Approval of Minutes of the February 24,2025 Linda moved, Gabby seconded. Passed

Update from Greg Shelby, Condo Liaison.

WEBSITE: Greg provided us with an update on the new Website and that it is progressing. We discussed that we have some very qualified talent on our committee that would be willing to assist or give input. Greg and Gabby will take their names back to Condo and with the possibility of assigning Denise, Gabby & Nephi as Liaisons.

CHANNEL #17: Greg updated us that Condo has budgeted funding to update equipment and expand their capabilities. He reported that we should see these improvements by the beginning of next season. He also suggested the possibility of setting up a Service Group similar to Audio Visual that could assist in filming, editing etc. He will make that suggestion to Condo at their April meeting for discussion. Robbie said that she would speak with Jon as to what he might need help with and report back.

Terms of Reference Updating

A new Terms of Reference is due to be turned in to Condo for approval. Rick provided an updated and revised Terms of Reference for our approval. Discussion was had to some changes. Rick will make changes and Greg will present to the Condo on the March 20th for approval. Approved copy will be posted on the Website under Communication Committee.

Discussion

Communication Plan:

We had much discussion about the direction of our committee. It was suggested that we revisit and update the previous Communication Plan that was created and presented to the board in May of 2023. The committee agreed, but decided that we needed to set up a meeting with Steve Byfield, our GM, to get his take on the direction he would like to see our committee concentrating our efforts. Rick said he would request such a meeting and would get back to us so that some of us may plan to attend. With Steve's input we can work on a comprehensive Communication plan which would then be presented to the Condo board. We will plan to review a motion, prepared by our Liaison Greg, that could be presented at the April Condo meeting.
