Review of projects from last session:

Website: Denise is the point person on Website. Denise reported that they have been having very productive meetings. They will be setting up a meeting with the Condo Manager representative and have a list of questions they are still working on. They will be continuing with their weekly meetings.

Channel 17: Nephi is our point person on Channel 17. He reported that per Condo's recommendation they will be breaking off as their own standing committee. At present they are developing their Terms of Reference and will be a combination of Social, Condo, and residents.

Rules and Regulations: Mary and Linda are point persons: They reported that they have been making progress on a condensed form and have come across many discrepancies from what is currently posted on the web site. They also learned that in fact Administration is indeed now passing out a Rules sheet to new renters. Mike as our Condo Liaison would like to work on this project and possibly develop a New Owners/Renters packet.

Strategic Communication Plan: Denise is the point person on the Strategic Communication Plan. She asked that we continue to look more closely at this at our next meeting.

New Business

Discussion as to needing New Members: It was suggested that since we have a few members that have resigned, we continue to think of new possible members. Mary had applications forms for anyone requesting one. Rick Carson submitted a letter of intent to go off the Committee at the end of this season and that a new Chair needs to be selected.

Election of new Chair for the upcoming season: Mike nominated Denise, Linda seconded and Denise Wallace agreed to fill that position.

Terms of Reference: Our current TOR's will need to be reviewed at our April 3rd meeting to be submitted to the Condo Board.

Future Meeting Dates: Our next meeting is April 3rd 10:00am. Mary will reserve the administration meeting room for future meetings.
