## THE GREEN COMMITTEE IS LOOKING FOR NEW MEMBERS

Annette Ripplinger

[annette2000@gmail.com](mailto:annette2000@gmail.com)

Because our volunteers can only serve between three to six years, the Green Committee is in search of new members. They would join a small but dynamic team of dedicated volunteers. Currently we are finding a variety of ways to encourage VO residents to save water. We promote desert landscaping by awarding yards using low or no irrigation the Desert Landscape award given monthly. And we are researching desert trees and shrubs to replace those removed in VO's common areas. Email Annette Ripplinger at [annette2000@gmail.com](mailto:annette2000@gmail.com) or zoom our next meeting **Wednesday, February 10.**

## VACANCIES ON THE COMMON FACILITIES PLANNING COMMITTEE

Wendy Raths  
480-685-1185

Four people are needed to fill up-coming vacancies on the Common Facilities Planning Committee. These positions are for 3-year terms, 2021 – 2024. If you are a lot owner and have a technical or construction background and are interested in contributing to the betterment of our Park's common areas and facilities, please contact Wendy Raths, 525 Merlin (480) 685-1185 or email [wendyraths@gmail.com](mailto:wendyraths@gmail.com) for an application.

# COVID-19 PREPAREDNESS

## VENTURE OUT

The following information is derived from the Guidelines and Recommendations issued by the Center for Disease Control and Maricopa County Department of Public Health. The intent is to provide the residents, renters, guests, and contractors in Venture Out with information regarding how we can: prevent, recognize, report, and control the spread of the COVID-19 virus. In addition how we can individually and as a group work together to control the spread of the virus. The level of preparedness is reflective of the current levels of COVID-19 in and outside of the local community.

**Venture Out Administration will follow up on notifications of a positive case in the park, with contact tracing and notifying any person known to have been exposed, based on their proximity to a person who may have the virus.**

Information in *Italics* is excerpted from Center for Disease Control (CDC) and Maricopa County Dept of Public Health

### **Travel: Frequently Asked Questions, Nov 21, 2020 - CDC (1)**

Can traveling to visit family or friends increase my chances of getting and spreading COVID-19?

Yes. Travel increases your chances of getting and spreading COVID-19. Before you travel, learn if COVID-19 is spreading in your local area or in any of the places you are going. CDC does not require that domestic travelers undergo a mandatory federal quarantine but does recommend you take everyday actions and reduce nonessential activities for 14 days after you return from travel to protect others from getting COVID-19:

### **Traveling to and arriving at Venture Out**

Persons arriving at VO may consider staying in quarantine for 10 days. Consideration may also be given to obtaining a COVID-19 test at a local testing facility.

## **When to Quarantine – CDC (2)**

*Quarantine is used to keep someone who might have been exposed to COVID-19 away from others. Quarantine helps prevent spread of disease that can occur before a person knows they are sick or if they are infected with the virus without feeling symptoms. People in quarantine should stay home, separate themselves from others, monitor their health, and follow directions from their state or local health department.*

## **Symptoms of COVID-19 – CDC (3)**

- *People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear **2-14 days after exposure to the virus.***
- **Symptoms:** Fever or chills, Cough, Shortness of breath or difficulty breathing, Fatigue, Muscle or body aches, Headache, New loss of taste or smell, Sore throat, Congestion or runny nose, Nausea or vomiting, Diarrhea

## **Isolation if You Are Sick – CDC (4)**

- ***Isolation** keeps someone who is infected with the virus away from others, even in their home. **Who needs to isolate?***
- *People who have symptoms of COVID-19 and are able to recover at home*
- *People who have no symptoms (are asymptomatic) but have tested positive for infection with SARS-CoV-2*

## **What to Do If You Are Sick – CDC (5)**

*If you are sick with COVID-19 or think you might have COVID-19, follow the steps below to care for yourself and to help protect other people in your home and community.*

***Stay home except to get medical care – Self Isolation***

***It is essential for your safety and that of the other residents of the park that you self-isolate.***

- **Stay home.** Most people with COVID-19 have mild illness and can recover at home without medical care. Do not leave your home, except to get medical care. Do not visit public areas.
- **Take care of yourself.** Get rest and stay hydrated. Take over-the-counter medicines, such as acetaminophen, to help you feel better.
- **Stay in touch with your doctor.** Call before you get medical care. Be sure to get care if you have trouble breathing, or have any other emergency warning signs, or if you think it is an emergency.
- **Avoid public transportation, ridesharing, or taxis.** Separate yourself from other people

**As much as possible, stay in a specific room** and away from other people and pets in your home. If possible, you should use a separate bathroom. If you need to be around other people or animals in or outside of the home, wear a mask.

**Tell your close contacts** that they may have been exposed to COVID-19. An infected person can spread COVID-19 starting 48 hours (or 2 days) before the person has any symptoms or tests positive. By letting your close contacts know they may have been exposed to COVID-19, you are helping to protect everyone.

## **Preparing for When Someone Gets Sick CDC (6)**

Considerations for Retirement Communities and Independent Living Facilities – CDC

- **Advise Sick Individuals of Home Isolation Criteria**
  - Sick workers should not return to the facilities or end isolation until they have met CDC's criteria to discontinue home isolation.
  - Have ill residents seek advice by telephone from a healthcare provider to determine whether medical evaluation is needed.
  - Residents are not required to notify administrators if they have a confirmed case of COVID-19. If you receive information that someone in your facility has COVID-19, you should work with the local health department to notify anyone in the building who may have been exposed (had close contact with the person who is ill) while maintaining the confidentiality of the ill person as required by the Americans with Disabilities Act) and, if applicable, the Health Insurance Portability and Accountability Act
  - Encourage residents with COVID-19 symptoms and their household members

*and close contacts to self-isolate – limit their use of shared spaces as much as possible.*

- *Those who have been in close contact with a resident who has confirmed or suspected COVID-19 should monitor their health and call their healthcare provider if they develop symptoms suggestive of COVID-19*
- **Notify Health Officials and Close Contacts**
  - *In accordance with state and local laws and regulations, retirement communities and independent living facilities should notify local health officials, residents, workers, volunteers, and visitors of cases of COVID-19 while maintaining confidentiality in accordance with the Americans with Disabilities Act (ADA) .*
  - *Inform those who have had close contact with a person diagnosed with COVID-19 to stay home or in their living quarters and self-monitor for symptoms, and follow CDC guidance if symptoms develop.*

### **Maricopa County Department of Public Health**

4041 N Central Ave Ste 1400

Phoenix, AZ 85012-3314

**Phone:** (602) 506-6900

**For COVID-19 dial #211**

### **ARE YOU A CLOSE CONTACT OF SOMEONE WITH COVID-19?**

#### **MARICOPA COUNTY CDC (7)**

- *You are considered a close contact of someone with COVID-19 if you were exposed to the sick person for more than 10 mins and within 6 feet or less, or.*
- *You live in the same household*

*When Public Health is notified that a person tested positive for COVID-19, we investigate all the places and people the person who tested positive was in contact*

*with, starting 48 hours before their symptoms began. This can include household contacts, workplaces, healthcare workers, and other close contacts.*

*Public Health then reaches out to close contacts to inform them of their exposure, provide instructions for next steps, and connect the contact to resources that can support them as they watch for symptoms and reduce risk of spread.*

***How You Will Find Out: If you have questions about the validity of a phone call or text you received from Public Health, you can speak to a contact tracing specialist at 1-855-414-4673.***

*To help facilitate our contact tracing efforts, Public Health reaches out to close contacts of lab confirmed COVID-19 cases via phone call and text message to inform them of their exposure. On the phone call, we will provide instructions for next steps and connect you to resources that can support you and your family while watching for symptoms and reducing risk of spread.*

*For those with mobile phone numbers, you also may receive a text message from Public Health, with a link to a secure, confidential online form with a few brief questions. Once you submit that to us, we can then send specific information about when you were exposed and what to do during the next 14 days. The form will take less than 5 minutes to complete. It includes questions about:*

- *Name*
- *Date of birth*
- *Best contact information*

*Note: If we are unable to reach you by phone, we may also try to reach you through text or email, letting you know that we have important information and to please call us back*

### ***What You Will Be Asked to Do***

*Once you are identified as a close contact of someone with COVID-19, Public Health will provide you guidance about next steps. You will be asked to:*

*Stay home as much as possible, except to get essential medical care, prescriptions,*

and food. In some cases, you may be allowed to go to work. See *Quarantine Guidance for Household and Close Contacts*.

*Sign up for SARA Alert, an electronic symptom monitoring system that sends a daily email, text message or phone call asking if you are experiencing any symptoms of COVID-19. Symptoms of COVID-19 can occur from 2-14 days after exposure.*

***If you do not develop symptoms*** within the 14-day time frame, you will stop receiving SARA Alert reminders and are no longer at risk from that exposure.

***If you develop symptoms*** within the 14-day time frame, Public Health will reach out to you to discuss your symptoms, how to get tested, and what you should do to address your symptoms and prevent spread. If your test comes back positive, the process will start over with interviewing you and notifying your close contacts of their exposure.

***If you are currently experiencing COVID-like symptoms***, you should contact your provider or go to a testing site to be tested for COVID-19. If your test comes back positive, the process will start over with interviewing you and notifying your close contacts of their exposure.

# 2021 Condo Board

## **JOHN VARNER, 510 AERO**

Joni and I have been lot owners since 2007 and reside here December through April every year. Our other residence is in Longville, MN. We have been happily married for over 40 years and have two children. We are both retired from public education careers.

I was a Superintendent of Schools in two Minnesota districts for a total of 18 years. Previously, I served as a business manager of a large district and later as a Vice principal and High School principal. I started my career as an English teacher and coach.

I served four years in the US Army (Infantry) and before that built boilers and painted houses. I have been active in leadership roles in the American Legion and the Lions Club in the past. I have served on church councils in three different churches, and I am a member of Salem Lutheran Church in Longville, MN.

While I have not actively participated in any VO Clubs, I have participated in the genealogy group and attended many events and activities in the park. I enjoy off-roading in the surrounding desert and want to start an off-road group in VO. I believe that I would be an objective Condo Board director as I am not beholden to any particular group, club or organization within the park.

I have served on many boards in my life. I understand the workings and psychology of working on a board, and I believe I can help the Condo Board succeed in its mission to meet the needs of VO residents as efficiently as fiscally possible.

## **JIM VAN HEULE, 802 AZTEC**

Kris Knox (wife) and I started visiting VO family in 1987, becoming seasonal residents 11 years ago and 2nd generation owners in 2012. As permanent AZ residents we spend 7+ months at VO while retreating to higher elevation during the summer heat.

My life has been colorful including being a paperboy, KFC cook, shoe salesman, 7-11 clerk, hospital floor finisher, tallow tester, college graduate, genetic research assistant, brick layer, chemist, color specialist, marketing manager, AOL moderator, speaker, conference owner, committee member, dad, uncle, technical director, writer, programmer, project manager, VP, owner, CEO, internet guru, vestry member, REALTOR Associate member, Facebook group administrator, photographer and more recently grandfather, retired and traveler.

All of those life experiences gave me the tools to be a good listener, communicator, problem solver and fiscally responsible. (I'm pretty sure that I have also managed to retain the skills to expertly sling a newspaper, or wax a floor if the need arises.)

Kris and I have been living the good life of retirement these past years at Venture Out and summering at Juniper Ridge. (Recently retirement has taken on a colorful twist that includes mastering the art of social distancing, movie binging and masking.) Through all this though, I still found time to volunteer including:

Juniper Ridge: administrator/photographer/poster for two Facebook groups, architectural committee, governing documents committee

Venture Out: Group reviewing EPC exercise room needs, communications committee, photographer for VO Facebook, Outlines and the 2019 Fall Tennis Classic.

In all seriousness, the new Condo Board members will be facing several tough decisions. I feel that I'm up for that challenge and want to hear from you. Next time that you see a masked guy wearing a white wide-brimmed hat, stop and talk to him. That would be me.

# Board Nominees

## **LIZ (BETTY) BRADFIELD, 721 NAVAJO**

We have been homeowners since 2001 in VO and are here seven months of the year. I am married to Chuck, otherwise known as Charlie, and we have been married for 57 years. We live in Traverse City, MI on Bass Lake.

We have three children, nine grandchildren and eight great grandchildren. Our great grandchildren are in South Carolina, so we do not see them very much. Oh, by the way, we have two lake front properties and one island to sell.

I worked at the Chemical Bank, in the bookkeeping department. At Dow Chemical I was a Receptionist, worked in bookkeeping, purchasing and real estate. Then went on to Cosmetology school and worked as a Beautician.

After some time of staying home, I signed up for a Faux Painting class in Chicago. There I met two sisters and the three of us went to Kansas City, Florida Keys and other places of business Faux painting the columns in the White House and Black Market stores.

After that, I started working for an interior decorator and did several homes with my Faux painting. It was an exciting experience.

I also am responsible for coordinating the Shuffleboard supplies for all of Arizona's shuffleboard clubs. I was also was a member of the Condo Board from 2011 to 2014.

I now spend my time bowling and golfing. I also spend a good amount of time in the kitchen cooking and baking.

I look forward to working with Venture Out as a coordinator with residents of VO and management.

## **CINDY GOULD, 513 BOEING**

Since 2016 we have been coming to Venture Out from November through April. My grandparents and parents came to VO in the mid 70's, my first of many visits through the years was in 1979.

I am a retired special education teacher with a master's degree who has worked with students at all disability levels K-age 21. For many years during my career I hosted the Special Olympics Regional track meet with 20+ communities involved and I was Junior Class Sponsor with major fundraising responsibilities. As a special education teacher I worked with many different computer programs gaining skills in Microsoft Office components and government and district student reporting programs. Annually I organized and hosted multi-agency educational and transitional meetings.

I believe it is healthy to volunteer in your community and have always done so. I am a past auxiliary fair board member, co-founded Minden Horticulture Society, volunteer tour guide at historic opera house and numerous officer positions in my church women's groups.

In my local community and VO I give free line dance lessons and participate in social bridge, pool parties, member of croquet club, help host Friday dances and more. I am a handy woman and have remodeled my older park model from top to bottom gaining skills I share with my neighbors and friends. They have quickly learned I will be there for them with physical assistance, knowledge and/or tools.

### 7:30 WEST POOL WATER EXERCISE Robbie Oldemar 480-396-9987

Join a great group of early exercisers in the West Pool at 7:30 am. Get your gentle aerobic workout in early and enjoy the rest of the day. It's not all work, we do laugh and joke while we stretch, limber and social distance!

### BIKING GROUP Mike Gould 308-532-5608

Thursdays, 9:00 am, meet in front of the Activity Office on the SW side of the Community Center. We will leisurely cruise bike trails, designated bike routes and canal access paths, usually with a destination involved. Rides average 10-20 total miles at 10 mph more or less. May stop for coffee or snack. Breaks as needed. Usually return by 12:00 - 1:00 pm. Informal, no fees, helmets encouraged. All bikes and abilities welcome. •

### BOCCE BALL CLUB Sandra Sheth 563-583-8883

Every Saturday & Sunday is open play for dues paying members. Every Wednesday at 10:00 am Jerry Speigel gives lessons. Please sign up in advance in the clubhouse – you do not need to be a dues paying member to sign up for

lessons. If you are a non-member you can play up to 3 times with a dues paying member. Membership dues are \$20. We are currently selling ice cream and bottled water Monday-Friday during leagues and Saturday tournaments. At a later date, we will be selling unused equipment; bocce ball sets will be \$50 and older sets \$40; also selling 9 vacuum cleaners. Please sign in whenever using the courts to be in compliance with Covid guidelines.

### CREATIVE WRITING Linda Wallace

Put your interest in writing to good use. Whether you have been published or just have a yen to try your hand communicating your thoughts and imaginings, all are welcome. Group members often use member suggested prompts to create their narratives, poetry, stories, memories, family histories, opinion pieces, etc. The group is here to listen and offer constructive comments to help you convey what you want to say. The Club meets every Tuesday at 1:00 pm in the Auxiliary Ballroom. Masks must be worn, and social distancing observed. Call or email Linda Wallace if you have questions. •

### CROQUET

#### Mary Waitrovich

Croquet is custom made to allow for social distancing. Balls and mallets are sanitized before and after each game. Players touch their own balls only and it's easy to maintain at least six feet from other players. Club members can coach you through the game from six feet away. Wednesdays are lesson days, but club members can teach you the game just about any time. You do not have to be a member of the Croquet Club to take lessons or play open play at any time; however membership is only \$5 for the season so please consider joining.

### DRAWING CLASS Annette Ripplinger 503-267-2000

Drawing is seeing, and you can improve your drawing skills no matter what your level of experience is. Tune into Channel 17 weekdays at 1:35 - 3:35 pm for a 30 minute drawing class by VO resident Annette Ripplinger. Have a pencil, an eraser, and a sharpener handy. Treat yourself to a sturdy drawing notebook, and you're all set. There's a new class every Tuesday where you'll learn fundamental skills, like making a value chart, using construction lines, and practicing contour drawing. We start with a wine bottle

and are continuing with a variety of geometric shapes in a still life. Watch for giveaways and guest artists. •

### EAST POOL WATER EXERCISES Carole Hewett 780-886-2831 Diane Hass 208-859-7530

9:00 am classes Monday – Saturday; Diane Hass 208-859-7530 – 10:00 am classes Monday -Friday. Join us in the pool. The water is warm, it's fun and we exercise to music. Water exercises benefit the body in many ways whether you need to work out sore muscles, increase your mobility or simply get some exercise. A huge thank you to all of you for adhering to the CDC guidelines to make the water exercises a safe place to participate!

### ELECTRONICS CLUB

#### Annette Ripplinger 503-267-2000

We will follow strict Covid Guidelines (mask required for pro and students along with hand sanitizing.) ••

## VO FOUNDATION

**Forrest Simmons**

This past year has been a rough one for many. The COVID-19 virus and job loss has created a dire financial situation for those less fortunate. Help is need more than ever. Your purchase of a Memorial/Veterans brick, or monetary contribution goes a long way in helping those in need. We ask that you consider the VO Foundation in your plan when making a charitable donation. As always, 100% of your donation goes toward support of the foundation and qualified organizations. All the Directors are volunteers. For more information please contact myself or Linda Danner at 503-307-6096.

## Please Register... YOUR PET

Annual pet registration is required at Venture Out. Proof of current rabies vaccination is needed for dogs. Upon registration, a tag will be issued which must be attached to the collar or harness of the pet.

Rules:

1. Pets are to be on leash unless in the gated pet exercise area. Maximum length 5 ft.
2. Always pick up after your pet.
3. Use the Entrance and Exits as marked. Doing so helps control odor for nearby residents and will assist with social distancing.
4. The pet wash is available for your use. Please bring and take your own supplies. Don't leave anything behind.

### HAPPY ANNIVERSARY

Sandra & Vinod Sheth  
Feb 1

Thank you to all the individuals who assisted Russ Morfeld and Cheryl and Tom Epping for putting up and taking down all of the exterior holiday decorations this year. A great group of volunteers!

The year 2020 has brought its challenges to everyone, and The Salvation Army programs are included in those affected by the pandemic. To have the friends and relationship that we have with all that call Venture Out Resort home, has to be one of the bright spots of the year. Nearly \$5500.00 was given to our Angel Tree program by residents of Venture Out. What a blessing it was for myself and our staff to know that we had that type of support in our community. More than that you became part of the blessing that was given to more than 940 local families and the more than 2800 children that received toys for Christmas. COVID hit our staff and volunteers hard about 8 days before Christmas. It nearly wiped out our program for the season. The small healthy staff that remained joined with local volunteers to literally save Christmas. Thank you for your gifts and support, I could never adequately tell you all that it means to our work here in Mesa.

# Recreation Update

January 29, 2021

If you had picked up this copy of the Out-Lines from the Activity Office or viewed it on the website before 9:00 am Friday, January 29 you still have time to turn to Channel 17 and watch this week's Virtual Grapevine. Great information, some good fun and a well-worth-watching door prize! This week's prize just happens to be a Picnic Package to include a \$25.00 gift card to Marshalls!

Once again the Trivia Party hosted by Vicki and Bruce Postel along with Linda and Las Tollas for Friday, January 29 is booked solid. However, get your name on a waiting list at the Activity Office because you never know when there will be a cancellation. Call 480-832-9000.

The Silversmith Club is currently sponsoring a Jewelry Sale at their club facility. If you happen to be in the Hobby Center area stop in, wearing your mask of course, and see what beautiful items are being offered. You just might leave with a new purchase.

New Image Fashions, one of the nicest mobile clothiers for women, will be in the park Monday, February 1 from 10:00 am - 3:00 pm. Located outside the Community Center, New Image will offer not only eye-catching tops, shorts and capris but also swimsuits designed for those not in their early 20's. Notice how I didn't say for the "mature" woman or those over 60?

Listen for the Shuffleboard Ice Cream Truck Monday, February 1, as they drive down your block between 12:00 pm and 2:30 pm selling your favorite ice cream treats. Support this club's fundraising effort and you support your Social Club.

Speaking of fundraising... congratulations Director Vicki Postel and members of the Hams at Heart for a fabulous performance of "Hamming it up on the Patio" this past month. They did an outstanding job despite Covid restrictions.

Something different is coming! A food truck will be serving up breakfast on Tuesday, February 2 from 8:00 - 10:00 am in the Community Center Parking Lot. Think waffles! Strawberry waffles...chocolate waffles...ham and cheese waffles...blueberry waffles...and more! Take home or enjoy on the sanitized tables and chairs at the BBQ area.

Following breakfast, you can work off that to-die-for-waffle by taking part in the monthly 5K. Meet in front of the BBQ area in the parking lot at 9:50 am for a short warm up then off you go on a beautiful 3.1-mile walk, trot, stroll, or run through the community. Maps provided at the start of the event. This event is scheduled for Tuesday, February 2.

Have you picked up your FREE tickets for the Thursday, February 4 "Live at Noon" performance by entertainer Tim Eggebraaten? Tim is a retired police chief who has found his niche in retirement being that of music and chatter. I'm sure you will thoroughly enjoy his performance but remember you must obtain tickets from the Activity Office to attend. While the event is free tickets are limited due to safety restrictions.

February 5 is the date scheduled for the next, great Book Bonanza! Eight tables packed with books will be available for FREE to all residents between the hours of 9:00 am and 3:00 pm outside the post office doors. Cash donations can be placed in the designated box at the event.

Tickets are still available in the Activity Office for the next Hams at Heart performance on The Patio scheduled for Monday, February 8 and Thursday, February 11. \$5.00 will get you a social distancing seat to... "A Trip to Nowhere!"

Tom's Pig Rig will be back in the park for dinner on February 9. **Tickets are required and available from the Activity Office for \$11.00 which includes your choice of BBQ pork or chicken with a side of slaw and BBQ baked beans.** Drive up to the Pig Rig, present your ticket, get your food, and take home to enjoy. Easy peasy and so good!

Room reservation information for the 2021-2022 season will be published in the Friday, February 12 edition of the Out-Lines as well as in a Fastmail to all residents. The process will be a bit different this year since so many people are not here to submit requests. But rest assured we will make the booking process as fair as possible.

Thank you to the few AV members available who take care of each Sunday's Worship Service and the Hams at Heart productions. A ton of work for a handful of people. You are greatly appreciated.

The Fired Clay Studio's Fundraising window for the month of February features vases and mugs. If you see something that strikes your fancy stop in and the monitor on duty will gladly take care of business.

Did you know that residents Joe and Kathy Blitgen have been leading the Stretch and Tone class at Venture Out for over 12 years? Now, that's what you call two dedicated volunteers. Thank you for your many, many years of managing the most popular exercise class.

Hope the vaccine is soon on your horizon. Stay safe and wear that mask!

January 29, 2021

This week's occupancy is 1026 or 59% vs. 989 at the last report and 1642 one year prior. There are currently 203 renters in the park.

We have received the first bids for the palm tree trimming and the cost is lower per tree now by approximately \$7.50 per tree with the elimination of the easement trees. The easement trees were more difficult to reach and added to the overall cost. In 2019 our trim bill was \$153,000 and this year with the first bid in, that trim bill is down to \$118,000. We will, pending budget approval remove the remaining 195 trees in the easement this summer.

This week with the rain, we had three very quick power failures and it seemed a lot of subsequent problems with mechanical systems in the park. Gate operators not working, decals not working, Dish TV also having problems. All of this is being sorted out still and we expect to be fully operational by the end of the week. After the second power failure I contacted SRP and they explained that the failures were due to wind. The drainage in the pet walk, however, worked great with just over an inch of rain received.

Ballots are out and we ask everyone to get their ballots returned as soon as possible at this writing we have 543 ballots received; we need 876 ballots to achieve a quorum. The annual meeting will be on Zoom this year and that invite will go out in advance, but not too far in advance, so we do not confuse you, with all the other meetings. You will also find it on the Zoom Calendar that can be found on the Venture Out web site. To get you comfortable with Zoom we will have one more "Zoom University." The invite will come out via FASTMAIL.

Our group of VO Block Captain volunteers have done a great job of helping people sign up for Covid Vaccinations and are waiting for the next batch of appointments to open, so they can continue to help people. We recognize that it is extremely cumbersome to navigate the website to sign up, but by now the Block Captains are old pros. We strongly encourage those who can, sign up themselves. Some pharmacies are finally getting Covid vaccines for 75 and up. So perhaps soon, there will be closer locations to Venture Out

One bright spot in all of this, is that Real Estate continues to boom in Venture Out. We had one unit sell for just under \$300,000 this year. The realtors are busy and sales are brisk. Interestingly enough the same is not true with some of our neighboring parks, where they have gone months without a sale. I was talking to Chuck Carson (our Broker) about that yesterday, why such a difference? He feels, based on the new buyers that they see, that many of them are younger and are drawn to VO for all the amenities that are in place. He said everything is attractive to them, the fitness center, pickleball, tennis, the Community Center, and the community overall. So bottom line, the improvements/investments made over the last 20 years are now serving you well, during this otherwise rocky economy.
