Recreation Update

November, 2022

It is a great time of year as we are welcoming all our wonderful residents back, along with oncoming holidays. If you are on your way back to VO, please have safe travels! If you are in the park, do not forget to stop by the office and pick-up your complimentary Homecoming Lunch Tickets for our November 19th Oktoberfest Homecoming Event. You will also want to get your Fall Festival Tickets for the Outdoor Tom Petty Tribute Concert over at the Sportsplex. For the outside concert, you will need to BYO snacks, beverage and chair; we will have tables setup just like the End of Year Celebration.

If you are an officer in a Club, please mark your calendar for Tuesday, November 15th at 1:00 pm for the Annual Club Officer's Meeting. This was originally scheduled for November 29th, but we chose to exchange this with the Social Board Meeting. We ask all Clubs to bring their Fall Start Up Kits, we are going to do a complete purge and replacement of documents. The Social Board Meeting will then be scheduled for November 29th at 9:00 am.

With the Holidays around the corner, we will be having one Grapevine in November and December. In January, February, and March we will go back to two Grapevines a month. Chef Arthur will continue to make homemade baked goods and we will still be serving coffee. If you are wanting to promote your event or to talk at the Grapevine, please reach out to me before each Grapevine and I will get you on the agenda for that morning.

For the 2022-2023 Season, we are looking for several volunteers for the Recreation. If you would like to be the chairperson for the Community Christmas Potluck, we need someone by mid November and ask that you reach out to the Activities Office. Along with the Holiday spirit, we are looking for volunteers to man the Salvation Christmas Angel Tree through November and first part of December. We are also looking for all the volunteers we can to help with decorating the Community Center for the most festive Holiday this season. If you would like to help decorate, please reach out to Cheryl and/or Tom Epping; they are also looking for someone that would possibly like to co-chair and look to taking over in the future. We are also putting together a small group of volunteers to look at the EPC exercise equipment, we want to put together a long-range plan on equipment replacement. If you are interested in this, you can reach out to me at recdir@ventureoutvresort.com.

Last month I informed everyone of the changes to the VO Out-Lines and why we have publications going down to once per month. We are looking at having Jon Williams take on more duties with IT, AV and Website. Gulam Chowdhury will also be joining Jon with helping with AV. At this time, we have 5 volunteers with AV group and are looking for more. If you are interested in helping the park with its Audio and Visual needs (No experience needed), we ask that you reach out to Jon Williams and he will help get you into the loop (along with offering ongoing training). We would like to thank the group of wonderful volunteers that have hung in there and are helping us through the 2022-2023 season.

A request for anyone needing Audio or Visual needs, you must fill out a form and turn it into the Activity Office a minimum of 6 weeks prior to your event and we still do not guarantee to have someone available to work your event.

We have had many questions regarding ticket sales and pricing of food. We end ticket sales the Wednesday before the event happens, this allows Chef to know how much food to order so we do not have too much food leftover after an event that cannot be used. We also will always have some tickets available at the door unless the event sells out. Pre-ticket sales also helps Chef put in orders for early delivery for the following week. As for ticket pricing, we are doing all we can to shop different avenues to bring in the best prices for products. When it comes to pricing out the food, we do have to reach our budgeted profit for all expenses. This profit goes for both Clubs and Recreation Department. As the Recreation Department, we are trying to cover all expenses for the year and thus must charge appropriately for all events. At the end of the season, we are only looking to break even but understand there are expenses outside of just clubs that we must cover. Club fundraising covers the budget needed for FFE and budgeted items for each Club. If you have any questions, I encourage you to come by and talk to either myself or Sunshine; we both have open door policies and would be happy to answer any questions you may have.

I thank everyone for filling out the comment cards and feedback sheets you find around the Community Center and EPC. Yes, I do read all these cards and will do everything I can to accommodate requests. If you do not want to take the time to fill out a comment card, then please stop by my office and I will be more than happy to talk with you about your ideas and/or concerns/feedback.

We welcome everyone back to Venture Out and look forward to the fun events that we have planned for this season!

Manager's Corner

November, 2022

This month's occupancy is 832 or 48% occupied vs. 525 last month and 646 for the same period last year. There are currently 92 renters in the park.

Welcome back for another big season here at Venture Out. Based on the above statistics and our reservations, we are getting good indications that this year, we might see occupancy numbers that we have never seen before.

People are tired of being cooped up and reservations for our RV Overnights are solid from November through March, weeks ahead of our normal peak occupancy. There are a number of Canadians returning that have been missing for the last two years, so that is also good news. We have over 236 new owners in Venture Out this season and many more that will close on their homes in November. This is the largest group of new homeowners since I have been here. Last year's rapid real estate sales, left us at the end of season with less than five listings at the Venture In Realty office and each time a listing comes in, it is generally gone quickly. So a big welcome to all the new owners in the park, and to get all the important Community information, be sure to go to a Newcomer's orientation, held monthly in the Baja Bistro.

The West Pool construction is moving along. We are about three weeks shy of our original target date of early December, now anticipating late December. As we watch it take form, and we share with you the drone videos that our contractor films for us, you can see how versatile this new pool will be. It will be possible to have two separate activities at the same time at the West Pool or double the programming that it used to have.

The storm drain project was pushed back to November due to the timing of the receipt of funds. As it turned out, that was a good decision, because we had so much rain this past summer. Some rains were quite heavy. This project involves pulling a heavy epoxy infused 48" liner through the cleaned existing pipe. It is then cured inside that pipe, creating a strong, PVC like pipe inside the galvanized pipe.

The roads and lights project this summer was almost problem free, except for intermittent rain delays. Only two arterials remain to be replaced next summer (Ercoupe & Cherokee) and the small bit of Invincible that was used for staging next to the West Pool. The Infrastructure Committee will be looking forward to the next phase, depending on what our Road Consultant tells us should take priority.

While doing our normal routine work to prep buildings before season, we discovered that there was asbestos in the ceiling of the Clay Arts building. This first had to be removed and we have been gathering bids for drywall repairs. The light fixtures were original, and so we are also getting bids to replace those. Until we finish, the Clay Arts is closed. We hope to get it open in November.

We had several severe Monsoon windstorms in VO this summer, many that severely damaged units to the point that they had to be demolished or have roofs completely replaced. There was a lot of flying debris in the park, therefore we strongly recommend that everyone check their units carefully, upon your return.

This past week at the EPC we had to install a new heater and some tiles at the water line needed to be replaced so we shut down for just a few hours to make those repairs. Please bear with us, some repairs cannot be delayed and may be short on notice. Maintenance is always on going, but it becomes more of an inconvenience when we have everyone using one pool.

Last season, Carrie the Activity Department and the Social Board put on a tribute to the Beatles with an outdoor concert in the NE sportsplex. It was so well received, and people had so much fun, that they are planning to do it again this year on Homecoming with a tribute to Tom Petty. So weather permitting plan on that special event this fall you won't want to miss it.

Notes From The Condo Board

I am writing this as President of the Venture Out Condo Board. I serve with Lorraine Hee, Vice President, Gordy Klofstad, Secretary, Elko Kroon, Treasurer, and the following Directors, Glen Stover, Cindy Gould, Jeri Robbins, John Varner and Byron Snowden.

Condo Board Duties (not all inclusive)

These nine members of the Condo Board were elected by you, the owners. Board members have the responsibility of several duties.

Set assessments to meet the financial needs of the park.

Spend that assessment responsibly to repair, replace and operate the park.

Manage staffing needs for the maintenance and operation of the park.

Make, amend and enforce rules in our governing documents.

Bring in contractors, attorneys and other professionals to meet VO needs.

Create and direct committees to advise the Board on their assigned tasks.

Maintain insurance policies

These are the Board's key Fiduciary responsibilities. So what is a Fiduciary responsibility? In short this means that the owners put their trust in the Board to manage these duties responsibly so you can spend your time enjoying all the things VO has to offer.

Condo Board Committees (not all inclusive)

So how does the Board get all of this done? They do it with the help of advisory committees. Here are some of the committees that assist the Condo Board.

Architectural

Security and Safety

Infrastructure

Green

Communications

Common Facilities Planning

Condo and Social Boards Interactions

First and foremost, two Boards share a healthy relationship. The Condo Board has the responsibility to manage all buildings, staff and common areas. The Social Board has the exclusive right to operate recreational activities at VO. The Social Board also has the responsibility to manage the recreational equipment that they use. If you have a question about clubs or events, talk with a Social Board member or the Recreation office staff. If you have a question about, buildings, construction, streets, lights, etc, talk with a Condo Board member or the administration office staff.

In summary, we are all on the same team with the same goal. That being the affordable enjoyment of our time here at Venture Out. Thank you. – Jim Van Heule

Jim Van Heule - Condo Board President

SECURITY OUTLINE REPORT

Here we are at the beginning of the season, many of you have returned to Venture Out, and others will be returning very soon. Some items that need to be thought of, and properly planned for, include care taking of your property or properties within the park. We have had a tremendous storm season and many homes suffered damage. If you have not yet done so, having the home reviewed for damage would be a good safety practice to ensure there is no severe damage to your home or Arizona rooms/storage sheds.

Weed control remains to be an issue, if you have returned or are returning soon, please take time to care for your property and plan for the winter, as well as planning ahead for next summer. Caretaker list, as well as caretaker forms are available in the Administration Office. Thank you to all the residents that have worked with Security with the upkeep of your property, and to those that had the property cared for when contacted.

Do not forget to check in with the Office upon arrival if not already checked in. Security needs to be aware of your return for proper detection of activity surrounding your home. We all welcome you back to Venture Out and look forward to a great season.

Social Board Update

Alice Anderson

November 2022

I am writing this as President of the Venture Out Social Board. **I serve with** Jude Jensen, Vice President, Sue Lovoie, Treasurer, and the following Directors, Kay Biediger, Jean Sanders, Rich Kantak, Nan Larson, Leslie Meyer and Dianne Tarrant.

I am going to start with **a bit of Social Board history**. Venture Out was incorporated in 1969 and in 1973 the 'Lot Owners Advisory Committee', now known as the Condo Board created a 9 member 'Recreational Committee, now known as the Social Board. Their purpose was to 'attempt to obtain the activities and needs of the recreational facilities that the Residents desired.' They were also to assist the Recreation Director to set priorities and spending for improvement of recreation. The Social Club was incorporated in 1977 as a non-profit corporation. Lot owners are voting members of the Social Club. For more information refer to the By-Laws of Venture Out Social Club.

The Social Club is a separate corporation from the Condo Board and operates in Venture Out via an agreement with the Condo Board. Over the years there have been a number of agreements/contracts describing how the two Boards would work together for the good of Venture Out. The latest contract signed in 2020 and amended in 2021 describes the major points. (You can read the full contract on the VO website).

Condo Board provides to the Social Board: (not all inclusive)

1. Recreational facilities and meeting rooms.
2. Recreation Department staff. (All staff in VO are employees of the Condo Board).

We could not function without this support of the Condo Board.

Social Board duties include: (not all inclusive)

1. With support from Recreation Department be responsible for recreational activities. Revenues from activities sponsored by the Activity Department such as food events, dances and concerts are retained by and administered by the Social Board of Directors.
2. Conduct an annual audit.
3. Transfer to the Recreational Activities Capital (RAC) fund any unallocated funds by 12/31 annually.
4. Maintain insurance policies.

There are entire sections describing how the Social Board puts together their annual budget. There is a section on cash flow, one on furniture, fixtures and equipment (FFE), and one on reserve funds.

The **RAC fund** as noted above is funded by the Social Club and is used 100% for Recreation purposes. It is administered by both Boards as it may help fund building modifications for clubs that are being done by the Condo Board.

The **Condo Board** is the only one who **can make physical changes** to Recreation facilities or Common areas. The **Social Board** is responsible through the FFE fund to **furnish those areas**. The Social Board buys the Community Center lobby furniture, and the pool lounge chairs and tables. They buy the tables and chairs at Pickleball and Tennis and in the ballroom and bistro. And much more.

Please note that **none of your HOA quarterly assessment dollars goes to the Social Board for support of recreation**. The only income we have to spend on your clubs equipment requests or to replace chairs and tables comes from your club fundraising, income from Recreation Department events such as food, concerts, dances etc. Without these events we would not exist. I know I speak for the entire Board when I say thank you for your support of the many activities and events in Venture Out.

Our model of Social Board/Condo Board is unique in that all clubs contribute money that is then used to support our Clubs and Activities. Without the support of the larger clubs contributions the smaller clubs would not have up to date equipment to work with, or may not even exist.

Club liaisons and committee assignments for 2022/23 are as follows:

1. Leslie Meyer – Bocce, Lawn Bowling, Shuffleboard, Silversmith and Volunteer Star Awards.
2. Dianne Tarrant – Glass Arts and Golf.
3. Nan Larson – Hams at Heart, Pet Association, Solos and Table Tennis.
4. Jean Sanders – Handymen, Softball, Splashers, Sunshine Carvers and Woodshop.
5. Kay Biediger – Croquet, Tennis, Library, Pickleball and Transmittals.
6. Rich Kantak – Electronics, Pool Room, Rock and Gem and Planning committee.
7. Jude Jensen – Clay Arts, Sewing, Bingo and Board Vice President.
8. Sue Lovoie – Creative Writing, Horseshoes and Board Treasurer.
9. Alice Anderson – Board President, Communications Committee and Condo Board liaison and Transmittals.

AV Club liaison has not been determined yet.

In closing, I will continue with regular Social Board updates and would encourage any questions or comments. We welcome your attendance at our Social Board meetings and look forward to working with you. Alice

THE SALVATION ARMY'S CHRISTMAS ANGEL PROGRAM

Every child deserves to experience the joy of Christmas morning, and thanks to supporters of The Salvation Army's **Angel Tree** program, thousands of American children will find a gift waiting under their Christmas trees this year. The Salvation Army's Angel Tree program provides new clothing & toys for children of needy families through the support of donors. Angel Trees are decorated with numbered paper angel tags with the first name, age and gender of a child in need of presents. Contributors remove one or more tags from the tree and purchase appropriate gifts for the child or children described on the tags. You can also donate cash to help fill Angels wish lists.

- Several ways to donate
- Pick an Angel from the Angel Tree and buy items listed for that child & return to the Activity office or the Angel Tree
 - Donate cash to help our shoppers fill Angels requests
 - Buy gifts not attached to an Angel and they will be used to complete Angels wish lists

SECURITY OUTLINE REPORT

Here we are at the beginning of the season, many of you have returned to Venture Out, and others will be returning very soon. Some items that need to be thought of, and properly planned for, include care taking of your property or properties within the park. We have had a tremendous storm season and many homes suffered damage. If you have not yet done so, having the home reviewed for damage would be a good safety practice to ensure there is no severe damage to your home or Arizona rooms/storage sheds.

Weed control remains to be an issue, if you have returned or are returning soon, please take time to care for your property and plan for the winter, as well as planning ahead for next summer. Caretaker list, as well as caretaker forms are available in the Administration Office. Thank you to all the residents that have worked with Security with the upkeep of your property, and to those that had the property cared for when contacted.

Do not forget to check in with the Office upon arrival if not already checked in. Security needs to be aware of your return for proper detection of activity surrounding your home. We all welcome you back to Venture Out and look forward to a great season.
