Safety & Security Committee

Have you ever asked yourself.....HOW SAFE IS MESA?

Mesa is ranked 8th in the nation for safest metropolitan cities, the only Arizona city to crack the Top 10. This is based on FBI statistics of an "aggregation of violent crimes and property crime per 1000 residents."

Venture Out statistics within Mesa are even better. Over the past 26 months, for example, VO had:

Accidents (3); Prowlers (1); Theft from residents – including bikes (17); Vehicular burglary (1); Residential burglary (4); Suspicious activity (11).

So you can see Mesa and Venture Out are very Safe and Secure places to live.

A FEW SAFETY AND SECURITY REMINDERS

Did you know that 911 calls are NO CHARGE, unless you are transported to the hospital via ambulance? Remember: Call 911 first, then have someone call VO security.

A Mesa Fire Safety Class will be held Wednesday, February 12 at 12:00 noon in the Oasis.

Do you know where your fire extinguisher is? Did you inspect it at the start of the season to make sure it was fully charged?

Even though our units are small, have you taken time to develop a FIRE EXIT PLAN?

With spring break visitors soon to be arriving....Remember, NO golf carts can be operated by anyone younger than 16 years of age.

WARNING: The park has many FIRESTICK coral plants. If you trim this plant the milky sap is very toxic, especially to the eyes, even in small amounts. Always wear gloves and keep them separate and away from the eyes.

Please.... Never leave space heaters unattended. We had an incident of a fire starting in a unit because this happened.

Drivers....do you have trouble keeping your vehicle under the 10 MPH park speed limit? Solution....try driving in LOW GEAR.

The Magic of Manilow features Terry Davies and a line-up of musicians and vocalists paying homage to the music of one of the biggest selling artists of our time: Barry Manilow. Manilow is best known for his catalogue of hits that include the chart-topping "Mandy," "Ready To Take A Chance Again," "Weekend in New England" "Copacabana," "I Write The Songs," "Can't Smile Without You" and many, many more. In the late 70's five of Manilow's albums were on the best-selling charts, a feat equaled only by Sinatra, Michael Jackson, Bruce Springsteen and Johnny Mathis. 2019 Condo Board

**ANNUAL MEETING &
ELECTION**
Wednesday
February 19
1:00 pm
Buena Vista
Ballroom

Dick Jenniges, 413 Douglas, my wife Julie and I purchased our home in 2015. We retired later that year and started coming down in February 2016. In the Fall of 2018, we became year-round residents. We discovered that the summer temperatures are not as bad as the Minnesota winter temperatures.

My occupation started out as an Electrical Draftsman on the construction of a coal fired power plant in Minnesota for a large national contractor. After 43 years in the electrical industry with the last 20 years as a division manager and project manager in Rochester, MN. I managed 80 to 100 electricians and electrical ranging up to 30 million. The largest were at the Mayo Clinic Rochester Campus.

I also worked with the Ronald McDonald House, Gift of Life Transplant House, American Cancer Home and Salvation Army, all of which were donations of labor and materials by our company and my crews.

I was a member of the National Electrical Contractors Association (NECA) and chaired the Labor Management Committee (LMCC) and the Apprenticeship Training Committee from 1996 to 2014. On LMCC we negotiated multi-year contracts with the Electrical Union for wages, benefits and contract language also managing the Union's Journeyman funds. The Apprenticeship Committee interviewed new applicants, reviewed performances and balanced the yearly budget for the school.

I have been on the Infrastructure Committee since 2016 and currently the elected Chairman. I reviewed VO's fluorescent light bulbs in the buildings and recommend they be changed to LED, which after changing them VO saved approximately \$6,000 in energy costs.

I look forward to being an added asset to the Condo Board.

Board Nominees

GLEN STOVER,
730 NAVAJO, I have lived in Venture Out for approximately 10 years as an owner. My wife and I stay 4 to 5 months each season. Our permanent residence is in Chatham, Ontario, Canada.

My wife Diane and I have two sons that are married, five grandkids and two great-grandkids.

My occupation was working for Natural Gas Utility Company for 38 years. I have been the President of the Union and Secretary Treasurer of Gas Council.

I help with the Handymen, Shriners and like to keep busy.

I have tried to attend most Condo Board Meetings to keep updated with everything going on in the park.

ELKO KROON, 335 AERO

In 2008, when my wife Barb and I visited Venture Out, we were incredibly impressed by the scope of activities and amenities that were available. We immediately fell in love with VO and were fortunate to purchase our unit.

Through my volunteer experience with Channel 17, I have been filming both the Condo and Social Board meetings for the past seven years. Through this experience, I have been able to gain first-hand insight into the structure and workings of Venture Out.

In my time at Venture Out, I have enjoyed many activities in the park, including lawn bowling, bocce ball, shuffleboard and the pet association. I firmly believe that it is the resident involvement and participation in the activities at Venture Out that makes our park both unique and accountable to the owners.

In my professional life, I was a lawyer for over 40 years in the City of North Vancouver, British Columbia. I served as a Counsellor for the City, and as an appointee to different Boards, Commissions and community organizations.

I have been active on community Boards, including Rotary, seniors' center, non-profit housing and community health organizations.

I have seen the continuous evolution of VO, and recognize the challenges and opportunities we face to balance the need for our park to be vibrant while responsive to the interests and concerns of the owners.

I believe that with my background and interest, I can assist the Board to make beneficial decisions for the betterment of the VO community.

Star Volunteer

Way to go,
Joe Paltzat!

Joe and Joan Paltzat visited Venture Out in 2004 and purchased a unit in 2005. Joe joined the Woodshop as member shortly after arriving. Much of the equipment in the was Woodshop was aged and in need of maintenance. He began volunteering to repair fatigued equipment, such as

sanders, and improved the dust collector system. Beyond fixing and maintaining the system Joe set about improving the dust collection system to improve its function and the safety of the shop. He mechanized gates so that they activate when the tool is in use. In April of 2019 a vendor came in to look at the main dust collector, and eventually advised the club to run it till it died. When Joe returned he researched where to get new parts including bearings and the was able to repair and service the blower in-house with the help of some other Woodshop members. Joe was also involved in installing ambient air cleaners further improving the safety and comfort of members. Joe and Joan have also volunteered at dances, dinners and the famous Weenie Roasts. Thank you Joe!

Manager's Corner

February 7, 2020

This week's occupancy is 1652 or 94% vs 1643 at the last report and 1588 one year ago. There are currently 432 renters in the park.

This week's column is strictly devoted to a topic that has come up before the Venture Out Condo Board and the Safety and Security Committee, with the proliferation in our community of the latest trend at our home improvement stores.. Fire Pits.

The following is a message from the Venture Out Condo Board of Directors:

"With warmer weather just around the corner...Just a reminder that Fire Pits and any other fireplaces that have an OPEN FLAME are prohibited in Venture Out. (Venture Out Rules and Regulations 7.8 "Lot owners are prohibited from having a fireplace of any nature other an electric fireplace, or a portable barbecue. Portable Barbecues may only use electricity, propane or natural gas. Space heaters using the above fuels are also permitted. No other combustible materials of any kind may be used in these or other devices")"

The close proximity of homes in the park make open flames a potential major hazard.

The use of electric fireplaces or portable barbecues (which use electricity, propane or natural gas) are permitted.

If you have already purchased a fire pit, we ask that you put it away for the remainder of the season, and take it home with you this spring.

Thanks for your prompt attention and prompt compliance with this regulation.

If you currently have renters in your home please remind them of this rule.

The Venture Out Condo Board of Directors

The Items ABOVE are Allowed

NO fire pits or fire tables of ANY design are allowed

Venture Out Condo Board Presidents Comments
February 7, 2020

I have so much to report on, so here goes! The Board approved the following motions in the January 23 and 30, 2020 meetings.

Donations policy. Residents periodically ask about donating either money or something else to Venture Out. In the past we did not have a good way to evaluate whether we should take that donation. Are there strings attached? Will the donation cost us to install and then maintain? The new policy has a procedure and a check list to follow to determine those things – the end result being we accept it or not. The policy will be available on the VO website and forms will be available in both the Recreation Department and in Administration by the end of next week.

Summer league play. This policy was developed and has been approved by both the Condo and the Social Boards. The purpose of the policy is to “clarify the requirements for the use of the recreational athletic court facilities by non-Venture Out residents during the period of time from May 1 through September 30 of each year. The policy formalizes what previously had been an informal agreement.” The policy is a 1-year pilot program, starts this summer and will be evaluated this fall. The policy will be available on the VO website by the end of next week.

Transmittal process. A transmittal is used by clubs and residents to ask for something — a change to a common area. An example is the Shuffleboard ‘kitchen’. Shuffleboard put in a transmittal requesting that a year or so ago and it was done this last summer. There is no guarantee that when a transmittal is submitted that it will happen. A new transmittal process, developed by both Condo and Social Boards has been approved. The new process will better utilize the 5-6 month active season to get better information and cost estimates to ensure better budgeting. The process also improves communication between the originator of the transmittal about what is happening with it. Since the majority of transmittals come from clubs, Social Board will be the primary driver of the process.

There was a **special Condo Board meeting** on January 29, 2020 in which we approved the contract between the Condominium Association and the Social Club. This contract allows the Social Club to provide our recreational activities which includes providing furniture and club equipment. This agreement obligates future Boards to work together for the good of Venture Out.

Easements – plan to attend an informational session on February 13, 2020 from 1 to 3 pm in the Oasis to get first-hand information.

The Annual Meeting of the Venture Out Lot Owners will be held on February 19, 2020 at 1pm in the Ballroom. The agenda will include reports from the Board Standing Committees, a West Pool update, a Reserve Fund and Financial Report, a Real Estate report and information about the agreement between the Condo and Social Boards. We will also formalize the election of 3 new Board members and say good bye to retiring members Gary Johnson, Bert Sebastian and myself.

Given that I will be retiring, this is my last Out-Lines article. As I count down my days I have mixed feelings – so much work left to be done! But I also know that the next Board is more than capable of managing whatever comes their way. And I am really looking forward to having time to get involved in the funnier side of Venture Out. See you at the Annual Meeting!

Alice Anderson, Condo Board President

Social Board President's Comments February 7, 2020

It's February – how quickly time flies. It seems like we were just preparing for our Club Officer's meeting in November and now here we are preparing for our marathon budget meetings.

A few dates to remember:

The Sewing Club and Fired Clay Arts Studio's Open House and Sidewalk Sale this Saturday from 9:00 AM – 12:00 PM

The raffle for the woodshop is still in progress.

Sunday is the Home Tour for those who were fortunate to get drawn in the lottery.

Remember that there are countless other events that our clubs and Recreation Department sponsor throughout the next two months; and we greatly appreciate the support you give to it.

For those of you who did not attend the 9x9 work session on January 29, or saw the video on channel 17, both the Condo Board and Social Board approved the new 2020 Agreement, which supersedes all other contracts. This new agreement will assist with some of the transmittal needs of the clubs. If you want to see details of the agreement, you can find it as an attachment under documents on the Website.

Venture Out Memorial Trust Fund

The Venture Out Memorial Trust Fund, suggested by former owner Chet Rice and created by the Social Board, decided to offer the opportunity for families and friends of deceased residents to contribute money to a fund used for the benefit of all the residents in the park. Instead of placing small individual plaques throughout the park, a number of large plaques with the names of those memorialized would be hung in the Community Center.

This trust, established in 1995, is separate from all other funds and is administered by a committee appointed by the Social Board. The committee has its own financial account.

Since its inception, the Memorial Trust Fund has helped to purchase the following items: microphone and sound equipment, equipment used by Channel 17, a large contribution toward the building of the elevator in the previous Community Center, the purchase of computer and equipment for the AV group, the cost of applying for the Tax Exempt Foundation, money toward expenses for the construction of the Barbecue Pit area, and in 2015, \$3700 for 10 benches throughout Venture Out.

The committee follows definite guidelines. Any contributions received are considered *CASH GIFTS*; therefore, any *DESIGNATED GIFTS* cannot be accepted. All checks are to be made out to Venture Out Social Club.

The cost of the bronze nameplate, the engraving, the stationery and postage used for communicating with relatives of the deceased totals nearly \$25 per person.

When making a contribution to the Fund, be sure to indicate that you want your donation to go to the Memorial Fund so that it will be used for engraving the memorial plaques and be placed in the Memorial Account to fund such projects as are listed above. Contributions must be at least \$25. More is appreciated.

We urge you to view the plaques on the wall near the Sonoran in the Baja Bistro. **For those who wish to pay it forward (purchase your plaque now), you may do so, but at a minimum of \$25; again, more is appreciated.**

We are open for suggestions for how to spend some of this money. Please feel free to contact any of the Committee members listed below:

Walt Just — Chairman
Marlice Fenske — Secretary/Treasurer
Connie Gorham — Member
