Plays with Rocks!

Volunteerism

The rock and gem club is run by volunteers. There are opportunities to help the club in many ways, from being a shop monitor helping others, training new members, helping with the fundraising meals, organizing events, and so much more. We are a fun group and encourage everyone to be involved.

Mission Statement

The Venture Out Rock and Gem Club is dedicated to being a welcoming, supportive, fun environment to exercise the creative process while building community and friendships.

Easily distracted by rocks!

Our Shop

Our shop is located near the Dog Park in the SW corner of Venture Out. It contains all the equipment and tools for you to use.

You will just need to wear closed toe shoes, and you are ready to rock!

Grindin' and shinin'

Just one more rock, I promise...!

This art is totally resin-able!

For more information about the Venture Out Rock and Gem Club, including how to become a member, take a class, or see what we do, come to the shop and talk to a monitor today!

Color your world!

WELCOME
