would be most pleasant for everyone if items left at the table were clean.

Tickets are currently on sale in the Activity Office for the Summer Nacho Bar scheduled for Thursday, June 20 at 12:00 pm in the Baja Bistro. Fill your plate with chips and your choice of seasoned ground beef, cheese sauce, olives, jalapenos, onions and sour cream for a perfect Mexican favorite. You won't go away hungry. Guaranteed!

Sponsors are still needed for the Summer Gabfests. Stop into the Activity Office and we'll be happy to help you choose a date.

Grab your favorite beverage an appetizer or two to share then head to the Baja Bistro on Tuesday, June 11 between 3:00 - 5:30 pm for a good old fashioned summer Happy Hour. Chuck E Baby will provide the music so you know it will be worth leaving your house in the middle of the afternoon.

Talk about organized! Holiday Decorating Chairwoman, Cheryl Epping, is already working on Community Center decorations for this upcoming holiday season. Cheryl is asking our summer residents to help her with a holiday craft project or two. Come to the Baja Bistro with a glue gun and a pair of scissors (it's ok if you don't have a glue gun) on Wednesday, June 19 at 10:30 am and you'll be put to work gluing, taping, cutting, twisting, curling and even painting. We'll have some Christmas music to put you in the mood!

We're yapping about Dog Day Tuesdays this month at Venture Out! \$1.50 gets you a jumbo hot dog with your choice of ketchup, mustard, relish or onions. Buy one or buy five! Bring your own beverage, purchase a soda for \$1.00 and stay for the Ice Cream Social following lunch. Grilled dogs served from 12:00 - 12:30 pm on Tuesday, June 4 and June 18. Hope to see you there.

Watch your email for a Fastmail regarding the 2020 Concert Series on June 25. This email is a reminder that Concert Series information, including performance highlights, instructions and application will be available on the Venture Out website on July 2.

Our summer Water Drive is up and running. Feel free to bring a bottle, gallon, or case to the Activity Office where we will see that it is donated to an area homeless shelter. It's getting mighty hot out there and the water is greatly appreciated.

You still have time to pick up raffle tickets from the Activity Office for the "Movie Pack Raffle." A \$1.00 ticket can place you in the running for a \$50 gift card to AMC Theaters, a popcorn bucket and two personal popcorn cups, 4 bags of microwave popcorn, movie candy to include butterfingers, Tamales, Junior Mints and two DVD's; The Greatest Musicals and Victoria. But you had better hurry as the raffle ends with the draw at the June 18 Dog Day Tuesday.

Ed's Grill will be closed June 13 as Chef Ed will be on a well-deserved vacation. However you can plan on enjoying lunch at the Grill on Thursday, June 27 where the special of the day will be...you guessed it...liver and onions.

July 4 is right around the corner and hosts Robert and Jeanette Hayes along with Cheryl and Tom Epping have a day of fun planned for you at the Cabana with games, music and a potluck! No tickets necessary! Dress in patriotic colors, bring a favorite dish to share, and remember include a buck or two for the 50/50 drawing.

Find out what's happening at Venture Out during the summer months by once again joining General Manager, Mary Schmit and me for a free coffee and donut session Wednesday, June 26 at 9:00 am in the Baja Bistro. All questions, suggestions and concerns welcome.

Thank you to the volunteers who assisted with the May special events, manning the Library, teaching water aerobics and yoga classes, assisting in the Activity Office, helping Ed in the kitchen and working behind the scenes. You are the best of the best!

Happy Father's Day to all the wonderful fathers, grandfathers, great-grandfathers and pet dads from Venture Out. It's your special day June 16. Relax and enjoy!

Manager's Corner

June, 2019

This week's occupancy is 507 or 28% occupied vs. 747 reported last and 594 units occupied for the prior year. There are currently 49 renters in the park.

On Friday May 31st, the Community Center, Annex and the surrounding parking will be closed off while the new air conditioning units are placed on the top of the center. Only the Post Office and the few spots at the front of the Center will be available for access.

The contractors are projecting that they will complete the removal and installation of these units by noon, but the center will not be open as there will be no air while they have the power off.

Once the replacements are completed the parking lot will reopen and the Center will be opened when the building has been balanced and cooled. It was decided to install the smaller units first so that the building had some air. We will repeat this process, when the 27-ton units arrive.

The new system has computer operated controls that will allow the guards, Teresa, or any other designated staff person or volunteer, to control the temperatures in each area using a smart phone. The boxes that will be seen around the Center, while appearing to be thermostats, are only the necessary units to read the temperatures throughout the building and send that data to the main computer. It will not be possible to change the temperatures from any of these devices and if anyone tampers with them, they are just disrupting good information to the computer, so we ask as always, to not touch them. We have used a similar system at the EPC for several years now and it has worked well.

The City of Mesa has started the drainage work on Broadway and the Pet Walk retention basin. In addition, SRP must relocate their underground lines in the same area to accommodate the drainage project. All of that adds up to more construction and delays along Broadway. It was mentioned that while this work goes on, the Broadway Gate is not the optimum way to enter or leave the park, so during this construction period, it would be better to use the Main St. entrance. This work will result in a new drain installed in the pet basin and eliminate the need to contact the Roosevelt Water District and ask for permission to pump the basin dry; a big improvement for VO and staff.

SRP is also replacing some secondary electrical lines in the 400 block of Navajo. They only replace the secondary's based on demonstrated faults that make replacement more cost effective than repair. I was asked at the last Coffee and Donuts "what are the secondaries?" Those are the individual lines to your units that provide electric power directly from the transformer in the easement. Those of us who have been working on this for 15 years forget that there are new owners in the park who never experienced the years that all we talked about at every meeting was SRP and replacement of these lines, ad nauseum.

The Valley gutter work will commence on Monday June 3rd. Please look at the map in this week's Out-Lines and above all **DO NOT DRIVE** in areas that are blocked off. The cost to repair concrete is considerable.

Palm tree trimming will begin in the middle of June and as normal take through July to complete. We are happy that our tree trimmers from the last few years are doing the job again, as they are so professional.

The Shuffleboard snack bar is being built in house by Keith Kettle with the maintenance staff assisting. Keith's 25 years of building homes in the valley, makes him a bit overqualified to build the shed, but he is happy to do it and it will be good for the rest of the staff to learn some of those skills.

Staff has also been installing a shade structure for the tractor in the SE corner. This was the least expensive option and it can also be moved later if necessary. We recently had to do thousands of dollars' worth of repair on the tractor, much of it due to sun damage, so we hope this will preserve it a little better.

We have had a beautiful May, but it's starting to heat up. Summer is upon us. If you are leaving for the rest of the summer, lucky you, and safe travels!
