Don't be fooled by their name. Be ready to enjoy a little bit of fiddlin, a little bit of pickin and a whole lot of grinnin!

## **OH CANADA! — JANUARY 17**

What do Celine Dion, Michael Bublé, Shania Twain, Joni Mitchell, and Paul Anka have in Common? They are all incredible musicians who hail from our great neighboring country of Canada! Three amazing vocalists along with an incredible band will take you on a musical journey through Canada's awe-inspiring music history paying tribute to those musicians and bands who have taken the world by storm. This show is sure to bring down the house....or is that hoose, eh?

## **DOLLY PARTON TRIBUTE — JANUARY 31**

Karen Hester and her magnificent stage presence makes her one of the most sought-after Dolly Parton tribute artists in the world. Join this lively bundle of energy as she takes you down a musical path of Dolly Parton songs including favorites such as 9 to 5, Two Doors Down, A Coat of Many Colors and I will Always Love you. Karen has been the opening act for recording artists Trace Adkins and Ricky Van Shelton and is a member of the famous Tribute Troup. Her representation to one of the world's greatest female country singers will leave an impression on you for years to come.

## **CHANCE TINDER & PROJECT PRESLEY — FEBRUARY 14**

This multi-award-winning Elvis Presley Tribute Artist was discovered in Southern California more than 25 years ago by none other than Bill Medley of the musical super duo, "The Righteous Brothers". Bar none, Chance Tinder is the very best Elvis impersonator you will ever witness!

## **CARY LONG COMEDIAN— FEBRUARY 28**

Cary Long got his start on the hit television show "Star Search" with Ed McMahon and has since been seen on "Evening at the Improv", VH-1, Stand-Up with Rosie O'Donnell and two appearances on the "Tonight Show" with Jay Leno. His comedy is hysterically observational with much of his routine originating from day to day living such as the crazy and wonderful institution of marriage, the art of aging gracefully (or not), the skills required to shop with your spouse and much more. Cary Long's rib-tickling performance is clean, funny, age related and a must see!

## **FOREVER EVERLY — MARCH 14**

Without a doubt this performance will be the number-one-hit of the season!

*July, 2021*

This month's occupancy is 394 units or 23% vs. 432 in June and 405 a year ago. There are currently 37 renters in the park.

Today (Wednesday June 23<sup>rd</sup>) is the first day in months that we have had any kind of rainfall in the valley. We are really grateful for the break from the 117 degree heat of the last weeks. Staff might be forgiven if you see them outside dancing in the rain, it has been so long.

The Summer Newsletter was sent out via FASTMAIL also on the 23<sup>rd</sup>. We have only 106 residents now that do not have an e-mail address. Years ago we started sending out the summer newsletter using this method and it has saved thousands of dollars. The summer newsletter used to cost somewhere between \$6000 to \$8000 between printing and postage and our Canadian residents could expect two weeks to receive their packets.

This last year because of Covid we resorted to sending the Out-Lines out via Fastmail as well, with only a few hundred copies printed up for each issue. It seemed to work very well. So I hope everyone appreciates the ability to get their information quickly and have quality photos using these formats. We archive the issues on line usually for a few years.

The big summer projects, light and streets, have moved along with relatively few problems. We are still some weeks out waiting for the light heads but as soon as those are received, they will be installed and that project can be completed.

The solar structure repair, was designed and sent for permit review last week. We expect this will be under construction around September, totally dependent on the arrival of the new steel posts. This repair is being paid for by United Food Bank's insurance carrier.

The palms are currently being trimmed and I have received several compliments from the residents already about the professionalism of ILM. They are quite simply the best company we have ever worked with out here, so if you see them tell them thanks. The easement tree tops are all removed, they still have some trunks that must be removed and stump ground.

When you receive this summer's newsletter, which is full of information, please pay attention to two 'guest articles'. Gordy Klostad wrote an article on explaining easements and 'Why' and Kay Biediger wrote another one on 'Transmittals the more you know'. Every year we have new owners in the community and while all of this information has been published numerous times and in the case of the easements, can be found in the Governing Documents, we seem to have people who are unfamiliar with it.

Prior to Covid (two seasons ago) we had large information sessions on the easements. Every owner was notified in writing where there were issues and what needed to be done in order to be in compliance. Gordy and several Board members met with many owners to show them what changes needed to be made to come into compliance. Then we had to deal with Covid and all of that was placed on a back burner. Expect that this fall, when everyone returns, that we get back to that project in earnest. Some of you may well also be getting letters this summer if a hazard has been found, and we cannot wait for the fall.

An easement needs to be easily accessible by all Fire and Police personnel. It was only two years ago that we had a park model fire with a fatality. The ability of the firefighters to get back and move through those easements is what kept that fire from spreading. Utility providers also have their services in that strip of land. Venture Out's utilities, water sewer and irrigation are back in the easement as well. Too many times, we have had water line breaks that need to be quickly addressed but first we had to get the easements cleared.

Kay also explains the whys of transmittals. That any 'Change or Addition' to a common element must follow this process. That includes things as simple as paint or décor. The common elements belong to all the lot owners, so this process must be followed.

So watch for that summer newsletter, if you don't find it in your e-mails you will find it online on the website.

We hope you are all having a wonderful summer season.

# **Recreation Update**

*July, 2021*

It is exciting to finally see items being put on a calendar and we are getting to open up to more events. I thank everyone for their patience during the transition of my new position here at Venture Out. During this transition, I can assure you we are getting things in place for the summer, as well as upcoming season.

At the time of writing this article, we have the final round of chef interviews happening next week (June 28, 29 and 30). We have three strong candidates that will be cooking for the interview panel from a mystery box that has been put together. I want to say a big thank you to the interview panel that has been sitting through the interviews. They will be seeing the true test of each candidates talent using only the ingredients from the “mystery box”. Once everything is done, we will choose the best candidate for the position.

In anticipation whomever we bring in as the chef, we are setting up some lunch and dinner items; please look for further information on menus in the Out-Lines. Currently, we are asking for everyone to purchase tickets at the Activities Office; that way we will be able to anticipate how many to setup for and how much food to purchase. Plus, we just would love to see everyone’s smiling faces!

Happy Hour will be back for one Thursday each month during the summer. To stay within the guidelines of the Condo Board, Maricopa County and the CDC; we ask that everyone BYO Snack and Beverage. You can share among your table if you wish, but at this time we will not be offering any open potlucks or buffets. No signups are required, just come on up to the Baja Bistro to socialize with friends from 3:00 to 5:00 pm.

We have two game days scheduled in July. July 14th will be a Yahtzee Day and July 28th Scrabble. There will be no charge to come up and enjoy some friendly competition, but we will have some prizes for the winners. We are asking for you to reach out to the recreation department to signup, so we know how many to setup for and how many games/dice we will need. For both events, the tables will be set for 4. If you have received both vaccinations, then masks are not required.

On July 19 we are going to have a “Meet Your Social Staff” event in the Baja Bistro from 2:00 to 3:00 pm. Come by and meet the new staff that is coming in, along with saying hello to the wonderful staff that has been here. The chef will be preparing a nice little snack bag for all that participate. No signup need, just a drop-in event.

Over the summer months, we are going to have “Music by the Pool Day” where we serve Ice Cream and listen to some music. You will only have to purchase ice cream if you like, otherwise come up and enjoy some nice tunes in the Cabana or in the East Pool.

The Annual Water Drive is back in full swing. We are taking donations at the Activities Office through Thursday, September 23. Donations go to the local food bank during the hot months for those in need. We thank you in advance for your support of this drive.

We are always looking for suggestions and feedback. I look forward to seeing you soon!
