

## RULES AND GUIDELINES FOR PETS AT VENTURE OUT

- \* All dogs and cats, remaining in Venture Out longer than the day of entry must be registered at the ACTIVITY OFFICE upon arrival. There is an annual registration for each pet.
- \* Each pet will receive a numbered tag which must be worn on the collar or harness always.
- \* A current CERTIFICATION OF RABIES VACCINATION is required, as per ARIZONA LAW, before you will receive a tag for your dog. No Certification is required for cats. Tags are current July 1<sup>st</sup> to June 30. Residents are allowed a maximum of (2) pets.
- \* The registration fee and process cover two important areas, ensuring protection of our pets from Rabies and aiding in identification of lost or stolen pets. THERE MAY BE A FINE IF A PET IS NOT REGISTERED WITHIN ONE WEEK OF YOUR ARRIVAL IN VENTURE OUT.

Fees for dog tags are:  
For the season \$15.00  
Up to one (1) month \$10.00  
Under (1) week \$5.00

Fees for cat tags:  
For the Season \$10.00  
Up to one (1) month \$5.00

- \* Day visitor pets (unless registered as above) must remain on the premises they are visiting.
- \* Registered pets are not allowed on the common areas of the resort other than the pet walk and surface streets. Registered pets may be walked on a 6 ft leash around the resort on the streets but may not be in any common areas except the pet walk.
- \* Remember to be sensitive to neighbors' feelings and property where pets are concerned. If a pet defecates or pees in route to the pet walk or as being walked in the resort, you must pick up after your pet immediately and pour water on the site. Always carry a poop bag and water to rinse the area. Remember, a dog cannot defecate while walking.... Keep your pet moving.

### THE PET WALK HAS A FEW RULES OF ITS OWN

1. Enter the walk only on the south side near the Broadway gate. This is out of courtesy for our residents that live along Aero by the gate.
2. Non-retractable 6 ft. leashes are required except in the closed area. Your pet must be under control at all times.
3. Clean up bags are available, with garbage cans in the ground at intervals along the path. Feces are not to be buried or covered with rocks anywhere in the resort.
4. Keep your pet in view at all times in order to clean up as necessary.
5. Keep the gates closed in the enclosed part of the Pet Walk.
6. Be quiet when using the Pet Walk especially before 8 AM and after 9 PM.
7. Open and close gates carefully and quietly and avoid loud conversation.
8. Pets which exhibit repeated aggressive behavior or continually bark or howl, will not be allowed to remain in Venture Out.
9. The pet wash is for your use. You must bring your own supplies and TAKE THEM HOME EACH TIME. No personal items, including towels may be left at the wash.
