STAR VOLUNTEER

Venture Out means a lot more than Adventure. There are Volunteer Opportunities galore. Venture Out is able to provide the entertainment, hobby clubs, and numerous activities because the residents volunteer to assist with the many tasks each of these entails. It's also a great way to use some of the many talents each of you has and to meet new friends. Some residents volunteer many hours and never get a pay raise other than your "thank you". If you know someone who is a super volunteer, nominate them for "Star" recognition. Submission forms are available in the Activity Center.

Out-Lines Assembly Volunteers:

Out-Lines Assembly has begun in the Baja Bistro. The Next date is Friday December 17 starting at 7:00 am!

"Help Wanted"

The Activity Office is currently looking for volunteers for the following office positions:

- ◆ Afternoon receptionist position Monday from 1:00 to 3:30 pm
 - ◆ Morning receptionist position Tuesday from 1:00 to 3:30 pm
- If interested, please contact Jeanette Shain at offmgr@VentureOutRVResort.com, 480-832-9000 or in the Activity Office.

If you are a vulnerable individual with serious underlying health conditions.

CLUB AND RECREATION EVENTS COVID RULES:

Mask wearing:

CDC recommends:

If you are vaccinated, masks are strongly encouraged in public indoor settings in an area of substantial or high transmission and when unable to maintain social distancing. Maricopa County is an area deemed high transmission per CDC. (<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>)

If you are non-vaccinated, masks are strongly encouraged to be worn indoors at all times.

In general, you do not need to wear a mask in outdoor settings. In areas with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities with close contact with others who are not fully vaccinated. (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>)

Practice social distancing (6 ft) indoors by designating particular workstations or areas using tape.

Schedules may need to be created to limit the number of participants per day and per hour to abide by social distancing rules.

When social distancing is not practical, wearing a mask is strongly encouraged.

Outdoors – social distancing is strongly encouraged.

Hand sanitizing stations are required at all indoor and outdoor common facilities.

When you get home, wash your hands with soap and water for at least 20 seconds.

Disinfectant cleaning procedures for equipment, tools, workstations, tables, chairs, etc. are required.

Club monitors will be trained on club specific sanitizing procedures, including workstations, equipment and bathrooms, where applicable.

Disinfectant and hand sanitizers are to be purchased through club dues or donations.

Clubs may want to add a surcharge to your dues to cover the cost of sanitation supplies.

CLUB AND RECREATION EVENTS COVID RULES (Continued)

Effective: September 28, 2021

Disinfectant and hand sanitizer may be purchased through the Activity Department.

Meetings are allowed indoors with the above CDC masks recommendations and social distancing. We encourage outside meetings or use of virtual meetings.

Within club common facilities, pre-bagged, individualized portion of food will be allowed. For example, home-baked cookies or store-bought donuts should be placed in an individual sandwich baggie or small plate.

Outside guests registered through Administration are allowed to use club facilities as long as they have a resident with them.

Clubs may make the determination as to whether they wish to allow visitors, tours of their facilities and open houses, utilizing the above CDC mask recommendations, social distancing and use of hand sanitizer.

Tournaments, League Play, Friday Night / Fundraiser Dances and Bingo

Tournaments, League Play, Friday Night / Fundraiser Dances and Bingo are allowed with the following guidelines:

Maricopa County is an area deemed high transmission per CDC. (<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>)

If you are non-vaccinated, masks are strongly encouraged at indoor venues at all times.

In general, you do not need to wear a mask in outdoor settings. In areas with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities with close contact with others who are not fully vaccinated. Transmittals

Transmittals – The More You Know

Transmittals are an important avenue for residents, clubs and employees to request improvements, modifications, additions, or other changes to recreational facilities, meeting rooms or other common elements of Venture Out of Mesa, Inc. A Transmittal application is needed for any change, improvement, modification, or addition even as small as requesting a directional street sign, adding lights to the post office, adding art sculptures to the pet area, replacing sand in the horseshoe pits, installing a handicap toilet in a club bathroom, or as large as, installing pickleball court lights or a new ham radio antenna.

All Transmittals are reviewed by the Transmittal Committee. The Transmittal Committee includes two (2) representatives from the Social Board, one (1) representative from Condo Board, one (1) representative from Planning Committee, our General Manager and our Activity Director. Transmittal applications are reviewed for an understanding of the project, rationale or statement of need, specifications and supporting documentation. After review by the Transmittal Committee, the Transmittal applications are reviewed by both the Condominium Board and the Social Board for the next phase in the review process. The following criteria are considered in the review by the Boards:

1. Suitability in recreational context
2. Conflicts with other projects or activities
3. Benefits
4. Disadvantages and possible liabilities
5. Implementation issues including time, cost and labor
6. Safety concerns
7. Best strategy to address the request.

Some Transmittal applications may be considered maintenance and completed through Administration, while others may be considered Long Range or denied entirely. Those applications approved in concept by the two Boards will be assigned to the appropriate committee, such as, Planning, Infrastructure, or Safety and Security for additional planning and detail so that we can secure appropriate cost estimates.

Any lot owner, club, or employee of Venture Out may submit a transmittal application to the Transmittal Committee for consideration. Transmittal applications are accepted anytime, however, the transmittal must be submitted on or before November 15th for consideration in the next fiscal year budget process. Transmittal applications are available in the Activity Office or on the Venture Out website at www.ventureoutvresort.com. Completed Transmittal applications are submitted to the Activity Office.

We hope that this article clarifies any questions you had about why a Transmittal is needed, who can submit a Transmittal, where do you get an application, when do you need to submit the application for consideration and the process for approval or denial. The more you understand, the more we can improve, modify or change our recreational facilities or other common elements with thoughtful planning for the betterment of our park.

Recreation Update

December 3, 2021

Homecoming has come and gone, I would like to thank the Social Board, Condo Board, the volunteers and great staff for making this event the success it was. Now Christmas is upon us and I must say a HUGE thank you to Tom and Cheryl Epping for getting the volunteers together to do the amazing decorations around the Community Center and other buildings. As well, a BIG thank you to Handymen for stringing lights from front to back and left to right, the light show is truly amazing around the park.

Speaking of Christmas Lights... we are changing things up a little this year. For the Christmas Light Contest, we are having our residents vote for best Individual, Corner, Block and Day Time Lot(s). See the voting ballot in this month's Outlines. Voting will be open from December 3 through December 17. Join us in the Buena Vista Ballroom on December 20 to announce the winners, enjoy some punch and cookies while enjoying the sounds of the Holiday Season as Jon Farrey and Dave Beyer perform. Come up early to see the luminaries as we pay tribute to those that have left us over the last 2 years. We ask that you bring a canned item for the food bank.

Norma Nash will be heading up the Salvation Army Christmas Angel Tree this year. Due to the rise of Covid, they are not asking anyone to go shopping for present and asking for cash/check donations. Stop by the Community Center to help a child in need, times are listed in this issue.

Volunteers are the heartbeat of our community and we are looking to get more people active in the VO Community. Join us on Friday, December 10 at 1:30 pm in the Baja Bistro. We will be talking about Volunteer Opportunities and will have sign up sheets available for those that would like to help in their community. If you are new to Venture Out, this is a great way to meet fellow residents and help your community. Remember it is thanks to volunteers that we can keep our prices down and we can offer all the things we do.

It has been published several times in the Out-Lines, but we are looking for a Christmas Dinner Chairman. If we do not get someone to step up by December 8, we are going to have to cancel the Christmas Dinner this year. If you are interested in Chairing, please reach out to the Activities Office. As soon as we get a chair, we will send out a fast mail asking for hosts/hostesses.

Mark your calendars for January 27, we will be having another PDY (Patio-Driveway-Yard) Sale. You will need to register through the Activities Office, pickup your table the day before the event and sell. All verified vendors will get a balloon for paying to participate.

We always welcome your feedback and suggestions; we have a sheet in the front office to fill out or you can email me at recdir@ventureoutvresort.com. If you are at an event in the Bistro please fill out a comment card, yes we do read them. We look forward to seeing you soon and stay safe. Happy Holidays!

Manager's Corner

December 3, 2021

This week's occupancy is 1122 or 64% occupied vs. 1031 at last report, and 715 one year prior. There are currently 164 renters in the park.

We are recently seeing some breakout cases of Covid in the Park. Unfortunately, those in the offices are often on the front lines and can be exposed. We are asking that everyone that comes into our offices both

Activity and Admin wear a mask for the few short minutes you are in there. That will help us all immensely since they are small, confined spaces and not with the best ventilation. The employees and volunteers must keep working. We don't have the option to close every time we learn that someone with Covid has been in the offices. We are going to have to operate under the assumption that we might be exposed daily to this virus, so we ask you for your help.

If you have been diagnosed with Covid, please do not expose others and quarantine at home until the recommended ten days have elapsed. For those that have not heard about it there are infusion centers in the valley for a treatment called Monoclonal antibodies, which are reserved for those who run the greatest risk of severe illness, most often Seniors. There are several located in this area in and around Banner Hospital. I have personal knowledge of three persons in their 80's taking those infusions and turning the virus into nothing worse than a bad head cold. Ask your Doctor about them immediately if you are diagnosed.

So please keep taking precautions. We can't really say when this will be over, but if we continue to follow safe practices particularly when we are indoors, I'm certain we will soldier on through this too.

Bathhouse # 3 should finally be re-opened this week. All the paperwork, design approval, the actual work and then, most frustrating, getting the red tape issues resolved, so that Southwest Gas would turn the gas back on, has taken 30 days.

This past Holiday the City of Mesa would not pick up the garbage on Friday due to all the trash that was piled around and in front of the container, preventing them from hooking up the roll offs. I did ask people to hold construction and large debris until after the Holiday. That didn't happen, and so that was the result. Hopefully this next Holiday, everyone will remember this and help us keep those containers clear.

People are returning to Venture Out and we are checking in about a 100 units a week. Because January 1st. falls on a Saturday this year, if you are renting your home out, make sure the paper work is received one week early and is precise as to when they can pick up the keys and take possession of the unit. If we do not have express permission from the homeowner to leave the keys at the front gate that weekend, OR, to allow them to occupy the home early, your renters will spend the Holiday weekend in a hotel somewhere. So its incumbent on you to make sure Admin has good instructions as to when they can get the keys for a smooth rental procedure.

Town Hall will be next Wednesday the 8th at 1:00 P.M. With recent Covid outbreaks in the park we are looking at several ways we can broadcast the meeting without you having to be physically present. We have not tried the Owl/Zoom system in the Ballroom yet so it may be acoustically challenged due to its size and not possible. It will be filmed on Channel 17, and we can link it to a private YouTube channel on the Website if you wish to watch it at your Leisure and of course repeatedly on a loop on channel 17. We will spread the chairs out in the Ballroom to achieve the best we can in Social distancing and encourage masks for all participants.

There will be a lot of interesting topics so we look forward to seeing you there in one form or another. Hopefully virtually or live.
