What are Mini Splits and Why Should I Care?

Jeri Robbins for the Architecture Committee

Are you thinking about a rebuild, adding an Arizona Room or needing a new air conditioner? Ductless heat pumps, often referred to as **mini splits**, have been used in Europe for years but are rapidly becoming more and more popular in the United States. Despite their popularity, many homeowners don't understand how mini splits work. Mini splits are best for multi-zone cooling and heating, which is a way of home climate control that divides your home into zones of different temperatures. This method keeps frequently used rooms comfortable and saves money by not overly heating or cooling unused rooms.

The mini splits can be adjusted independently of one another, so you can change the temperature in each room or zone. No duct work required: With a mini split system, you can add air conditioning/heating to your home without those elephant trunks running under your home or through your attic. This allows you to install them in new additions to your home, in a garage or in a workshop or an Arizona Room. Affordability: Choosing a mini split system is cheaper for both retrofitting your home or building from the ground up. It also takes less time to install a mini split system.

Heating capabilities: Mini splits with heat pumps are becoming increasingly more common. A heat pump allows your mini split to both heat and cool your room.

Versatility: Mini split systems can be installed in a variety of orientations based on your home's configuration. Floor-mount, ceiling-recessed and horizontal-ducted configurations are common.

Easy installation: Ductless air conditioning systems are easier to install than standard A/C units and weigh less.

Energy efficiency: Ductless systems don't lose hot or cold air due to duct leakage. Most mini split systems are approximately 20 to 30 percent more efficient than ducted systems.

Multi-purpose: Mini splits also offer dehumidifying and air purifying benefits.

With mini splits there is no duct work so there are no vent in the floor and no cold air return. No problem with covering over vents with furniture.

Designed to be energy efficient, mini split systems are also a smart buy for the eco-conscious homeowner. As with all HVAC systems, a park permit is required.

STAR VOLUNTEER

Venture Out means a lot more than Adventure. There are Volunteer Opportunities galore. Venture Out is able to provide the entertainment, hobby clubs, and numerous activities because the residents volunteer to assist with the many tasks each of these entails. It's also a great way to use some of the many talents each of you has and to meet new friends. Some residents volunteer many hours and never get a pay raise other than your "thank you". If you know someone who is a super volunteer, nominate them for "Star" recognition. Submission forms are available in the Activity Center.

NOTICE OF ANNUAL MEETING OF MEMBERS OF VENTURE OUT AT MESA, INC., A CONDOMINIUM

Pursuant to Article III, Section 2, of the Bylaws of Venture Out at Mesa, Inc., a condominium, the Annual Meeting of members has been called to be held in the Buena Vista Ballroom at Venture Out Mesa, Inc., 5001 East Main Street, Mesa, Arizona 85205 with the meeting declared officially open at 1:00 P.M. on WEDNESDAY, FEBRUARY 16, 2022, for the following purposes:

ELECTION OF DIRECTORS: Election of four (4) Directors for the Condominium Board.

The three Directors receiving the largest number of votes will be serving three-year terms and the Director chosen with the fourth highest number of votes will serve the remainder of a one-year term (the remaining term of office that was vacated). The members leaving the Board are Byron Snowden, Greg Shelby and Kay Hanks.

There are three (3) propositions on the ballot for approval. Transact all such other business as may properly be presented at this meeting.

Please complete the ballot following the instructions from the Electronic Vote Service Provider, if you have registered to vote electronically. Or place the printed ballot mailed to you in the **return** envelope and **MAIL** to the return address on the envelope. **Only one ballot per lot in the envelope. All ballots received electronically or by regular mail after 4:00 P.M. Arizona time the day prior to the Annual Meeting will not be counted. All voting will cease at 4:00 P.M. the day prior to the annual meeting. The service provider will deliver the electronically tabulated votes to the Venture Out Election Committee Chairman no later than 1:00 P.M. Arizona time the day of the Annual Meeting.** Last minute ballots may be hand-delivered to the Corporate Secretary in the Administration Office before 4:00 P.M., TUESDAY, FEBRUARY 15, 2022. **All voting will be by Absentee ballot, either electronic vote or written paper ballot mailed to you; there will be no voting the day of the Annual Meeting.**

We need your participation to ensure a quorum is present. The Annual Meeting will be declared officially open at 1:00 P.M. on Wednesday, February 16, 2022. **The Board encourages all lot owners to vote and attend the Annual Meeting.**

Concert Series

Cary Long

Cary Long got his start on the hit television show "Star Search" with Ed McMahon and has since been seen on "Evening at the Improv", VH-1, Stand-Up with Rosie O'Donnell and two appearances on the "Tonight Show" with Jay Leno. His comedy is hysterically observational with much of his routine originating from day to day living such as the crazy and wonderful institution of marriage, the art of aging gracefully (or not), the skills required to shop with your spouse and much more. Cary Long's rib-tickling performance is clean, funny, age related and a must see!

2022 Condo Board

Jeri Robbins, 217 Debonair, I have been in Venture Out for 25+ years and a lot owner all but 3 of those years. We are in the park October through May.

Gary and I started while in college (BA in Psychology), buying and renovating property to rent. I designed the remodels and we did most of the work ourselves. I then managed the rentals. We have moved over forty times. In between moves and managing rentals, I have taught school (grades 6-12), been Activity Director and then Manager for a summer camp, tested milk for dairies, and managed eight political campaigns (6 wins, 2 losses), written a column for the country newspaper, and worked in reservations for an airline.

Most of my community service has been through my church. I served on the vestry (church governing board), Diocesan Long Range Planning Committee, Chair of Artisan Holiday Show and Women's Camp Director.

I could be considered a Jack of all Trades which gives me a wide perspective on things. I have learned that there is always a solution to a problem. I am good at communicating. In a committee setting, I am the person with lots of ideas.

Over the years I have worked off and on in the Activity Office, been a member of Electronics, Wood Shop and Sewing. I did proof reading for Jon and wrote VO Voices. I was a Director on the Social Board for 3 ½ years (the half was to fill in). I am currently a member of Electronics as a Member-at-Large of the Board. I served as Treasurer, Education Director, and acting President all in one year. I have been active as Co-chair to Creative Writing. I served on Long Range Planning and was Chair of the Solar Committee.

Lorraine Hee, 140 Navajo, I have lived in the park since 2013. Like many of you, I came down for a month and within the month I purchased a home. I am considered a year rounder.

I grew up in Honolulu, Hawaii; however, prior to my life here at VO, I spent my career in Washington State as an educator and retired as an educational administrator. When I first got here to VO, I had joined the Lapidary and then the Glass Arts in the following year. I also spent many years helping in the kitchen and volunteering in the Activity Office. I then ran for the Social Board; and ended up serving a two-year term (a total of six years) on the Social Board. While serving on the Social Board, my volunteer time was serving VO Residents through the Social Board.

Although my years as an administrator assisted me; I was further able to use my leadership skills while serving on the Social Board. I believe that my experiences on the Social Board and working with the Condo Board during my time on the Social Board helps me to better understand what the Condo Board does.

As I stated earlier, I spent the last 6 years on the Social Board of which my last 3 years were spent as the President of the Social Board. While the President of the Social Board, I also served as the liaison of the Social Board to the Condo Board. Therefore, I basically served the past three years as an active participant on the Condo Board discussing various issues. In my first year as the President of the Social Board, I met with the then President of the Condo Board, Alice Anderson, weekly to repair the damage that was done in 2017. This communication began the cooperative communication between the two Boards. To this date, the two Boards continue to have their meetings of the Presidents and Vice Presidents as well as the 4x4 or meetings of the executive boards and the 9x9 or meetings of both boards. I believe that this form of communication has assisted greatly in keeping the two boards working together for the betterment of Venture Out. I was able to provide some valuable information that assisted in their decisions. In addition, I continue to follow both the Social Board and Condo Board meetings so that I can continue to stay abreast of the current issues each Board faces.

When elected and on the Condo Board, I will continue to work for and with the residents in continuing to focus on what's best for Venture Out. I appreciate your support in this endeavor.

Board Nominees

Byron Snowden, I live at 125 Merlin. I am in VO for 7 months per year.

I was a Product Line Manager for ExxonMobil covering the Western Hemisphere. I have been retired from XOM since 2004. I then tutored Math and Science in a Middle School for 12 years.

I have been on the Condo Board for 3 years, serving as President this last year. Before that, I was on the Facilities Planning Committee for 8 years, two as Chair, the Governing Documents Committee for 3 years, and the Communications Committee for 1 year.

I participate in Pickleball, Bocce, & Lapidary. My goals for the Condo Board are to continue to serve the residents of VO as safely and equitably as possible given the times we are in. Specific objectives are:

Finish the West Pool Replacement Project and the 48-inch drain lining project. Both projects have been studied and vetted by outside consultants and by VO's Infrastructure Committee and deemed in need of replacement (pool) and repair (drainpipe) as quickly as possible.

Develop a funding mechanism that puts VO's Reserve Fund on a solid path towards achieving our funding level goals while protecting, replacing, and improving park infrastructure and future capital improvement needs.

Complete VO's Long-Range Plan that outlines our next 10 years goals and needs in our quest to keep VO the premier park it is.

Update and modernize VO's Governing Documents to better reflect the current needs and operations of the park.

Gary Pfab, 501 Douglas, my wife, Roxanne, and I have been married for 14 years. I have a daughter and one granddaughter. We have been residents of Venture Out for the last five seasons.

For my occupation I have been an Auto Mechanic, and John Deere Experimental for 2 years, and then a Used Car dealer for 35 years at my own dealership in the same location. I am a member of the Nativity Parish.

The skills, experience, and knowledge that I come with are mechanical and construction experience. I have done several commercial redo's. I was my own General Contractor on a 13,800 square foot building involving six hundred yards of concrete. In the park, I remodeled an older unit, made a raised Arizona room unit compliant by cutting off back corner, tore down and built a new unit with help from my friends and more real estate transactions.

The clubs and activities I have participated in are the Splashers, Bocce, and helped with 50/50 tickets, co-chair one dance a month with my wife Roxanne and food handlers.

I have been involved in zoning and variance issues and in construction activities. I have successfully dealt with the public in my own business for 36 years in the same location.

Save the date of **Saturday, March 5**. Anyone interested in helping to organize or attend the party, please call/text Sue at above number. Tickets will be on sale **February 14**.

AMATEUR RADIO CLUB

On **February 5** at **10:00 am**, the VOARC is having its annual Fox Hunt, where members search with handheld antennas for a hidden transmitter signal located somewhere in VO. Just prior to the Hunt, the annual club picture will be taken. Doughnuts will be served! On **February 23**, Sunlife Radio Club will be sponsoring the annual Winter Field Day at Red Mountain Park, where members use their radios to try to contact other ham radio operators over long distances. This is a great opportunity for those who are new to the hobby to practice making contacts around the country and maybe, the world.

ATTENTION CRIBBAGE PLAYERS

Tom Gorham
763-245-6058

After breaking our 34-year run, it is time to start anew with the Annual U.S.A. vs. Canada Cribbage Tournament! It will be played on **Sunday, February 13, 20 and 27 at 1:00 pm** in the **Sonoran**. Partners will play together the entire tournament, so grab a partner or show up and we will find a partner for you. •

BIKING GROUP

Mike Gould
308-532-5608

We meet **Thursdays at 9:00 am** in front of the **Activity Office** on the SW side of the Community Center. We will leisurely

cruise bike trails, canal paths and residential streets averaging 10 mph, more or less. Gravel may be encountered occasionally. We sometimes visit a coffee house so bring a few bucks for our jaunts. Usually travel 10-20 total miles and return to VO by noonish. Carry water and a snack. Dress for the weather. Helmets encouraged. No fees. Informal. Upcoming rides include Falcon Field, Old Town Gilbert, Spring Baseball Training Sites and Agritopia. Let's Roll!•

BOCCE BALL CLUB

Sandra Sheph
563-583-8883

If you would like to learn more and/or improve your game, lessons are available on **Wednesdays at 9:00 am**. Congratulations to our January Doubles Tournament winners: Don Ferrari and Wendell Wilkie and the Singles Tournament winner: Don Hamilton. The Bocce Fun Day will be **February 23 at 2:00 pm** with \$3 Burgers for all VO residents. The last club meeting for the season will be **March 2 at 9:00 am** in the Oasis. The election of 2 board members will take place at this meeting and we encourage all members to attend.

CROQUET

Mary Waitrovich

Every year our club has both singles and doubles tournaments. Please don't think you can't play in a tournament because they are intended for all skill levels and all are welcome. Really, it is just a chance to play a LOT of croquet in a given week. Our singles tournament will be March 14, 15, and 16. Doubles tournament will be March 21, 22, and 23. Please sign up to play! Sign-up sheets for the tournaments will appear on the shed door

soon! The croquet court and the equipment are available every day for open play for everyone whether you are a member or not.

ponds, retention basins and groundwater from contaminated stormwater. Wastewater from toilets, sinks, showers, washing machines etc. is treated to make it clean and reusable. Stormwater runoff is untreated. It is allowed to fill our drains, ditches, retention basins, ponds, rivers and eventually our groundwater. The next two issues of the Out-Lines will cover ways we can reduce contamination in our stormwater.

HAMS AT HEART

Karen Stratton
208-866-5248

Hams at Heart, VO's musical theater club, will hold our annual general meeting on **Monday, February 28 at 4:00 pm** in the EPC Cabana. We will elect a new Board of Directors and discuss next season's production. The club will be taking nominations for all four executive board positions prior to this meeting. Past Hams members and prospective new members are welcome to participate in the nomination process and attend the meeting. Please contact Karen Stratton to submit nominations. Tickets to our 2022 production will be available in the activity office until sold out. Stay tuned for audition dates for our 2023 production in the February Out-Lines. •

HIKING GROUP

Jim Cox
515-999-9554

We offer three fun hikes of varying distances, elevation gain and difficulty on **Mondays** plus a **Wednesday** bonus hike. The Venturing Soles typically go longer distances with more elevation. Happy Hikers go middle distances and the Tortoise Trekkers go

shorter distances. Everyone is welcome, but contact Bob Schneider at 715.588.3034 for a capability check if you haven't been on one of our hikes before. Arrive at the Activity Center **no later than 7:45 AM** to arrange carpooling. See the weekly hike details posted at the Sign-up wall in the Post Office. *Sign-up for Tortoise Trekkers or Happy Hiker events required!*

KITCHEN BAND

Maggie Kleisath
608-732-6686

The Kitchen Band continues to rehearse in the **Oasis** every **Monday at 2:00 pm**. All are welcome to join us. No previous experience is needed. We will be using kazoos and teapots. If you have them, bring them along. If not, we have extras. Since we don't have many opportunities to play concerts this year, feel free to come to the **Oasis** on **Mondays at 2:00 pm** to listen to us play. Otherwise come listen to us perform at the Blueberry Pancake Breakfast on **Saturday, February 12**.

LAWN BOWLING

Mardal Flynn
431-336-1172

Come join us at Lawn Bowls. It is a very challenging game. Lessons are **Thursdays at 10:45 am**. Please wear flat shoes. We do not have league play so our members play only when they show up for games. We make up the teams

from those who choose to play that day. We play everyday at **8:45 am** and/or **12:45 pm**. Please arrive a few minutes early. We would love to see you join us.

MINNESOTA PARTY UPDATE

PICKLEBALL

Judy Schad

At the January General Membership meeting Ewald Kunstle, Mr. Pickleball, was awarded a plaque for bringing Pickleball to Venture Out. The Firefighters Pickleball Throw-Down was a great success. We raised \$1,500 for the Firefighters Charity and fun was had by all! **February 1-3** is the All-City Tournament. Everyone is invited to come for good food, good pickleball, good fun. **February 18** is "Sweethearts Under the Lights" with details to be announced. The feedback we hear from our members is everyone is favoring outdoor events. March 7-8-9 is the In-House Tournament. **March 20** is the Wrap-Up Party-still in the planning stages but looking to be outdoors. •

ROCK & GEM LAPIDARY

Steve Wood
563-468-1187

Hello from Rock & Gem where we bring amazing things to light. Please stop by for a visit or lesson. We have a lot going on including the great Chicken Cordon Bleu dinner on **February 16**. This sellout dinner will have two seatings and tickets go fast.

Please stop by the shop - we enjoy company. •

SASKATCHEWAN PARTY

Eda Wilburn

Bob and Barb Schneider of 212 Debonair are the **January winners of the Desert Landscaping Award**, even though their yard has no plants! Bob wanted a maintenance-free front yard. So Barb found Rusty, their "Caballo de Hojalta" or horse of tin on the corner of Main and Val Vista, and added some decorative rocks and a weathered tree limb. No irrigation needed. If you know of an attractive front yard that uses little or no irrigation, nominate a winner by contacting annette2000@gmail.com.

It's Time To Register **YOUR PET**

Annual pet registration is required at Venture Out and begins July 1 for the coming season. Proof of current rabies vaccination is needed for dogs. Upon registration, a tag will be issued which must be attached to the collar or harness of the pet.

Rules:

1. Pets are to be on leash unless in the gated pet exercise area. Maximum length 5 ft.
2. Always pick up after your pet.
3. Use the Entrance and Exits as marked. Doing so helps control odor for nearby residents and will assist with social distancing.
4. The pet wash is available for your use. Please bring and take your own supplies. Don't leave anything behind.

Recreation Update

February 11, 2022

The chill has left and it has been absolutely beautiful these last few days, this is why we come to Arizona! This is also why January, February and March are the busiest of the year. We have some exceptional events coming up, along with a End of Year Blowout on Saturday, March 26.

If you have been to the Grapevine, Social Board or Volunteer Meeting; you have heard us talking about Russ Morfeld retiring from Bingo. Russ and I talked on Monday and he asked that I remind our residents how important Bingo is to Venture Out. Bingo pays for all the Christmas Lights every year for the park. Over the years Bingo has bought benches, pool furniture, fitness equipment and many more items. We are really looking for someone to step into this roll to finish out the season with Russ and then Russ will come back next year to help transition over. If you have any questions about how everything operates, please reach out to Russ directly and he will be happy to let you know the ins and outs of Bingo here at VO. Thank you, Russ!

Speaking of volunteers, we have a meeting on February 11 and another on March 11. Both will be at 1:30 pm in the Baja Bistro. Beyond Bingo, we are also looking for volunteers for the Audio Visual Club, Friday Night Dances and Library. Join us at a meeting to find out more information or stop by the Activities Office and ask. We thank all our volunteers for all the work they do, you ALL make Venture Out a great place to work and live.

Due to Covid, the Wednesday, February 9 Solos Concert was rescheduled. Please mark your calendars for Tuesday, March 22. We will honor all tickets. If you will no longer be able to attend, please stop by the Activities Office for a refund.

Join us for our bi-weekly Grapevine (followed by Meet the Social Board Candidates) on Monday, March 21. The new Social Board Candidates will be introduced, followed by a questions and answer session with Kay Biediger Social Board President.

As of this publication, I am in the works on finalizing the Concert Series for next year. As of right now, three acts are confirmed with dates: Ted Vigil (John Denver Tribute), Kevin Johnson Ventriloquist and Jeff Dayton (Glenn Campbell Tribute). The other acts we are getting final dates on: ABBA Fab, Mick Adams and the Stones and Sherie Rae Parker (Bette Midler). Once the final dates are set, we will be working out some special details on selling tickets towards the middle of March. Information will be in the February 25 Out-Lines.

The Year End of Blowout is going to be happening on Saturday, March 26 at the Sports Complex. I am currently working with a couple clubs to put together the final details for this event, so please watch for more information forth coming. We will share the final details via email and in the next Out-Lines printing.

Any Club that does a fundraiser, mark your calendars for a special meeting. On Thursday, March 3 at 2:00 pm in the Baja Bistro, we are going to have a special calendar meeting to get all the dates set for 2022-2023 Club Fundraisers. Only one or two representatives are needed from each Club. Something new we are trying this year and look forward to working out all the details before everyone leaves for the season.

I would like to thank all the residents and volunteers who help throughout the season. From working in the office, to volunteering to cook, taking tickets, ushers at our concerts and volunteering to chair a dance; you are all what makes VO and the heartbeat of our park. If you have any ideas, suggestions, feedback (both good and bad!); please reach out to us in the Activities Office. Enjoy the many activities that are here to keep you busy.

Manager's Corner

February 11, 2022

This week's occupancy is 1489 or 86% occupied vs. 1415 at the last report and 1050 the year prior. There are currently 341 renters in the park.

We are sorry the back gate is down. Around midnight this Wednesday, we had an unknown male attempt repeatedly to nudge and then finally hit the back gate to gain entry. By the time that Security made it back to the gate, he was gone, and the gate and the drop arm were severely damaged. We will get it operational as soon as possible. The Mesa PD has all the film of the incident and are attempting to identify the culprit. We do think, by his actions, he was inebriated and at the wrong place, rather than some kind of malicious intent. Until further notice come through the Main St entry, and we will notify you by FASTMAIL when it is finally open again.

The Annual Meeting is next Wednesday, 1:00 P.M. in the Buena Vista Ballroom. It will also be broadcast live on Channel 17 for those that wish to watch from their homes. We unfortunately do not yet have a system where Zoom meetings will work in that larger space.

We have achieved our quorum for the vote but still have votes coming in. I understand that DISH's internet has been up and down. If you cannot access your ballot due to that internet problem, you can come the Admin office and vote. We have a computer set up for you here, and Pam the Corporate Secretary will assist you. If you have a laptop or any kind of mobile device you can also go to the Community Center or the EPC, access those hot spots and vote from those locations.

We understand the service is down most frequently the early morning hours as people are just getting up and then again in the evening when everyone is streaming TV and on line. Dish has informed us that they have a part that is coming in that would fix this issue of service. In the meantime, we have asked Dish for a credit for the homeowners on their service as it is not reliable when there is peak demand. I have not yet, received any confirmation on this.

The internet Ad Hoc Committee continues to look at other providers that are in the area, in the hopes that there might be a viable alternative. I continue to let everyone know that Century Link is an alternative internet provider that has provided our offices with good service all the years we have had them, but understand the reluctance to change providers at this stage of the season. I have also been informed that a T-Mobile customer in the park, was able to get good internet service through them. Verizon at this time has not yet fired up their 5G system to this location.

As I said at the last Board meeting, it is all about sales in our office right now. We are seeing park models sell at top dollar and very fast right now. Based upon the first six months of sales for this fiscal year, through Venture In Realty, we have seen a 30% increase in values. Again, if you are a "For Sale by Owner", make sure you are getting a new owner packet for your buyers, as a buyer is entitled to all disclosures immediately upon signing a contract. If you are using a Title Company, they will make sure those documents reach your buyer. Also, again, no one in this office, besides myself and the Realtors are licensed agents, so it is not legal for any staff to try to help you with a sale, if you are selling or buying through an owner. Legally they can't even hand you a flier with listings on it, that is how strict Real Estate Law is.

It's a beautiful weekend, I hope some of you will get out to the TPC (Phoenix Open) in Scottsdale, if you have never been its quite the event. And of course, we have the Super Bowl this weekend, so a lot to celebrate.

EASEMENTS RELATED TO VENTURE OUT APPLICATION
Gordon Klofstad – Director Condo Board and SRP Liaison

Utility easements for VO are very similar to utility easement across the country. Easements are designated locations within a residential development that are used to provide services to occupants. For VO the utility easement is generally the rear five feet (measured perpendicular to the rear property boundary). The property boundaries may be identified by one of the following: steel rebar with a steel washer (original survey), 2-inch diameter aluminum cap (provided by SRP), and more recent by plastic cap on steel rebar. There are likely many of the lots that will not have any boundary identification.

In addition to the five-foot rear utility easement, the set-back area which is area along the side of the park model on one property and any structures (usually an Arizona Room) on adjacent property. No structures can be located in the front four feet on the property. This distance is measured from the inside of the sidewalk. End units that side with a spoke street have a three-foot clear distance requirement.

For Venture Out, there are several utility services within the ten-foot utility easement – five-feet on each adjacent lot. These services include: domestic water, sanitary sewer, irrigation, cable TV, landline telephone and Internet, and SRP electric. There are some lots that will also have natural gas being supplied throughout the park as the eight bath houses use NG for heating of water.

VO has rules that are to protect the residents of the park. It is necessary for owners to obtain a VO permit anytime there are plans to excavate or dig through the ground surface to install any items, even involving trees and similar vegetation. There is a service “Call Before You Dig” that is available. Please use this free service as it could help you avoid some serious issues.

When you plan for a major project, reviewing the Architectural Guidelines that can be obtained at the Administration Office and would be most helpful in answering many of the questions that may arise. These guidelines were developed by the Architectural Committee and were accepted by the Condo Board for implementation in VO.

Some general occurring issues that may be encountered: rear steps that are located within the rear utility easement – they need to be of a size and weight that one person can move them, heating and AC equipment is permitted to remain within the utility easement as they are considered portable, vegetation less than 12-inches tall can be planted in the easement, when planting trees – be prepared to maintain the five-foot clear distance the utility company may need to conduct their activities, utility companies will remove pavers and similar ground cover if needed – but the lot owner may be responsible for replacing them, storage sheds are to be located outside of the utility easement and on the property where service is provided, and fencing for the purpose of containing pets is permissible with the maximum height of 30-inches. There are other items to consider that can be learned by reviewing the CC&Rs.

No solid or concrete grouting is permitted within the five-foot utility easement. Owners are encouraged to use conduit when installing new ground cover materials as this action provides for easier operation and maintenance of irrigation lines across the property.

If there happens to be a SRP transformer (3 foot X 3 foot by 30 inches high gray metal box) on your property, the front 12 feet needs to remain free and clear at all times as SRP technicians use a “hot-stick” to remove and replace equipment within the transformer box. Clear distance on the other three sides of the transformer needs to remain at three feet. The “H-frame” for the mounting of breaker box and electric meter are to be located on the individual’s property. The breaker box and electric meter can be mounted on the Arizona Room if approved by SRP. It is not permissible to mount them on the park model.

Anytime that an owner plans to make improvements on their property and a City of Mesa Building Permit is required, the total lot must be in compliance or will become fully compliant with the utility easement requirements. A VO permit is also needed as the City of Mesa will review the park’s approval of planned improvements on the property.

Keep in mind that these requirements are your requirements. They became yours when you bought into Venture Out. If you feel they need updating, there are existing committees that will welcome your membership.

2021-22 Season Security Report

Beginning March 25, 2022, I assumed duties as the new Security Chief for Venture out at Mesa. I have been spending time reviewing and learning the CC&Rs as well as all other HOA regulations for the park. I have spent some time each week in the park driving around, meeting and speaking with residents, tenants, VO employees, and contractors. I intend to establish good rapport with the residents, tenants, staff, and contractors while letting everyone know I have an open door for any items needing discussed and addressed.

There are still many reports of speeding throughout the park that are currently being addressed by Security. The mobile speed monitors are located around the park to help deter speeding. I will have a Security officer following up in the areas of frequent issues and where the unit had been posted. We will be issuing violations to speeding residents, and vendors as appropriate. This will continue to be standard practice.

Parking on the streets after hours has been a problem as well. After hours parking is not allowed due to the need to have the streets clear at night for fire or emergency issues. We are exploring a new software system that will give the security guards on the spot information on repeat violations.

Currently we are also working on some issues regarding overgrowth of pigmy palms, palm trees, cacti, or any other items that impede the easement, sidewalk, and safety for first responders. We appreciate your help in keeping the vision clear on the right of ways.

Overall, security provides a safe environment for all residents, are quick to respond to any incident, and work closely with the residents of VO with respect and courtesy.

Mr. Michael Cluff (former Chief) was very well known throughout the park. The shoes Mr. Cluff wore with Security here will be hard to fill. I hope to be able to meet and/or exceed the standards set by Mr. Cluff in his time of service at VO.

In conclusion – I will be working with the security team to streamline and smooth out some issues, fill the vacancies in the department and set a new standard to what security means at VO at Mesa. We will continue to enforce traffic rules and violations, as well as provide the safety and security that has been continuous over the duration security has been a part of the VO team.

Thank you all
Security Chief
Jonathan M. Carter
