Suggested Closure Checklist to 'Summer-ize' your Home

Here are a few suggestions on how to get your unit ready for the long hot summer months ahead. Remember, careful planning and preparation now can help you avoid costly repairs when you return next season.

◇1. Check out at Administration Office:

Check for keys, and list of whom can borrow keys.

If you are having renters, ensure your Third-Party forms have been turned in AND paid for.

Update your directory information: email, phone number, summer address.

◇2. Check out at Post Office – Fill out forwarding address forms if necessary.

◇3. Avoid water damage – inspect your outside main water supply fitting for signs of leaks and/or corrosion then turn off the valve – don't block or close your drains. This will allow water to run straight through the drains. If possible, padlock the shut off.

◇4. To keep your p-traps from drying out – pour in approximately one cup of mineral oil.

◇5. Turn off your hot water heater and run it until it is cool.

◇6. Clean your gutters so the rainwater has a place to go and does not back up under the shingles and run into your unit.

◇7. If you DO NOT have low-e window, then put in silver shades to repel the summer heat.

◇If you have low-e Do NOT cover the windows with anything but pull the shades and curtains. Covering the window will cause damage to your window and glass.

◇8. Remove all fruit from your trees to avoid roof rats.

◇9. Check drainage around your unit to make sure the water drains away from the unit in case of a large monsoon rain. Maintenance has sandbags available for you to place around your ground level Arizona Rooms. Do Not leave anything of value or furniture on ground level. Put all furniture up on blocks or inside your unit. Make sure the weep holes in the block wall are free of plants and debris so water can drain.

◇10. Weed Control – use Ortho Ground Clear (without 2-4-d) to put on your yard to help maintain weed control in the summer. Also, you may want someone who stays in the park for the summer to check on your yard to see if it's effective after summer rains. Green Committee recommends any pre-emergent weed killer that does not have 2-4-d. They recommend you read the label especially the fine print.

◇11. Golf Carts – Disconnect the batteries. If possible, see if you can find someone to either store the cart for you or charge it once a month, fill it with water and run the cart a little monthly.

◇12. Do not store wood directly on the ground, under or around your unit as it will attract termites.

- ◇13. Replace batteries in the smoke detectors.
- ◇14. Check refrigerator – it should be defrosted, be cleaned (including bottom tray) and both refrigerator and freezer doors held open with folded bath towels. An alternate – put one cup uncooked ground coffee beans in refrigerator and close doors.
- ◇15. Check stove and oven – clean if needed.
- ◇16. Dispose of all food items, except spices. Place small amount of bay leaves in food cupboards.
- ◇17. Check all storage areas for perishables.
- ◇18. Store all cooking utensils and small appliances in cupboards as space permits.
- ◇19. Run garbage disposal until thoroughly clean. Pour ½ cup of mineral oil, flick on and off and add another ½ cup of mineral oil. Available at Wal-Mart and most drug stores. Or spray with WD-40.
- ◇20. Turn off water to the toilet. Flush toilet several times to clean drain of any solids. Sponge out most of the water in stool and pour in enough mineral oil to cover water. Leave water in the tank.
- ◇21. Make sure all bedding, towels and laundry are dry, clean, folded and stored in cupboards.
- ◇22. Disconnect small electrical appliances – TV, toaster, coffee maker, etc. Remove batteries from clocks, flashlights, remote controls, etc.
- ◇23. Lower any window awning on trailer, if applicable.
- ◇24. Turn off electricity at meter. You may lock electric pedestal door.
- ◇25. Check skirting openings to be sure they are in place and secure.
- ◇26. Pour a quart of RV antifreeze in dishwasher and clothes washer. Pour ½ cup in drain standpipe behind clothes washer.
- ◇27. Close all propane gas cylinder valves tightly.
- ◇28. Cover TV, VCR, Computer, etc. with sheets or towels to prevent dust from infiltrating the working parts.
- ◇29. Lock up and/or store bicycles inside enclosed Arizona Room/ Residence/ or Storage.

Have a Great Summer!

See you next Season!

MOBILE NOBLES SHRINERS

**Larry Bain
406-871-3530**

Thank you to all of you that have recycled your soda and beer aluminum cans. We are collecting cans throughout the summer. The Shriners can no longer recycle the construction aluminum over the summer but Velda Rose will collect the aluminum as needed. This means you do not have to put your aluminum in the trash bins. The Aluminum can bins are at the maintenance yard, the dog walk, bath houses 1, 5 and 7, the laundry and both pools. Keep up the good work! The Shriners will give you an update of the donations to the Salt Lake City Shriners Hospital. Again, keep recycling your beer and soda cans.

**SEWING CLUB
Linda St Andre
360-739-4409**

It was a banner season in the sewing room with more classes and members than ever! Our last "sewcial" event was a time for many to express their thanks and appreciation to all who monitored, led events, taught classes, and shared their love of sewing with us on a daily basis! The room will be closed as of **April 30**, but we expect to gather in the fall for more friendship and inspiration.

Each Sunday is hosted by a different person or couple and we ask that if you do participate you host one Sunday. A sign up sheet will be available at the organizational meeting. Please try to let us know by **May 5** if you can join us on the 7th, so we have enough donuts to go around. Betsy

Recreation Update

May, 2023

It is the time of year as the last of the snowbirds are pulling out and all the clubs are closed for summer, but wait... we still have things to do at Venture Out! Over the summer you can enjoy a dance, games, ice cream social, lunch and/or dinner. There is something going on every week and we are always looking for suggestions for summer events to do. Please stop by the Activities Office to give your suggestions and feedback.

End of April is when all the Clubs shutdown, we ask that everyone please remember to turn in your Club Year End Checklist. Along with this list, please fill out the Club Officers sheet for next year. Over the summer, David Armistead's maintenance team will be going through all the Clubs and doing the work you requested on these forms; so it is vital that you get these turned into the Activities Office at your earliest convenience.

Over the summer you will see some new changes coming about. We are going to start publishing the Venture Out-Lines on Channel 17, along with offering links to our private YouTube Channel to view it on. Ginny and I are going to start doing monthly reports of upcoming events and important reminders, this will be shown both on Channel 17 and YouTube for those outside VO. Look for further information or links in our weekly Venture Out and About email update.

In the next couple months, all Fundraising Confirmations (along with their room reservations) will be emailed out to all Club presidents. Once you receive these, please confirm all the information. Over the summer we are also locking in all contracts/entertainment for next season, we will be sharing this information via email as well. We are getting quite the lineup for next year for all the different events we will be doing.

You will notice that we are not setting deadlines for ticket sales to events over the summer, but please know that there will be a limited number of extra entrees available at the time of the event. If you want to ensure you are going to have an entree, please stop by and get your tickets from the Activity Office. If you hadn't noticed, the Activity Office is now open 5 days a week for the summer; now you can get tickets, sign up for events, rent a DVD and/or pickup ice for the weekend.

We have two new events we are trying this summer; one is a lunch and learn and the other is a Steak Dinner and Dance. Please stop by the Activity Office to sign up for the lunch and learn or purchase your tickets for the Dinner and Dance. More information is available on both of these events in this month's newsletter.

Continue to stay safe throughout the summer and your travels; keep thinking about coming back for the season. If you have any ideas, please reach out and send an email to recdir@ventureoutvresort.com.

Dear VO Friends:

This email is being sent to VO residents who might have an interest in attending Hale Theater shows. I have secured a block of discounted tickets for three shows in 2024. This year we had nearly 300 reservations. Discounted tickets are \$42.00 per person per show per person. The regular non group price is \$50.00.

“Great way to spend three evenings in Arizona. Fantastic shows.” Blaine and Dorreen Hott

“Want a great night out during January and March while wintering at VO? Signup with Rene and take in the shows at Hale Theater. You will see a lot of VO people there, and p.s. arrive ahead of time to have dinner at one of the great local restaurants in Old Downtown Gilbert.” David and Judy Antonson

“Love the theater with all our wonderful VO friends. Thanks, Rene, for giving us the opportunity to see and hear the magic of theater.” Ruth Havican

Jan 11-or Feb. 8: SEE HOW THEY RUN COMEDY In a hilarious case of mistaken identity, an American actor, an escaped convict, and two extremely punctual vicars find themselves dressed as clergyman dashing about the vicarage. With the arrival of the stately Bishop, one expects the shenanigans to cease—confusion mounts snowballing to a riot.

March 7: MY FAIR LADY MUSICAL opened on Broadway to rave reviews which haven't stopped since! It is the story of Eliza Doolittle, who proves a far greater challenge to the renowned Professor Higgins than he had anticipated. You'll thrill once again to such songs as I'm Getting Married in the Morning and I Could have Danced All Night.

April 4: Titanic Musical—5 Tony Awards! In 1912 a marvel of the modern age set sail from England to America; the largest, strongest ship in the world called-in fact- the unsinkable ship. Titanic tells the unforgettable tales of the real-life heroes and bold romantic on board the ship of dreams in this breathtaking musical.

If interested in attending any of these shows, please send payment **by September 1**. Tickets are nonrefundable unless a show is cancelled. Tickets will be available for pick up at my unit upon my arrival at VO after December 22. Our VO address is 331 Aero. **My mailing address is Rene Moquin, PO Box 4303, Estes Park, Co 80517. It is essential that you indicate the number of tickets for which show (\$42.00 per person per show), your unit address, your telephone number, a check and your email address. American checks only.**

Finally, please share this letter with your VO friends. I do not want to exclude anyone.

Sincerely,

Rene Moquin renemoquin@centurylink.net 970-980-7722
