You've just been added as a DirectorySpot user for Venture Out At Mesa INC. To set your password, please click the button below. This link will expire in 7 days.

Set Password

Once you've set your password, follow these two easy steps to start using DirectorySpot!

For Smartphone Users:

1. Download the DirectorySpot app by going to your app store and searching "DirectorySpot" or by clicking on the appropriate badge below.

2. Launch DirectorySpot, enter your email address as your Username and your password you just set, and click on "Login"

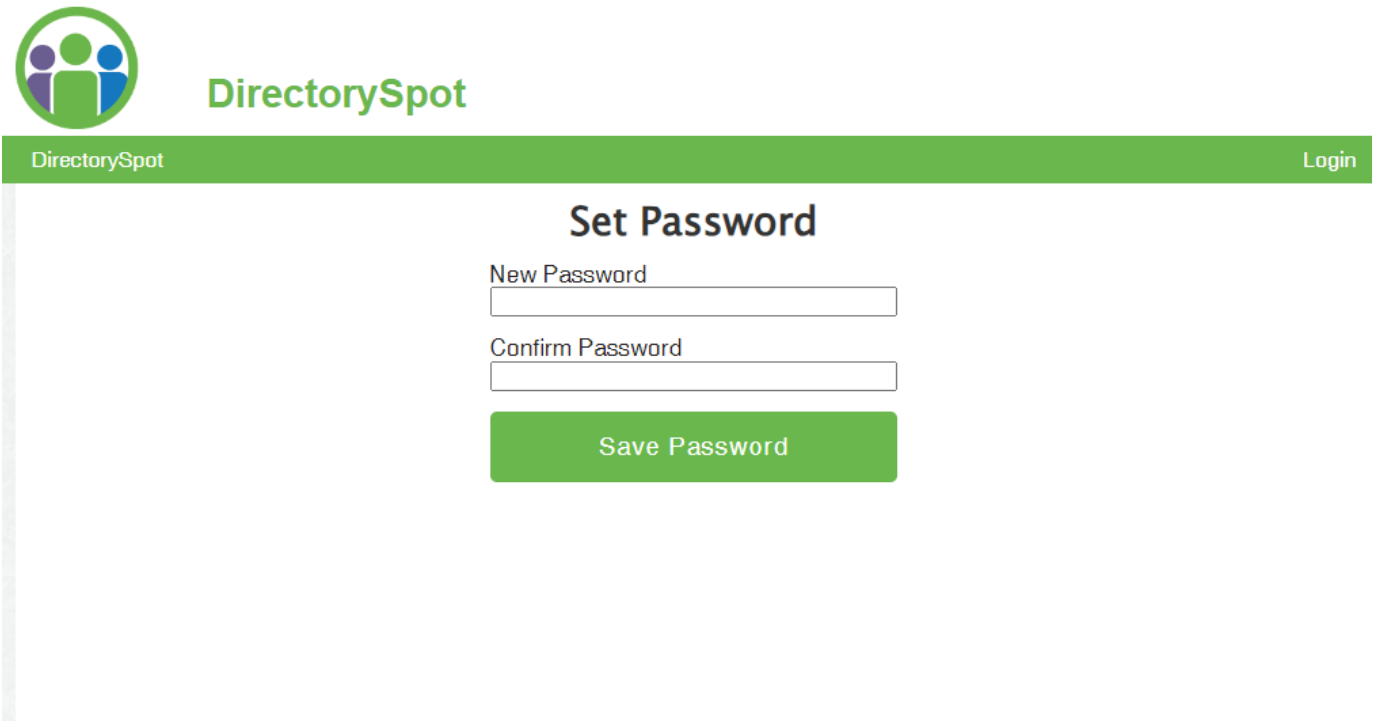

For Tablet, Mac, or PC Users:

1. Click on <https://directoryspot.net/schools/54307d04/>
2. Enter your email address as your username, your new password you just set, and click on "Login"

For more information about DirectorySpot, visit our website at www.directoryspot.net.

SET PASSWORD

- Clicking on that button will open a web page that will allow you to set your password for the first time.

The screenshot shows the DirectorySpot website interface. At the top left is the DirectorySpot logo, which consists of three stylized human figures in purple, green, and blue. To the right of the logo is the text "DirectorySpot". Below the logo and text is a green horizontal bar containing the text "DirectorySpot" on the left and "Login" on the right. The main content area is titled "Set Password" and contains two input fields: "New Password" and "Confirm Password". Below these fields is a green button labeled "Save Password".

LOG IN TO YOUR ACCOUNT

- After creating your account you will be able to log into Directory spot and view your profile.
- By default, your contact information will not show in the directory until you make it visible.

Sharing Preference

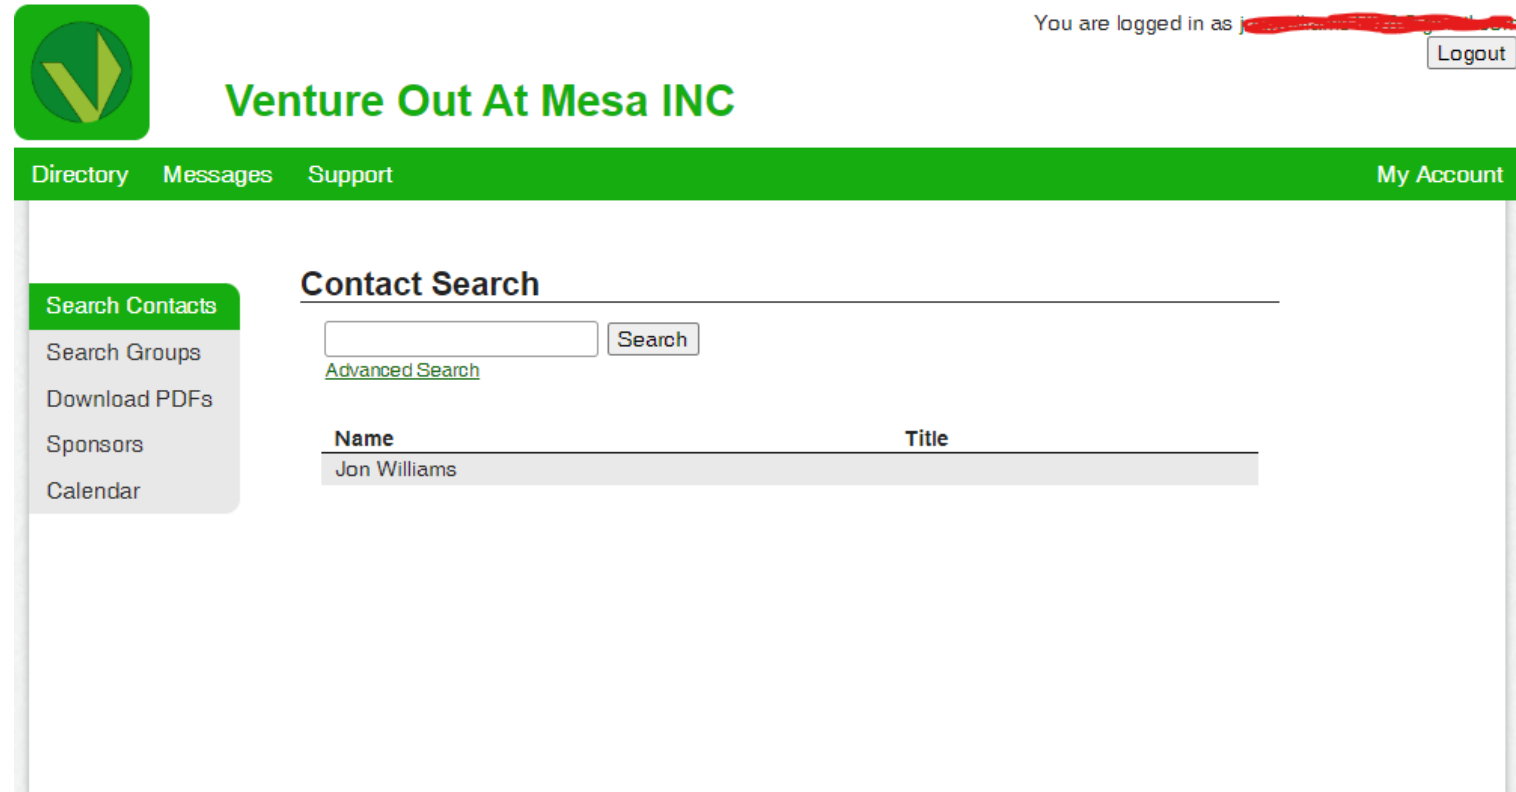

Your data is currently shared with other users of this directory. Use the button below to change your sharing preference.

[Make Data Private](#)

- If you decide to hide your information from directory spot you can do this in your profile at any time
- Open your profile and select “Make Data Private” towards the bottom of your contact info and your entry will no longer be visible to other users.
- If you make your data Private, you can still received notifications from the community, as well as any groups you have selected in the App

VIEW THE DIRECTORY

- Once your data is shared, your contact information will be visible to other users.
- Only residents of Venture Out and staff will have access to the Venture Out Directory Spot information.
- You will only be able to see the directory listings of members who have selected to share their information. Don't worry if you don't see your neighbors right away, they may not have set up their account yet.

The screenshot shows the website interface for "Venture Out At Mesa INC". At the top right, it indicates the user is logged in as "j [redacted]" with a "Logout" button. A green navigation bar contains "Directory", "Messages", "Support", and "My Account". A left sidebar menu includes "Search Contacts" (highlighted), "Search Groups", "Download PDFs", "Sponsors", and "Calendar". The main content area features a "Contact Search" section with a search input field, a "Search" button, and a link to "Advanced Search". Below this is a table with columns "Name" and "Title", displaying one entry: "Jon Williams".

ACCESS DIRECTORYSPOT

- DirectorySpot can be accessed on the web at www.DirectorySpot.com as well as thru apps for your smart phone or tablet.
- The Welcome email contains links to the Google Play and Apple App Store versions of the Directory Spot or you can scan the QR Codes below to be taken directly to the app store DirectorySpot listing for your device.

Android

Apple

LOGGING IN IS SIMPLE

- Simply open your DirectorySpot App
 - Enter your email address and password
 - Start looking for your friends
 - Please allow 60 to 90 days for your friends to set up their accounts. Their contact information will not be visible until they set it to be viewable. Some owners may not set up their profiles until they return for the season.
-

A dark green rectangular overlay containing a login form. The form has two input fields: the top one contains the email address "jon.williams1618@gmail.com" and the bottom one contains a masked password ".....". To the right of the password field is a white circular "Login" button. Below the password field is a "Save Password" checkbox, which is checked.
