# **Recreation Update**

---

August, 2023

I would like to thank the incredible residents that continue to support our recreation events, even during this insanely hot time. As well as a HUGE thank you to the volunteers that come up and help Chef Arthur prepare the delicious lunches and dinners, without you we would not be able to do what we do at VO. We hope everyone will continue to enjoy the lunches, dinners, dances, and games that we have put together. If you have any suggestions or ideas, please reach out to us.

Clubs will be opening on September 18th. I have sent an email out to the Club Officers and want to remind everyone that we need your rosters for the badge system at the clubhouses. Please send the lists to Carter, Chief of Patrol at [Jonathan.Carter@ventureoutmesa.com](mailto:Jonathan.Carter@ventureoutmesa.com). The Fall Start Up Kits will be available for pickup on September 25th in the Activity Office, please choose a representative (President or representative) to stop by and pick the packet up. You will want to bring this information to the Club Officer's Meeting that is scheduled for November 14th in the Oasis at 9:00 am.

If you are a sunbird, please see the ad in this month's Out-Lines for the Arizona Party on August 22nd. There is a list of ladies to purchase your tickets from. The party is Mexican-themed, and they will be serving tacos. I hear they are going to have some amazing entertainment and great prizes.

I know this might sound crazy, but I am starting extra early this year to find chairpersons for Community Holiday Dinners. If you are interested in chairing the Community Thanksgiving or Community Christmas Dinner, please reach out to Ginny or myself and we will help you with everything for this year's event.

A couple quick updates... the EPC is finished and we are very excited about the new equipment and feedback from everyone.

Thank you to everyone for your comments and feedback on the private Facebook page, it is very engaging, and we are happy to see so many active participants. I would also like to thank Ginny for being a great assistant and for helping me with the Venture Out and About Weekly Spotlight; we are hearing such great comments from you all and having fun in the process. Lastly, I would like to thank the incredible Recreation Staff, they are doing things to set up activities while also getting ready for the Clubs to open on September 18th.

As summer continues, please stay cool and remember to continue to hydrate. If you have any questions for the Recreation Office, please reach out to Ginny or I and we will try to get you an answer as soon as we can. We all look forward to seeing you at the Community Center or Out and About Venture Out.

Some examples of where we are involved giving support, would be Hams at Heart, Sunday Church Service, Nicole Pesce and WE3, Continental Coffee, and much more. We help volunteer presenters provide the best sound and visual support we can. Sometimes its just a matter of providing favorable stage lighting. Sometimes we are privileged to help with the sound and visual support. Audio visual experience is not needed, training will be provided. # Summer Fun

In addition to activities scheduled by the Activity Office, a few residents have begun informally gathering at the Bistro to play a variety of games. If you would like to stop by and check out what's going on, we are listing the days and times when we are hoping enough people show up to play. Summer is a good time to learn a new game and meet more people. (If Venture Out schedules an event in the Bistro on any of these days/times, that event will obviously take precedence over the games.)
