Recreation Update

October 22, 2021

When I started in April everyone was rolling out and now, I am seeing the buzz of everyone slowly coming back to the park. It is so exciting!

We have the Fall Tennis Classic starting next week and so many more upcoming events, please stop by the Activities Office to get your tickets for any and/or all events. If you didn't know, we are open Monday through

Friday from 8:00 am to 3:30 pm. The Activities Office will be closed for lunch from 12:00 to 1:00 pm.

I would like to thank all the volunteers that have come forward to help in the Activities Office, without volunteers we would not be able to do all we do for the community. Volunteering has been a staple for Venture Out since the beginning and we are looking to bring more people together to offer more fun events. Look for more information on volunteers in the next Venture Out-Lines.

Everyone should have their costumes chosen for the "You are What You Drink" Halloween Party. Tickets are available and we will be awarding prizes for Best Theme, Funniest, Scariest and Duo Costumes. Chef Arthur will be putting together some Drunken Nachos for dinner. Tickets needed to be purchased ahead of time

It has been long awaited and it is time to get your daubers ready, we are excited to see Bingo starting again in the Buena Vista Ballroom starting November 18th! We will be having a welcome back door prize and lots of fun games, the concession stand will be available. Remember doors open at 5:00 pm and games start at 6:30 pm. If you are interested in volunteering, Bingo is always looking to train new volunteers to help throughout the season.

Calling on Newcomers! We are starting our Newcomers Orientation on November 19th. Come to the Mojave Room at 9:30 am and we will be there to answer all questions you may have and introduce you to an ambassador. Both new homeowners and renters are welcome to attend the orientation

Is everyone ready for the Kickoff to the Season? November 20th is the Carnivale Homecoming Party and Street Dance. We will have the parking lot blocked off at the Community Center to have vendors setup and street performers roaming the area. Chef Arthur is going to be working with volunteers to serve a delightful Chicken and Sausage Jambalaya with Rice. Seatings for dinner will be: 3:30, 4:00, 4:30, 5:00 and 5:30 pm. Everyone will need to pick up dinner tickets from the Activities Office with their choice of seating time. Seating in the Bistro is smaller this year, so we ask that you please be courteous of other homeowners coming in 30 minutes after you. There will also be overflow seating available outside in the Grill Area and outside the Sonoran Café. After dinner, we will have a street dance at the Patio with the sounds of Uncorked: The Band.

Holidays are around the corner and for both Thanksgiving and Christmas we do have a Community Potluck. A big thank you to Bert Silberhorn for taking on the chairman role for the upcoming Thanksgiving Potluck. At this time, we are looking for a chairman/chairmen for the Christmas Potluck. If you are interested, please reach out to the Activities Office. Then, before we know it, here comes New Year's Eve. Tickets will be going on sell November 20th. We will be looking for some volunteers to help sell tickets. If you are interested, please reach out to Cheryl and Tom Eppings to help with sales. The New Year's Eve Dance is going to be reserved for residents and renters only, so you will need to bring your badges when purchasing tickets and only one ticket per badge. Thank you for your help and understanding of this.

If you have any ideas, suggestions or wants; please reach out to use at the Activities Office. We are always looking for your feedback, you will find comment cards at all events in the Baja Bistro. Welcome back to those that have been away for too long, safe travels to those on their way back! We look forward to seeing everyone soon!

Manager's Corner

October 22, 2021

At this time there are currently 569 residents in the park or 33% occupied vs. 439 at the last report and 395 the year prior. There are currently 67 renters in the park. Canadians will be able to drive over the Border starting November 8th. Let the parties begin!

The ladies on the front desk are finding that when they offer the voluntary vaccine sticker to anyone checking in, almost everyone has been vaccinated thus far. Again, that is **strictly voluntary**, if you wish to have a vaccine sticker for your badge, you can present your vaccine card at the front desk and the ladies will issue you one.

Even with a vaccine, we are hearing more and more about breakthrough Covid cases, which recently happened to one of our employees. In the last week I am personally aware of four breakthrough cases. We encourage everyone to take precautions especially when in small, enclosed spaces such as our ADMIN and Activity offices.

I have received many frustrated calls about the Post Office not keeping the posted hours. The manager at Falcon Field told me earlier this summer that they would try to keep the window hours as posted, but they are short handed, just like every other employer out there, and are re-assigning carriers daily to get the mail delivered. Months ago, I suggested that the Post Office install exterior package boxes so that the residents do not have to rely on the window being opened to get their packages. Now they are finally willing to discuss that. As these package boxes cost thousands of dollars, we want the Post Office to provide them. They will visit with us, hopefully this week to discuss this and get this in motion. I would not expect that if agreed to, they would be delivered rapidly. When we last discussed this option she told me that it takes up to a year from the time it is approved, to get them installed.

Just like the Post Office, Maintenance is short staffed. We are finding it very difficult to hire people right now, and one of our key employees must go out in November for surgery. So when you see the staff out there, please tell them Thank You. They are pulling a lot of extra weight. A big Thank you to David Frick/Maintenance Supervisor who is keeping all the balls in the air.

One of our new Security Hires Tina Hale has become our compliance officer/weed wrangler. She photos the houses with weeds and then contacts the owner directly. In almost every case, once the owner sees the extent of the weed problem, they are very grateful we are offering them a solution and get them pulled. We also are enlisting several lot owners to pull weeds and we appreciate their efforts. Many homeowners in the park have also been good neighbors and pulled for no charge. Ever so gradually the property is getting back to normal. HOWEVER, if you are not coming back until the first of the year, hire someone to get a pre-emergent sprayed, or there will be another crop before you arrive. This past monsoon season we had over 7 inches of rain in the park, which is only two inches less than average annual rainfall for Arizona. Tina, by the way is a 24-year military veteran AND a 20 year Scottsdale Police Officer, recently retired. We welcome her aboard in Security.

The Solar structure that was hit last spring is nearing completion. We are still awaiting the arrival of the purlins (the horizontal supports for the panels) to arrive and completion is anticipated the week of 10/25. The repair of this structure has taken so long due to three months of haggling with the United Food Bank's insurance company, and then once the proceeds were received, we were faced with the world wide supply issues for steel.

Real Estate continues to be hot. At last count there were thirteen units for sale between both brokers in the park. In all the years I have been here this is the lowest inventory we have ever had. Year-round occupancy is also increasing, in the last four years, occupancy increased from 200 the first week of August to this year of 388 or from 12% occupancy to 23%.

Go out and have a great weekend, the weather is beautiful!

CDC recommends:

If you are vaccinated, masks are strongly encouraged in public indoor settings in an area of substantial or high transmission and when unable to maintain social distancing.

Maricopa County is an area deemed high transmission per CDC. (<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>)

If you are non-vaccinated, masks are strongly encouraged to be worn indoors at all times.

In general, you do not need to wear a mask in outdoor settings. In areas with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities with close contact with others who are not fully vaccinated. (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>)

Practice social distancing (6 ft) indoors by designating particular workstations or areas using tape.

Schedules may need to be created to limit the number of participants per day and per hour to abide by social distancing rules.

When social distancing is not practical, wearing a mask is strongly encouraged.

Outdoors – social distancing is strongly encouraged.

Hand sanitizing stations are required at all indoor and outdoor common facilities.

When you get home, wash your hands with soap and water for at least 20 seconds.

Disinfectant cleaning procedures for equipment, tools, workstations, tables, chairs, etc. are required.

Club monitors will be trained on club specific sanitizing procedures, including workstations, equipment and bathrooms, where applicable.

Disinfectant and hand sanitizers are to be purchased through club dues or donations. Clubs may want to add a surcharge to your dues to cover the cost of sanitation supplies.

Disinfectant and hand sanitizer may be purchased through the Activity Department.

Meetings are allowed indoors with the above CDC masks recommendations and social distancing. We encourage outside meetings or use of virtual meetings.

Within club common facilities, pre-bagged, individualized portion of food will be allowed. For example, home-baked cookies or store-bought donuts should be placed in an individual sandwich baggie or small plate.

Outside guests registered through Administration are allowed to use club facilities as long as they have a resident with them.

Clubs may make the determination as to whether they wish to allow visitors, tours of their facilities and open houses, utilizing the above CDC mask recommendations, social distancing and use of hand sanitizer.
