Congratulations to the winners of the Green Committee's Desert Landscaping Award. Gregg and Renee Knox at 714 Aztec have made a water efficient yard with a cactus from his mother's yard and a succulent from a neighbor. This is all shaded by a pineapple palm which keeps the home cooler in turn using less electricity. Gregg added interest by making a rock trail and the grandkids made trail markers for sentimental value.

Let's not FALL

FACT: About 1/3 of adults fall at home each year. Older adults are more likely to break a bone from falls. Half of all patients over 80 with a hip fracture die within one year.

FACT: Falls are the leading cause of accidental deaths in people over 65. One out of every five falls results in serious injury. More than 95% of hip fractures are the result of a fall. They are the most common cause of traumatic brain injuries.

FACT: Many people who have fallen become afraid of falling again and therefore cut down on their activities, become weaker, which increases the chances of falling again.

TIPS ON PREVENTING FALLS

- ⇒ Clean up clutter
- ⇒ Repair or remove loose carpets and slippery throw rugs
- ⇒ Don't run extension cords across foot traffic areas
- ⇒ Install grab bars and hand rails
- ⇒ Avoid wearing loose clothing
- ⇒ Provide adequate lighting in hallways and over stairs. Use night lights
- ⇒ Wear shoes or non-slip socks
- ⇒ Use non-slip mats in showers and bathtubs
- ⇒ Live on one level (if possible)
- ⇒ Move carefully
- ⇒ Pause when going from a prone position to sitting and then standing
- ⇒ Do strength and balance exercises (classes offered at V.O.)
- ⇒ Review medicines that could make you dizzy or sleepy, check with your doctor
- ⇒ Immediately sit down if you feel lightheaded
- ⇒ Be careful around pets
- ⇒ Sit down when putting on underwear and pants

Have you ever asked yourself.....HOW SAFE IS MESA?

Mesa is ranked 8th in the nation for safest metropolitan cities, the only Arizona city to crack the Top 10. This is based on FBI statistics of an "aggregation of violent crimes and property crime per 1000 residents."

Venture Out statistics within Mesa are even better. Over the past 26 months, for example, VO had:

Accidents (3); Prowlers (1); Theft from residents – including bikes (17); Vehicular burglary (1); Residential burglary (4); Suspicious activity (11).

So you can see Mesa and Venture Out are very Safe and Secure places to live.

A FEW SAFETY AND SECURITY REMINDERS

Did you know that 911 calls are NO CHARGE, unless you are transported to the hospital via ambulance? Remember: Call 911 first, then have someone call VO security.

A Mesa Fire Safety Class will be held Wednesday, February 12 at 12:00 noon in the Oasis.

Do you know where your fire extinguisher is? Did you inspect it at the start of the season to make sure it was fully charged?

Even though our units are small, have you taken time to develop a FIRE EXIT PLAN?

With spring break visitors soon to be arriving....Remember, NO golf carts can be operated by anyone younger than 16 years of age.

WARNING: The park has many FIRESTICK coral plants. If you trim this plant the milky sap is very toxic, especially to the eyes, even in small amounts. Always wear gloves and keep them separate and away from the eyes.

Please.... Never leave space heaters unattended. We had an incident of a fire starting in a unit because this happened.

Drivers....do you have trouble keeping your vehicle under the 10 MPH park speed limit?

Solution....try driving in LOW GEAR.

Venture Out Memorial Trust Fund

The Venture Out Memorial Trust Fund, suggested by former owner Chet Rice and created by the Social Board, decided to offer the opportunity for families and friends of deceased residents to contribute money to a fund used for the benefit of all the residents in the park. Instead of placing small individual plaques throughout the park, a number of large plaques with the names of those memorialized would be hung in the Community Center.

This trust, established in 1995, is separate from all other funds and is administered by a committee appointed by the Social Board. The committee has its own financial account.

Since its inception, the Memorial Trust Fund has helped to purchase the following items: microphone and sound equipment, equipment used by Channel 17, a large contribution toward the building of the elevator in the previous Community Center, the purchase of computer and equipment for the AV group, the cost of applying for the Tax Exempt Foundation, money toward expenses for the construction of the Barbecue Pit area, and in 2015, \$3700 for 10 benches throughout Venture Out.

The committee follows definite guidelines. Any contributions received are considered *CASH GIFTS*; therefore, any *DESIGNATED GIFTS* cannot be accepted. All checks are to be made out to Venture Out Social Club.

The cost of the bronze nameplate, the engraving, the stationery and postage used for communicating with relatives of the deceased totals nearly \$25 per person.

When making a contribution to the Fund, be sure to indicate that you want your donation to go to the Memorial Fund so that it will be used for engraving the memorial plaques and be placed in the Memorial Account to fund such projects as are listed above. Contributions must be at least \$25. More is appreciated.

We urge you to view the plaques on the wall near the Sonoran in the Baja Bistro. **For those who wish to pay it forward (purchase your plaque now), you may do so, but at a minimum of \$25; again, more is appreciated.**

We are open for suggestions for how to spend some of this money. Please feel free to contact any of the Committee members listed below:

Marlice Fenske — Secretary/Treasurer
Connie Gorham — Member

JUDE JENSEN, 416 Merlin, I spend summers in Mounds View, Minnesota. I have been wintering in Venture Out for 8 years and been a homeowner since 2018. I am here 6 months of the year.

30 of my 44-year career was in supervisor and leadership positions in Corporate and Governmental entities. It involved working with large and diverse staff and clientele. Useful skills that I bring from this are budgeting and budget software. Also, I did special event planning for business meetings, retreats and celebrations.

Currently I have membership in Sunshine Carvers, Woodshop and Pickleball. I am the Vice President of Sunshine Carvers and the Gourd Art Instructor. I am the coordinator for "C" Group Pickleball Scrambles.

In the past, I was a member of Lapidary (2 years), Sewing (2 years), Clay Arts (1 year), Pet Association (3 years), Splashers (2 years), and Stitch and Chat for 4 years.

I believe the plethora of activities (sporting, hobbies, arts, music and games) all are the lifeblood of our community. I believe in the importance of varied activities and understand the value of having large clubs (pickleball, bocce and etc.) as well as small ones.

In order to conduct business at the Annual General Meeting the quorum shall be 10% of the Active Membership. A quorum will be

determined by the ticket count at the Annual Meeting as specified in Article IV, Section 2 of the By-Laws of the Venture Out Social Club, Inc.

Door prizes to include 2 tickets to the 2021-2022 Concert Series, 2 tickets to each of the Friday Night Dances, 2 tickets to New Years Eve Bash, an Arizona Basket, a Patio Fun Basket & More!

Board Nominees

RICHARD KANTAK, 906 Douglas, Nephi and I are from Seattle, Washington and have been homeowners since 2012, enjoying the park usually from November through April. We have two sons and four grandchildren.

I have actively supported and participated in the Pet Association and am currently serving as its President. I have interests in joining the Woodshop, Rock & Gem and Hiking Clubs soon. As a Social Club director though, I believe it's important to remember that we've over two dozen clubs across a wide variety of interests, each unique and yet with a common reliance on equitable resources, support, and opportunities.

I retired after 37 years at Boeing with an Electronics degree having worked in Engineering, lead and management positions. I managed division level Information Security/Governance and was a team leader adapting "LEAN Manufacturing" industrial methodology to a broader business and team deployable "LEAN Business Strategies" program.

I have many interesting and rewarding years of experience serving on boards that heavily relied on socializing and communication skills, and an ability to create environments where people felt at ease in expressing what were important to them.

Having served on various boards I've learned that being expressive doesn't mean having to talk, that understanding isn't the same as listening, and that sharing life's learnings is just as important as consensus learning throughout life. I am a consensus driven process, facts and data decision maker heavily relying on 360-degree communications and open professional relationships. I encourage participation and comradery, teaming and most important – creative brainstorming and out-of-the-box thinking.

I am more self-driven than most and while I don't know what makes a "great" director, I do know that good ones constantly hone and share their skill set. Directors must have abilities to set and reach goals, assign tasks and accept responsibilities, actively listen and effectively inquire, and know how and when to speak – all experiences I've learned over the years. I look forward to offering my experience and skills to the Social Board, contributing to its successes in reaching their goals.

Kay Biediger, 120 Navajo, I am from Missoula, Montana and have been here for 4 years and we live here 5-1/2 to 6 months of the year. Our first introduction to Venture Out was January – February 2017. We rented for the two months and by the end of our rental time, we purchased our Venture Out home.

I have a MS in Physical Therapy. My career included Assistant Professor at the University of Montana Physical Therapy Program for 6 years, then Director of Rehab Services for 25 years at Providence St. Patrick Hospital. I served as Secretary/Treasurer and President of Canyon River Ladies Golf League. I have served on the VO Social Board for 3 years, the last two on the Executive Team as Secretary and Vice President.

I have participated in numerous committees and have held leadership roles throughout my career, both professionally and recreationally. I have led team building exercises for rehab staff, led our rehab team to achieve accreditation status, have policy and procedures, and budgetary experience.

I have participated in Line Dancing, Pickleball, Glass Arts, Golf and Yoga, as well as classes in Lawn Bowling, Croquet and Shuffleboard. I served as a Glass Arts monitor for 2 years and also I attended Food Handler's classes.

I love the concept of volunteerism. Serving on the Social Board for the past 3 years, I have enjoyed meeting and interacting with wonderful people here at Venture Out. I have learned so much in the last 3 years and wish to continue serving one last term.

Recreation Update

March 12, 2021

The weather will be fabulous on Saturday, March 13, so be sure to get out and enjoy the day and the many Venture Out artists as they display their talent at the Art Walk scheduled throughout the community between 1:00 - 4:00 pm. Remember, if you decide to stop and view be sure you are wearing your mask.

The Annual Social Club Meeting and Election is being conducted on The Patio, Tuesday, March 16 beginning at 1:00 pm. 10% of lot owners in residency are needed for a quorum so please plan to attend this meeting. Information on the status of the clubs, the annual budget, the introduction of the new Board members plus several dynamic door prizes will be the focus of the day!

The Activity Office will close at noon on Tuesday, March 16 for the Social Club's Annual Meeting. Clubs are reminded that all activities are to be cancelled from 1:00 pm until the end of the Social Board meeting. Please support your Social Board and your Social Club by attending this important meeting.

Plan on dining in or taking out lunch or dinner from Tia Rosas Mexican Restaurant on Tuesday, March 16 as it is another of Venture Out's great Meal Deals! Present the flyer which can be found in this edition of the Out-Lines and the Venture Out Social Club will receive a 15% commission from your bill.

St. Patrick's Day will be one to remember at Venture Out this season. Start your day by searching for a green Blarney mylar balloon throughout the park's common areas. Once found, return it to the Activity Office for a wee prize of your choice. One balloon per household please! Then plan to eat lunch from Tommy's Fired Grill Food Truck where you can enjoy their pastrami sandwich or any of their gourmet burgers. Following lunch enjoy the St. Patrick's Day Parade scheduled to start at 2:00 pm. A map of the parade is included in today's Out-Lines. A day chock full of green merriment!

Please note - Measures will be taken to eliminate the long line at the Tommy's Wood Fired Grill Food Truck events.

Speaking of the parade. Have you planned your St. Patty's themed decorations for your golf cart or bike? There's still time for you to sign up in the Activity Office to take part in the parade and vie for the Best Decorated golf cart and bike prize. Deadlines to sign up is 10:00 am, Tuesday, March 16

Attention ticket holders! Due to the repair needed on the BBQ area solar panel the March 12 Name that Tune Trivia and the March 19 Happy Hour have been moved to the other side of the Activity Office by the Sonoran.

The Activity Office will begin its annual End of the season Food Drive beginning Monday, March 15. Non-perishable items may be dropped off to the marked food boxes outside the Activity Office front door. We will NOT be accepting perishable items this season.

Just a reminder the Take Out Tuesday food trucks for Tuesday, March 23 will be at Venture Out for dinner from 4:30 - 6:30 pm.

The Creative Writing Club will hold their Annual reading at The Patio on Saturday, March 20 beginning at 1:30 pm. Tickets are required for contract tracing purposes so be sure to sign up in the Activity Office if you'd like to attend this popular event. Donations accepted at the event.

The last Poker Run of the season is scheduled for Wednesday, March 24. Have you signed up and paid in the Activity Office yet? Last months winner took home a whopping \$291.00. Not bad for a \$4.00 investment!

A reminder that the West Pool will be closed to swimming activities on Wednesday, March 24 at 7:00 pm for the end of the year Splashers Night Volleyball Game. Once they are through play you can swim to your hearts content. Your cooperation is greatly appreciated.

The Saturday Santa Maria Tri-Tip Food Truck scheduled for March 27 has been moved to Saturday, April 3.

See you at The Patio for the Annual Social Club Meeting beginning at 1:00 pm!

Manager's Corner

March 12, 2021

This week's occupancy is 1040 or 60% vs. 1046 at the last reporting and 1631 for the year prior, there are currently 195 renters in the park. I believe that we are missing almost all our Canadians who typically make up 29% of the population, and so if they were here, we would almost be at the occupancy level we had last year. We look forward to their return next season.

The Block Captains have done a wonderful job scheduling over 175 residents for their Covid 19 vaccine appointments. They are getting fewer requests daily and many of the Captains are getting ready to go home for the season. As of Friday, the 12th at Noon, the Captains will cease their operation at the electronics club.

We encourage anyone that still needs assistance to come to the Administration Office and get the form to fill out. The Captains that are still in the park will work with the remaining residents that still need appointments.

Meanwhile Ted Clark put together an excellent reference sheet where you can easily click on the links below, or type into your browser, and go directly to a site for an appointment. They have also had great success calling in to one clinic for appointments for those that do not use a computer. In closing I want to thank this crew that has so diligently worked to get their neighbors vaccinated this season. They have made huge difference for people in the park most importantly our senior seniors. Thanks to Gordy Klofstad, Warren Lee, Ted Clark, Andy Anderson, Kelly Riepe, Terry Farris and Robert Hayes for a big job well done.

“I’m fully vaccinated what can I do now?”

The following information is taken directly from the CDC & Maricopa County’s Daily Covid-19 Updates and can be found at https://www.youtube.com/watch?v=IHpRup5onEc&ab_channel=MaricopaCounty
This applies to those who are at least TWO WEEKS, past their last shot.

“When at home you can safely gather with other vaccinated people without masks. You can also gather with unvaccinated people from ONE additional household without masks so long as those unvaccinated people are at low risk for severe Covid -19.

When in Public you should wear well -fitted masks and stay physically distant from others with the recommended six-foot distancing.

When in Public you should avoid medium and large gatherings.

Take preventative measures when visiting unvaccinated people from multiple households.

Take preventative measures when visiting unvaccinated people at risk of serious illness from Covid-19”

IN THE PARK

There are still numerous residents and staff who are not vaccinated. All Condo Board and Social Board protocols remain in effect, until such time that more of the population is vaccinated and government agencies relax the guidelines further.

To safely mingle with your friends, you can, (completely voluntary) come to the Administration Office, show us your completed vaccination card, and get a sticker for the back of your badge. Now you can socialize in small groups without your masks, following the guidelines above.

Guests are still not allowed on/in the common elements.

QUARNANTINE REQUIREMENTS

If you have been vaccinated and have the sticker on your badge, you may bypass the recommended quarantine rules at the clubs and in the park. Otherwise, all prior quarantine rules are in effect, which was a recommendation of 10 days of isolation upon your return to the Community.

HOLD ON TO AND PROTECT YOUR VACCINATION CARD

The CDC card issued to you is the easiest way to show you have been vaccinated. While many states keep vaccination records on file the information can be difficult to access. It is unknown at this time if this card will be required for use for air travel or many other applications. Until we know more, we recommend you put the card in a protective sleeve or laminate it and carry it with you in your wallet like a driver’s license. Make sure you write your name on your card.
