July, 2019

The Fourth of July Pool Party and Potluck promises to be one for the records! Not the temperature records but the awesome party records! Robert and Jeanette Hayes along with Tom and Cheryl Epping are your ever-qualified hosts for the day and I happen to know they are planning all sorts of fun for this event. If you would like to join the festivities please bring your table service, a dollar or two for the 50/50 raffle, a dish to share which serves at least eight and wear pool attire.

It's still not too late to sign up for the Creative Craft Class being instructed by resident Pam Klocke on Wednesday, July 10 at 10:30 am the new Activity Office Conference Room. Be sure to sign up in the Activity Office so that Pam can plan for supplies The \$10.00 fee, which is paid the day of the class, includes materials for two greeting cards and a gift bag tag. Please note, the NEW Activity Office Conference Room is located in my old office.

Meet you at Pieology for lunch on July 22 at 11:30 am. See the ad in this edition of the Out-Lines for details.

Ed's Grill will be open on July 11 with Liver and Onions. Don't know how anyone can be so lucky! Support your Social Club and enjoy a lunch in the cool comfort of the Baja Bistro for only \$6.00 including beverage. Still the best deal in town!

Remember the Tuesday Ice Cream Socials take place from 12:30 - 1:00 pm on the same dates as Dog Day Tuesdays. That means this month's Ice Cream Socials will be held July 2, July 16 and July 30.

Please leave the lights on in the Library while the Community Center is open during the summer months. People hate reading in the dark!

Ho Ho Ho! Merry Christmas! Mark your calendar for July 25 and plan on a Christmas in July Dinner Party complete with all the trimmings. Happy Hour is slated for 4:30 pm with dinner of turkey, stuffing, mashed potatoes and gravy, green beans, cranberry sauce, pie and beverage at 5:00 pm. Bring a wrapped \$3.00 gift for a holiday gift exchange and get ready for a good old-fashioned holiday sing-a-long. Tickets now on sale in the Activity Office.

The Activity Office will continue to collect water for the homeless during the months of July and August. Donations of one bottle, a six pack, a gallon or a case may be dropped off to the Activity Office during normal business hours.

Join General Manager, Mary Schmit and me on Monday, July 24 at 9:00 am in the Baja Bistro for another "Coffee, Donuts & Information" session. All FREE! Be sure to bring any questions and concerns you might have for either of us.

The Saturday Lunch Bunch is up and running again for the summer! Plan to head out every Saturday for a bite to eat, a bit of conversation and a sizeable good time. Check out the month's restaurant selection in this edition of the Out-Lines and sign up in the Post Office Hallway if you'd like to join the group.

This past spring Venture Out donated 2044 pounds of food to the various food banks in the valley. A wonderful contribution and well appreciated. Thank you to all who gave.

July 30 will be the deadline to purchase tickets for the August 8 Chicken Caesar Wrap lunch. This tasty wrap will be served with a refreshing watermelon salad comprised of cucumbers, fresh mint, feta cheese and of course, watermelon. It is a great wrap and a delicious summer salad not to be missed!

Ever got a gift from someone you just don't know what do with? Have a doodad in your house which could go away and you'd never miss it? Well, wrap that baby up and bring it to the White Elephant Watermelon Party on August 1 and watch the fun begin!

Beginning July 2 applications will be available for the 2020 Concert Series on the Venture Out website. Simply sign in to the "Resident Login" to obtain the application, the concert line-up and seat map. Instructions on processing are also included.

Did you know that there is a "Pill Drop Box" at the Walgreens located on Southern and Greenfield as well as most CVC Pharmacies? This is an excellent way of disposing prescription drugs that are no longer needed.

Thank you, once again, to all the volunteers who assisted the Recreation Department during the month of June. You are the best of the best!

Happy Birthday America!

Manager's Corner

July, 2019

This month's occupancy is 262 or 17% occupied vs 507 when last reported and 370 the year prior. There are currently 43 renters in the park.

July is the start of a new fiscal year and when we can start many of the capital projects that were budgeted for this year. Its always crunch time to get these jobs done in what is only a three-month period before people start to come back. We concentrate on reserve projects and standard maintenance items from April through June and continue to work on those through the summer months.

This year we are finding that due to the roaring economy its sometimes difficult to get contractors to even bid a job as they are so busy. As such, the bids on the new drainage wall, in the pet walk retention basin, came in so much over the estimate given to us by the engineer, that we had no choice but to set that project on the back burner. We will install the drainpipe which came in right on budget and then observe the drainage for a while and see if the wall improvements are necessary.

The replacement of the old HVAC (Heating, Ventilation and Air Conditioning) units on the community center has gone very well. This project is being done in two stages, with the last two units. (27.5 tons) being placed on the roof this week. A new control system will be installed, and we are going to ask (plead) with everyone now, to not touch the thermostats you will see around the building. Those thermostats will not control the temperatures. They are merely there to record the room temperature and send the data back to the computer. The only way the temperatures can be controlled is by a staff person or a chosen volunteer, who will be given access to the computer and can then change the temperatures remotely. Remember this is your money and it's the most expensive component of the building so it needs to be handled with care and knowledge.

Once the roof is done at the center, we will notify DISH TV who will install a new 1 Gig line. This should greatly improve the internet for all of you who get your services from DISH.

The valley gutter work took longer than expected due to a concrete shortage while the 202 is under construction. That work will be done this week.

We are already seeing weeds out on some lots. In years past, we have tried to not write 100's of violations and take a more friendly approach when contacting the owner, but this seems to result in fewer and fewer people each year, taking care of their lots. This year, we will make one call. If the owner does not immediately resolve the weed problem, a violation will be issued. I know that many who are not here do not understand why this is such an issue and think you can clean the weeds once you return. In fact, I've had that conversation many times. The reason, besides the requirement in the CC & R's , is the very high fire risk it poses. Arizona is not like the Northwest or the Midwest, where weeds grow all summer and then dry out in the fall. Here they grow and dry at the same time. It takes very little time before there are tinderboxes behind the homes. Add to that the close proximity of homes in the park and you have a big problem. So please help us keep these lots cleaned. There is a list of staff and homeowners in the park that will tend to your lots.

All new roofs were completed on the bathhouses last week. We must agree, by having these roofs match the standard shingle color around the park, they now look like Tiki Huts?! Maybe that's an idea for some time WAY down the road if the owners ever decide they don't need all the Bathhouses.

That reminds me of a conversation I had last week, with one of the Board of Directors from Venture Out in Panama City Beach. She called just to see how things were done at Venture Out in Arizona and in the process of our conversation, mentioned that when the hurricane hit them last year it damaged over 500 homes with 100 a complete loss. But those bathhouses survived a direct hit from a hurricane, as well as their clubhouse, which is right on the beach. Good to know.

Have a wonderful Holiday!
