No changes to the Agenda

Chairperson Comments: None

Minutes Approval: Minutes Approved

Correspondence: Judy Lolly wants to donate File of Life Folders to VO. The General Manager was informed and placed an order for VO. Judy volunteered to cover any shortage funds,

A suggestion was made that all walkers need lights to walk at night.

Lot Owner Comments: George Markgraf and his wife are concerned for safety of the Aztec boulevard islands. A truck was parked unloading furniture and a fire truck was not able to pass. This is creating a safety concern and the Board Liaison (Chrystal Kennedy) will take it to the Condo Board.

Carol Perkinson brought up concerns regarding new street signage. The committee would like to Condo Board to get pricing on new signage to be added to the budget.

Condo Board Liaison: No new assignments.

Chief of Security: The speed monitor sign is being repaired and more speed solar signs have been budgeted and ordered. The pedestrian gate continues to have issues regarding the closing mechanism. All buildings now have new maps indicating the location of the AEDs.

Seminar: Seminar feedback will be posted on the bulletin board at the post office along with the Scam seminar and other updated information.
