HAM RADIO GROUP

Paulette Thompson
480-807-1791

Ham Radio group moves back to the **Oasis** **October 5** for our **Saturday 10:00 am** meetings. It's good to see Paul Riepe K7PRR feeling better and back with us. Free radio

licensing classes started September 12 at Red Mountain Library. For information call Chuck Rogers 602-339-0109. Terry Laduke W7RNF drove several of us to a meeting of a DX club in Scottsdale. Thom Davis W6LDX was one of the speakers who described his involvement with the Navajo Code Talkers. The famous quote that has stayed with me is "The language they were forbidden to speak is the language that saved our nation."

HAMS AT HEART

Brenda Morris
480-924-1307

Our production for 2020 is "Solid Gold VO", a musical variety show celebrating the past 50 years of entertainment. The show will also highlight memorable performances from past shows and pay tribute to longtime members of the club. There will be two evening performances on **February 24** and **25** with a special matinee dress rehearsal on **February 23**. We are looking for singers to participate in the show."

Holiday Photos Wanted!

Remember those holiday themed soldiers, candles, angels & doves decorating the streets of VO? Do you have any lot or block holiday photos from the 1980's or 1990's? Those photos can be close ups of individual lots or an entire block (day or night shots). If you would like to share... Drop off to 435 Navajo or scan & email photos to Tcme92A@msn.com Questions? Call 480-830-3933

Reminder:

All Out-Lines articles have a limit of 100 words, and must be turned in by the deadline found on the back of the Out-Lines submission sheet or the deadline list in the front of the Out-Lines (See pg 3).

ATTENTION RESIDENTS

Please refrain from feeding birds on your property as this causes a nuisance and a mess to your fellow neighbors. Please know that this action is fineable per the Venture Out Rules and Regulations. *Note that hummingbirds are an exception to this as they do not make the mess wild birds do.

Recreation Update

October 4, 2019

Ed's Grill will be open for business every Thursday the month of October from 11:00 am - 12:45 pm except for October 31. Enjoy a hamburger, cheeseburger or the weekly special for only \$6.00 and that includes a beverage. It's a screaming deal at each and every grill.

It's past the ticket deadline for both the Loaded Baked Potato and Muffulettas, so if you're still interested in attending either of these lunches, you may want to check the Ticket Resale Board in the Post Office Hallway.

We're off to explore the beautiful Riparian Preserve in Gilbert Tuesday, October 15. Following the self-tour, we'll then head to the Henhouse Café for breakfast to fortify ourselves after our mile or so walk. (I know that's not much of a walk but any excuse to eat...) Should you wish to join us, sign up in the Activity Office, indicate if you would assist with the carpool and we'll see you in the Community Center Parking lot at 7:00 am.

Grab your favorite beverage and head to the West Pool for Happy Hour on Friday, October 18 with music by our own Johnny R. Ice and water provided but please be sure your beverage container and drinking glass are non-breakable as glass is not allowed in the pool area. The fun begins at 3:00 pm and continues until 5:30 pm.

Join us on Wednesday, October 16 for a good old-fashioned, homemade chicken pot pie. This delightful meal is extremely popular so run, don't walk, to the Activity Office and get your tickets today! Tickets on until Wednesday, October 9, 10:00 am.

Dr. Harvey Abrams joins us on Thursday, October 17 at 1:00 pm in the Cabana with a health seminar on natural solutions to help those with arthritis. This seminar is free and if you are one of those suffering from arthritis you will want to add this event to your calendar.

We're back in business with our weekly Ice Cream Socials from 1:30 - 2:30 pm in the Baja Bistro. Hope to see you there!

Attention Club Presidents! Fall Start Up kits may now be picked up from the Activity Office. This manila envelope includes your clubs' 2019-2020 budget, fundraising dates, the Food Handler's class schedule and much more. Please read thoroughly, replace inserts as indicated and recycle the old information.

Venture Out has the very, very best of Halloween parties and this years' will surely be one for the record book. Dress in costume or just come as you are to the Thursday, October 31 "Party Like It's 1969" Howling Hour! Tickets are required for this event and may be purchased from the Activity Office for a mere \$8.75. Included in that price is an all you can eat Nacho and Hot Dog Bars, music by the Van Reed Brothers, costume prizes and much more. Come one...come all as we eat, drink and be scary!

Chef Ed will once again conduct Food Handler's classes this season. If you are up for renewal or wish to obtain a new card, plan to attend one of the monthly sessions offered. The first class offered this season is scheduled for Wednesday, October 25 at 10:00 am in the Baja Bistro. No studying required! No test taken! No cost!

You know it's October because the Splashers are back to selling their Coyote Coupons Books! Now's the time to pick up your book and start saving the big bucks. See the special ad in this edition of the Out-Lines for purchasing information.

If you haven't received your flu shot you'll have the opportunity to do so at Venture Out on Wednesday, October 16. Our local Walgreens will be on hand in the Baja Bistro from 9:00 - 11:00 am offering flu and pneumonia shots. Most insurances and Medicare accepted. Sign up in the Post Office hallway today.

Beginning Monday, October 14, the Activity Office will revert to its Fall Hours of Operation 8:00 am - 12:00 pm and 1:00 to 3:30 pm.

Thank you to the many resident volunteers who made our hot summer at Venture Out a bit more bearable. That includes those who assisted in the Activity Office, the Library, kitchen, at various parties as well as those who taught classes and created decorations. You truly are the best!

It's October! Let the fun begin!

Manager's Corner

October 4, 2019

This week's occupancy is 358 or 20.23% vs. 300 the last time reported, vs 268 last year. There are currently 59 renters in the park.

Welcome to the Fall and beautiful weather again. It was a very long, hot and dry summer!

Seal coating and striping is done in the Fall when it is cooler and so that the striping will be fresh when everyone returns. We just have two days left on the project and the last bit will be done on Monday the 7th.

Everyone in the park received a FASTMAIL on the schedule so should be well prepared for the project. When this project is done, all the park will have been seal coated, except for the roads that are planned to be replaced next Summer. With this project complete, we should see almost the complete elimination of the black dust, according to our street consultant, Dennis.

There are two big changes in internet providers this year. Dish TV has finally brought in an additional 1 Gig of bandwidth. This is expected to greatly improve the performance of their internet offering. I know they are still working on improving their system and trying to flush the bugs out. The following is per Dish's representative about this new 1 Gig line.

"At this time there will be no change in pricing, and we do not anticipate that there will be a change at all this season, although we cannot completely guarantee."

As far as internet performance is concerned, we will continue to offer the same speeds we have in the past for the time being. The new circuit will make the system significantly more reliable; there will be less lag, lower latency, and fewer drops. We are continuing to work to offer higher speeds and we will keep you informed of any changes on the matter."

Also Verizon Wireless/On Com after working with Venture Out for the last year, will offer an alternative internet service, to Dish and Century Link. There is a website to go for this service and a flier is in the office. This involves installing a Verizon router in your home that pulls the internet from the nearby cell towers.

For information on this alternative internet service go to: <https://www.on-cc.com/ventureout>

Century Link remains a third internet provider in the park. I am told that they can now offer speeds up to 100 mbps inside the park. Century Link has proven to be very reliable for our office needs.

With three choices for internet, hopefully everyone can find what they need within their budget and speed preference and we are very hopeful that Dish's increased bandwidth will eliminate their problems.

This summer we have been working through the normal number of projects & transmittals, large and small. One project everyone wants to know about is the drainage project in the Pet Walk area.

The City worked all Summer getting every utility in their right of way, to move and accommodate the new storm drainage project. Venture Out is dead last for the installation of the drainpipe into the city storm water system. When they were finally ready to start our project, they discovered that a Cox fiber optic line, was dead center in the path of the proposed Venture Out drainage pipe. In order to not delay this project further and spend months relocating that fiber line, the City of Mesa, worked with the Civil Engineers that Venture Out hired as well as the contractor and worked out an alternative design. While we wait for this new design to be approved by all the parties and the City, they did give us a new access directly into their storm drainage lines. We resumed pumping as we normally do, but now since we pump directly into the City system we no longer must wait until we have permission from Roosevelt Water District.

The water machines are unhooked because the vendor who services them has not been back in the park since the first week of June. Repeated calls to him did not induce him back to take care of service issues in spite of his assurances that he would do so. Because the water machines must be maintained for cleanliness, they are unplugged. We are waiting for the Board to come back and decide what they would like to do, regarding either the purchase of machines or signing another service agreement with a different vendor. In the meantime, The Ranch Market just to our west on Main St., installed a water filtration system last year. It costs \$.25 per gallon and it is chilled.

Bathhouse # 5 is closed for pipe lining for ten days from September 30th. Like Bathhouse # 2 last year, this is expected to extend of the life of the bathhouses by at least another ten years.

2020 is Venture Out's 50th anniversary and there will be many celebrations throughout the year. We did develop a logo in house as a collaborative effort and we have to say, we are pleased with the result. So much so, that the Condo Board, suggested we order some logo wear clothing and other items for the lot owners this season.

In order to do that and not have inventory left over, we are going to have "Apparel Day" twice this year. On these two occasions, you will have the opportunity to order T-shirts, polos, sweatshirts, etc. in the colors you prefer and the correct sizes. All orders are paid for on those days and then all orders are submitted at the same time. The vendors tell us it will take four to five weeks to get all the orders delivered back to Venture Out. We will then, set up distribution times for everyone to come in and pick up their items. This is a system they have used with great success at Trilog for fifteen years.

The first apparel day will be during Homecoming, Saturday, November 16th. Some very limited amounts of ball caps and pins are available now at the Administration office. If those are gone quickly, we will re-order another limited amount. The second apparel day will be the first week in January, but it is doubtful that those items would be delivered in time for the January 13th official celebration, so see us on Homecoming if you want to have your logo wear that day!

Welcome back to another wonderful season at Venture Out!
