Social Board Presidents Comments October, 2026

Hello VO!

It's great to see many friendly faces returning, and clubs beginning to open for our residents to enjoy!! The calendar in the Out-Lines is getting fuller, and homecoming is just around the corner (November 7)!

Your Social Board Directors are getting ready for a fun and busy season! We're putting the finishing touches on a fun new program we're calling the Passport for Kids program. It will be great for kids and grandparents alike, we'll have them visiting many of the "attractions" in our park to fill their passport book in order to enjoy a sweet treat! Stay tuned for more info on this fun program!!

Club officers, save the date: November 10, 1pm for the annual Club Officers Meeting. We're asking for 2 officers from each club to join us in the Oasis. We'll review updates to the Fall Start Up Kit for Clubs, and other info to help all have a successful season.

If your club had changes in officers take place over the summer, please be sure to let the Activity Office know. And if you haven't already, please also let them know your club opening date and your typical member hours!!

We have a few Social Board Meetings and work sessions planned in October, all in the Oasis (and zoom) at 9am. Feel free to join us: October 6 and 20-Social Board Meetings. October 14 and 28 Social Board Work Sessions.

Enjoy,

Judith Pyle

THE WAVE, THE SMILE, THE HELLO

Family and friends who have visited my husband and me in VO all agree on one thing. Park residents do a lot of smiling when they pass anyone walking or driving by. I tell people new to the park. "Smile, wave or nod but always acknowledge anyone you pass – wherever you are." Being from the Midwest, I was used to friendly faces out in public, but VO takes this to a new level. We're all here to enjoy the warm, winter weather and the activities that keep our bodies and minds invigorated. Even more important to me are all those little moments when we encounter each other - the connection that forms when we realize we're all in this together. I'm here for you just as you are here for me. One day it may be wishing someone good day. Another time, it's giving someone a ride to the airport. On other occasions it's calling 911, doing cat and dog sitting, helping out weeding, or shopping, or providing a meal. We're all so fortunate to be able to afford a second home and second set of friends and acquaintances from all over the US, Canada and places beyond. VO gives us countless opportunities to practice the timeless biblical adage, *"do unto others as you would have them do unto you."*
